

GAAC: Review & Complaints of Instructional & Resource Material Policy

In order to consider the opinions of those persons in schools and the community who are not directly involved with the instructional and resource material selection process, and to avoid the possibility of a biased or prejudicial attitude influencing selection, a board-appointed district review committee shall deal with formal complaints about and/or requests for reconsideration of library and instructional materials.

This committee shall be responsible for reviewing all selection standards and procedures and shall work with all departments in clarifying selection criteria.

All citizen requests for reconsideration of and complaints about instructional and resource material will be processed through the District Review Committee.

A procedure for processing and responding to criticism of approved material shall be established and followed. This procedure shall include the use of a formal signed "Request for Reconsideration of Instructional Resources" form.

The District subscribes to the philosophy stated in the School Library Bill of Rights.
