

DABB: Physical Examinations

Physical examinations when required as a condition of employment and continued employment, or for other reasons, in which case the School District shall assume the cost of the examination. Reimbursement of the cost of the exam shall be at the local going rate at the time of the examination for only those criteria required for certification for employment purposes.

The examination components as required shall be included on the school issued physical form to be secured at the school administrative office between the hours of 9:00a.m. and 4:00p.m., Monday through Friday. The completed and physician signature form must be on file at the school administrative office prior to employment.

The superintendent is to submit a physical as a part of initial employment.
