Student Onboarding is a one-time welcome experience that requires completion of the Find Your Path (Career Interest Inventory) assessment.

Would you like to skip student onboarding?

☐ Yes, skip onboarding.

☒ No, take me through onboarding.

[< Back](#) [Start Demo Experience >](#)

Step 3: Onboarding:
You'll be prompted to start the onboarding process.

Welcome to SchoolLinks

SchoolLinks is a career, college and future planning tool.

Let's get onboarding!

You're about to take the Find Your Path assessment (or Career Interest Inventory). Once you complete the assessment, you'll see your personality result and choose a career path that interests you.

If you're not sure what to choose, don't worry.

- 👉 The choices you make now are not permanent
- 👉 You can always retake this assessment after onboarding

[Let's go →](#)

Step 4: Complete "Find Your Path" Survey. This survey helps you identify your interests, skills, and career preferences.

[Not sure what to choose?](#)

Top cluster matches

**Business, Management, & Administration**

Be part of making businesses successful. In this cluster you'll be responsible for the planning, operation, and strategy of businesses large and small.

**Science, Technology, Engineering, and Mathematics**

This cluster is for those who have a passion for innovation, scientific research, and creating the technology that we'll use in the future.

**Transportation, Distribution, & Logistics**

You will ensure that people and goods make it to where they are going efficiently. You can plan or manage transportation systems, or operate and maintain vehicles.

**Information Technology**

Work with computer hardware, software, multimedia, and network systems. You will be responsible for the technology we use and making sure others are educated about how it works.

Other clusters

**Agriculture, Food & Natural Resources**

This cluster focuses on how to manage, preserve, and distribute natural resources, and can involve working in food or agriculture.
