Spark! Passion Project

Gabbie Kerber, Ava Silva and Brynne Smith, three seniors from Spark! Pre-Professional Health Sciences Academy, brought comfort, joy, and a little bit of childhood magic to hospital rooms at BJC St. Louis Children's Hospital.

Together, the trio raised over \$1,000 to host a Build-A-Bear experience for patients and their families. As a Spark! passion project, Gabbie, Ava, and Brynne pursued and created something they were passionate about on their own time outside of class. To top it off, they made a charitable donation back to the hospital with the remaining fundraising dollars.

North High Hosts Special Olympics

North High was buzzing with energy as more than 200 athletes came to campus for the annual Special Olympics Track & Field Meet! Viking Stadium was filled with cheers, carnival games, and heartwarming moments!
