

BCCD: Membership in Associations

The Board may hold membership in the North Dakota School Boards Association and in any county or regional association as may exist. The dues shall be paid by the District.

Board members are encouraged to avail themselves of the opportunity to become better members through attendance at regional and state meetings and conferences. Members are further urged to read the publications and mailings of the National School Boards association and the North Dakota School Boards Association.

The Board is encouraged to annually review the proposed resolutions of the NDSBA and send delegates to the convention prepared to discuss and vote on same.

Board members will be reimbursed for their expenses in accordance with state law.
