EXPLANATORY STATEMENT

PROPOSITION NO. 1 – REPLACEMENT EDUCATIONAL PROGRAMS AND
OPERATIONS LEVY

This proposition authorizes Yelm Community Schools to replace the educational programs and operations levy that expired at the end of calendar year 2024. The levy will be used to pay expenses of essential educational programs and operations that are not fully funded by the State, including, but not limited to, certificated classroom teachers, certificated specialists (art, P.E., music, drama, library, technology), office support, para-educators, supervision, nurses, counselors, social workers, classified staff, school resource officers and safety staff, graduation and career readiness, technology, athletics, extracurricular activities, facilities, curriculum materials and professional development.

The proposed two-year replacement levy would authorize the collection of taxes to provide up to \$8,955,000 in 2026 and \$9,495,000 in 2027. The levy rate required to produce these amounts is estimated to be \$1.30 per \$1,000 of assessed value. The exact levy rate and amounts to be collected may be adjusted based upon the limitations imposed by State law at the time of the levy. Exemptions from taxes may be available, call your county assessor for more information.

RESOLUTION NO. 09-24-25

A RESOLUTION of the Board of Directors of Yelm Community Schools, Thurston and Pierce Counties, Washington, providing for the submission to the voters of the District at a special election to be held on November 4, 2025, in conjunction with the State general election to be held on the same date, of a proposition authorizing an excess tax levy to be made annually for two years commencing in 2025 for collection in 2026 of \$8,955,000 and in 2026 for collection in 2027 of \$9,495,000, for the District's General Fund to pay expenses of essential educational programs and operations; designating the District's Chief of Finance and Operations and special counsel to receive notice of the ballot title from the Auditor of Thurston County, Washington; and providing for related matters.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF YELM COMMUNITY SCHOOLS, THURSTON AND PIERCE COUNTIES, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the "Board") of Yelm Community Schools, Thurston and Pierce Counties, Washington (the "District"), takes note of the following facts and makes the following findings and determinations:

(a) Calendar year 2024 was the last year of collection of the District's prior four-year General Fund educational programs and operations tax levy, which was authorized pursuant to Resolution No. 01-19-20, adopted by the Board on November 26, 2019, and approved by the voters at a special election held and conducted within the District on February 11, 2020.

(b) With the expiration of the District's prior four-year General Fund educational programs and operations tax levy, it appears certain that the money in the District's General Fund for the school years 2025-2026, 2026-2027 and 2027-2028 will be insufficient to permit the District to meet the educational needs of its students and pay expenses of essential educational programs, extracurricular activities and operations not funded by the State of Washington (the "State"), all as more particularly set forth in Section 3 of this resolution, during such school years, and that it is necessary that a replacement excess tax levy of \$8,955,000 be made in 2025 for collection in 2026 and \$9,495,000 be made in 2026 for collection in 2027 for the District's General Fund to provide the money required to meet those expenses.

(c) The District's proposed two-year General Fund educational programs and operations tax levy authorized in this resolution supports approximately the same educational programs, extracurricular activities and operations purposes as the District's expired four-year General Fund educational programs and operations levy, except at the program reduction levels established for the 2024-25 school year that are authorized to roll-over into the 2025-26 school year.

(d) Pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington ("RCW") 84.52.053, the District may submit to its voters at a special election, for their approval or rejection, a proposition authorizing the District to levy annual excess property

taxes for support of (*i.e.*, to pay) essential educational programs, extracurricular activities and operations expenses.

(e) The District has received or, prior to the time the ballot proposition authorized in this resolution is submitted to the voters, the District will have received approval of its educational programs and operations tax levy expenditure plan from the Office of the Superintendent of Public Instruction under RCW 28A.505.240 as required by RCW 84.52.053(4), a copy of which is or will be on file with the District.

Section 2. Calling of Election. The Auditor of Thurston County, Washington, as *ex officio* Supervisor of Elections (the “Auditor”), and the proper officer of the county to which the District belongs pursuant to chapter 28A.323 RCW, is requested to call and conduct a special election in the manner provided by law to be held in the District on November 4, 2025, in conjunction with the State general election to be held on the same date, for the purpose of submitting to the District’s voters, for their approval or rejection, the proposition authorizing a replacement General Fund educational programs and operations tax levy on all of the taxable property within the District (the assessed value of such representing 100% of true and fair value unless specifically provided otherwise by law) to be made annually for two years commencing in 2025 for collection in 2026 of \$8,955,000, the estimated dollar rate of tax levy required to produce such an amount being \$1.30 per \$1,000 of assessed value, and in 2026 for collection in 2027 of \$9,495,000, the estimated dollar rate of tax levy required to produce such an amount being \$1.30 per \$1,000 of assessed value, all in excess of the maximum tax levy allowed by law for school districts without voter approval. The exact tax levy rate and amount to be collected may be adjusted based upon the actual assessed value of the taxable property within the District and the limitations imposed by law at the time of the levy.

Section 3. Use of Taxes. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy the excess property taxes up to the amounts provided in this resolution to meet the educational needs of its students and pay expenses of essential educational programs, extracurricular activities and operations not funded by the State, including, but not limited to, certificated classroom teachers, certificated specialists (art, P.E., music, drama, library, technology), office support, para-educators, supervision, nurses, counselors, social workers, classified staff, school resource officers and safety staff, graduation and career readiness, technology, athletics, extracurricular activities, facilities, curriculum materials and professional development, during the school years 2025-2026, 2026-2027 and 2027-2028, all as may be authorized by law and determined necessary by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and determined necessary and advisable by the Board.

Section 4. Form of Ballot Title. Pursuant to RCW 29A.36.071, the Thurston County Prosecuting Attorney, as the county prosecuting attorney of the county within which a majority area of the District is located, is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:
