

# Chromebook Acceptable Use Policy

This policy outlines the responsible use and care of Chromebooks issued to students by Muenster ISD. By using a school device, students agree to follow this policy at all times.

---

## General Use

- Chromebooks are **school property** and provided for educational use only.
  - Students must bring the Chromebook to school daily, fully charged.
  - Chromebooks should only be used by the assigned student—**do not share devices**.
  - Students are totally responsible for their own Chromebook. Any damage, loss, or theft is the responsibility of the student and not the school or any other student.
  - Do not remove or peel off identifying labels and do not add personal stickers, markings, etc.
- 

## Repairs & Replacement Fees

*Fees apply for damage beyond normal wear and tear or loss. Fee waivers may be available for qualifying families.*
