

## Bryan Station Middle School- Supply List for 6th-grade DLI

### Introducing the BSMS Binder System: School-Wide Organization for Success

To support students in building strong organizational habits, we are excited to implement a **school-wide organizational system** for the upcoming academic year.

Each student will be required to have a 2 ½-3 inch three ring "**BSMS Binder**." This binder will serve as a central hub for all of their school materials. Inside the BSMS Binder, students will keep their...

- **Color-coded folders** for each subject to help them quickly locate and organize classwork.
- A **pencil pouch** clipped into the binder for easy access to essential supplies (pens, pencils, highlighters, etc.)
- **One-subject notebooks** or composition books for the classes that require them.

Our goal is for the **BSMS Binder to be a "one-stop shop"**—helping students come to class prepared, stay organized throughout the day, and take responsibility for their learning materials.

We appreciate your support as we launch this initiative and look forward to seeing the positive impact it will have on our students' success!

In addition to the above supplies, please see the supplies for each subject-area class on the next page. Thank you!
