Welcome and Introductions
May Meeting Minutes Approval- (1st Amanda 2nd Tony Behrens)
April Budget and Expense Review Approval (1st Christi, 2nd Amanda)
Budget for 2025-2025 School Year Review Approval (1st Christi 2nd Courtnie)

Board Reports-
President- Senior scholarships to be presented Thursday.

Treasurer- Treasurer: A big thank you to Christine Hunter for her wonderful service! We're considering spending next year's surplus on movie candy and T-shirts. The budget meeting happened last couple of weeks. In the meeting, we updated some costs to reflect inflation and interest. We updated some names to reflect current use. We also updated placeholders for future events, once there is a full parking lot we can use.

Vice President- Review of bylaw revisions and approval.

Principal Report-
- The preschool light tables are in. Soccer nets are in, they're here, should be good for Yes Day.
- Staff appreciation: A big thank you, everything was a hit
- State testing was really good! 10 perfect scores in 3rd grade and a few in 4th. Our kids tested above average in both the district and state. This is why we have awards like the foam party on the 20th for 3rd and 4th graders. Field Day and Kindergarten graduation are upcoming. 4th grade events are upcoming, preparations look good. We're adding a 3rd Grade clap in to welcome them to 4th Grade (no parents). It's been a great year.

Teacher Grants

- 3 more Teacher Grants have been approved.

New Business
Spirit Wear- (L. Klancer) There will be meetings over the summer to begin planning designs.

Classroom Ambassadors- T. Behrens will serve as committee chair again next year.

Outdoor Movie Night- (T. Behrens) The event will take place on September 18th**.** The committee is considering using the *Minecraft* Movie for the event. The committee will investigate pairing the event with a Krispy Kreme donut fundraiser with potentially selling some of the donuts individually.

Committee Updates

Dine to Donate (L. Klancer)- Swenson's was good, but the event was a lot of work. Per K. Ashby, we made $157.35 from Swensons. The committee will discuss whether to partner with Swensons again for future Dine to Donate events as a later date. Chick-fil-A is supposed to be this month, but the Rep ghosted L. Klancer.

Rubber Ducks Night (L. Moore)- The numbers indicate the event was a huge success. There were 198 tickets purchased. L. Moore indicated that we want to continue to do the National Anthem rather than the 7th inning stretch.

Lunch Spirit Sales (C. Blatter)- The committee is looking for fresh items. The students seemed to like items with lots of colors rather than just items with Grizzly colors.

Egg My Yard- A. Rossi and S. Drollinger will head this committee again next year.

Spring Flower Sale- - No update available at the time of the meeting.

Overlook's Got Talent (C. Smith) - The video file is still loading. Access to the recording of the Overlook's Got Talent show will be provided to families once the file is loaded and available for sharing.

4th Grade End of Year Event (S. Smith)- There is a meeting next Tuesday to craft and plan specifics. The committee will be using snacks and drinks that are available in the PTO closet.

3rd/4th Grade Breakfast (L. Williams)- The event was a success. The students were fed prior to testing and tested well. Leftover shelf stable items were donated to the 4th grade end of year events.

PTO Sponsored Yes Day (A. Rossi)- The planning for the event is going well. People are signing up to help with the event. Many outdoor activities are planned (weather permitting).. The committee will plan to have students eat snacks outside to avoid sticky messes. Set-up for the event will take place on Friday morning. The committee is asking that volunteers wear Overlook T's (if they have one).

Staff Appreciation (L. Klancer)- Staff Appreciation week was greatly appreciated. The coffee cart was a big hit with the Overlook staff. The staff enjoyed the lunches and appreciated the to-go containers. A mobile car wash and peak massages were ideas shared for potential use during Staff Appreciation week next year.

Adjourn: T. Behrens- 1st A. Rossi- 2nd
