Order lunches here!

Tuition Management
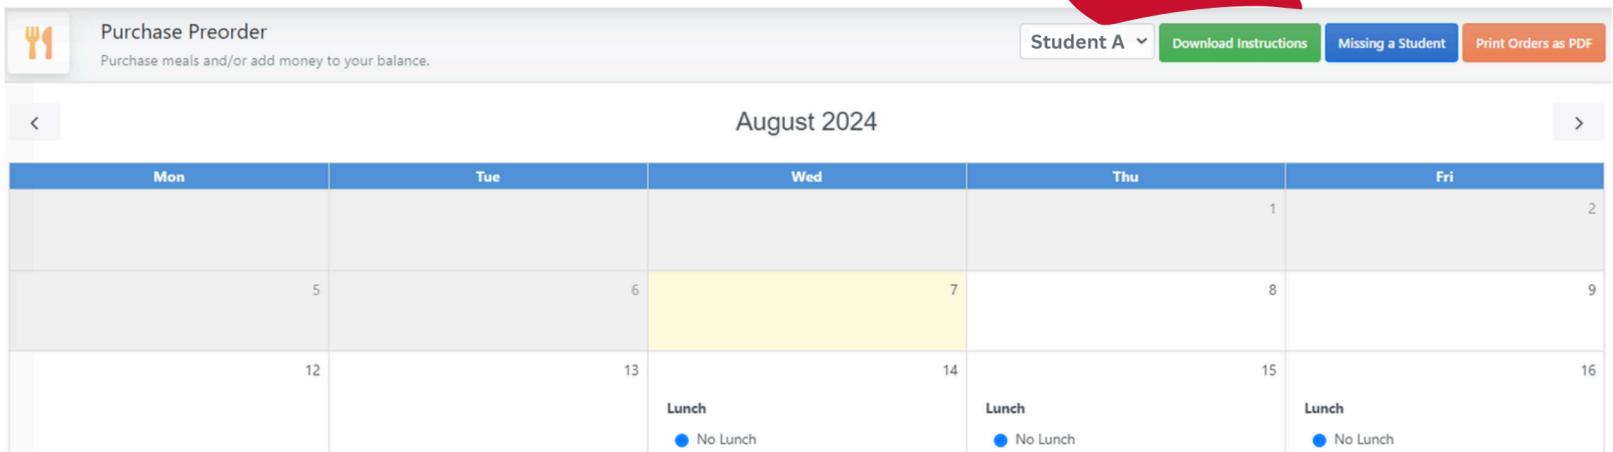

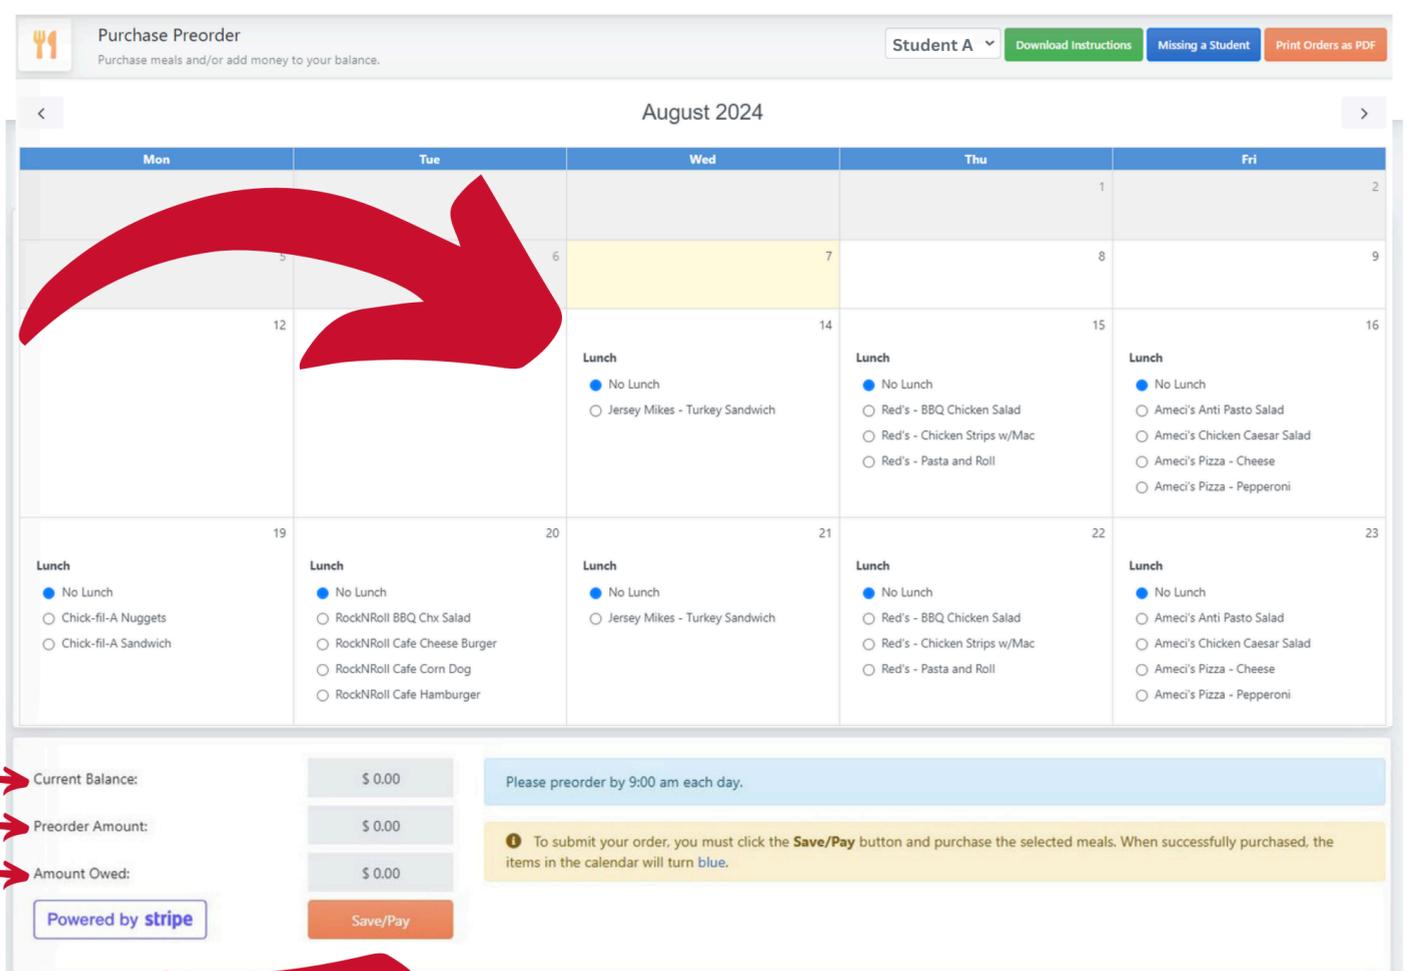

Step 4: You will be redirected to EZ School Apps. No login necessary
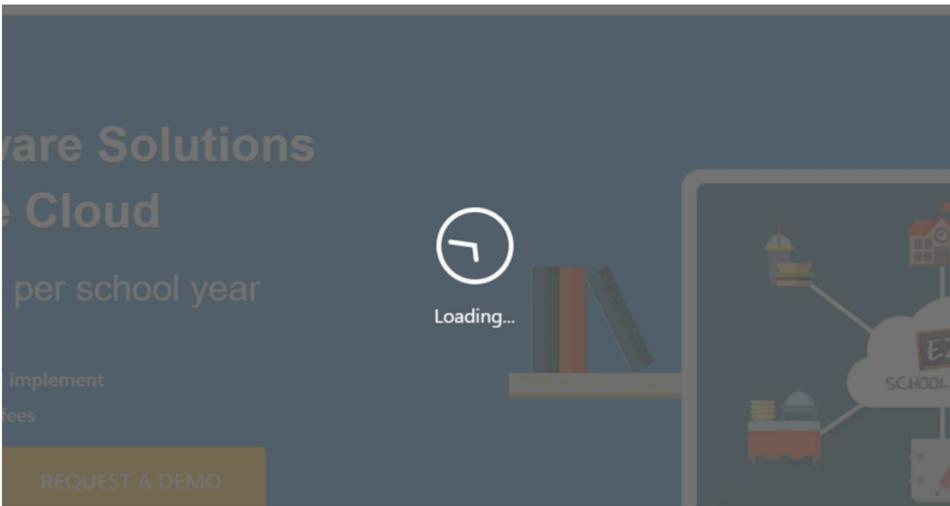

Step 5: Your student's name will be at the top.

If you have more than one student, you will need to select each student from the dropdown and choose their lunches separately.

Step 6: Select lunch(es) for your student.

Amount in your student's "bank" → Current Balance:

Amount for this transaction → Preorder Amount:

Balance owed for this transaction → Amount Owed:

Step 7: Click Save/Pay and complete payment.
