

Kickstarting Your Plan

Part 1

Last year:

Theme = Link

- Interests
- Skills
- Strengths

This year: Advocate

9th - Purpose

What goals do I have?

10th - Link

What are my strengths and interests and how do they help me achieve my goals?

11th - Advocate

What am I doing to help achieve my goals?

12th - Navigate

What I am doing to complete my work with my goals to finalize my plan?

Roadmap

Postsecondary Options

■ 4-year Degree

Enrolling in a university to obtain a bachelor's degree

■ 2-year Degree

Enroll in a community college to get an associate's degree or transfer credits

■ Trade School

Gaining specialized skills for career through technical school, credential programs, and certificate programs

■ Apprenticeship

Learning a trade or skills through hands-on experience or workforce training

■ Internship

Gaining short-term professional experience in a chosen field

■ Volunteer

Advancing a cause through programs like AmeriCorps or Job Corps

■ Gap year

Taking a year off before furthering education or work

■ Workforce

Diving directly into the job market and starting your career journey

■ Military

Enlisting in the military to defend and serve your country

Which are you most curious about?
