

5th Grade SUPPLY SETUP

One of the many transitions from Lower School to Middle School is that students begin shopping for and providing their own school supplies! Some 5th graders have been dreaming of colored pens and fancy pencils, along with color-coded folders for years, while others could care less if their pencil pouch is blue or black. Either way, we want all students to start the year feeling confident and prepared. **Please support your child as needed in gathering and organizing their supplies.** This is key to their success! Also, be prepared to replenish frequently used items like pencils in January or as needed throughout the year.

- ✓ Unwrap all your school supplies, remove tags, etc.
- ✓ Set up the pencil pouch (see chart below).
- ✓ Label all materials with your child’s FIRST AND LAST NAME.
- ✓ Put the 8 tabs in the big binder and label each tab as follows. You may need to explain to your fifth grader how tabs work (materials for the subject go *behind* the tab).
 1. Planner
 2. Advisory
 3. LA
 4. SS
 5. Science
 6. French or Spanish
 7. Math
 8. Paper
