Now Accepting Tax Credit Donations Online!

Arizona tax law (ARS 43-1089.01) allows taxpayers a credit for contributions made or fees paid to a public school for support of extracurricular activities. The credit is a dollar for dollar credit that is equal to the amount contributed or the amount of fees paid. However, the credit cannot exceed \$200 for single taxpayers or heads of household. For married taxpayers who file a joint return, the credit cannot exceed \$400. You do not need to have a student enrolled in school to contribute!

**Scholarships don't qualify as Tax Credit.*
