Program Highlight: Inspiring the Next Generation of Entrepreneurs

Spark! Think Tank & Innovation Project Success

Budding entrepreneurs from Parkway and Rockwood School Districts took center stage at the annual Spark! The Tank competition, hosted at Maryville University. Fourteen student-run startups presented innovative business ideas to a panel of judges, competing for funding to bring their ventures to life. In the end, five outstanding teams walked away with the resources and support to take their ideas to the next level.

The Spark! The Tank competition was made possible thanks to generous support from Maryville University, Waterway Carwash, and the Parkway Alumni Association's Thomas Phelps Entrepreneur Fund.

Entrepreneurial momentum continues beyond Spark! through the annual Waterway Idea Bounce, another initiative encouraging student innovation. This year's winner, Andrew Rubin, a senior at Parkway Central, transformed a class project into a thriving business. His startup, State Street

Spices, features hand-crafted spice blends now available at retail locations throughout St. Louis—a flavorful example of how student ideas can become real-world successes.

With each pitch and every bold idea, Parkway students are gaining hands-on experience, growing confidence, and building businesses that reflect both creativity and purpose.

A Note from Our Board President

Dear Parkway Alumni and Friends,

As we count down to the start of a new school year, I'm excited to share that there's a renewed energy in the air—and so much to look forward to across our Parkway community!

With new leadership at the helm, our incoming superintendent brings fresh vision and momentum, and we at the Parkway Alumni Association are proud to support that growth with meaningful programs that serve our students, teachers, and staff.

This year, we're thrilled to offer a full calendar of alumni reunions and gatherings—wonderful opportunities to reconnect with classmates, celebrate your Parkway roots, and see firsthand the impact our alumni continue to make.

We've committed to making this another great year, and we hope you'll be part of it. Whether you attend an event, support a program, or simply stay connected, your involvement helps keep Parkway strong.

Let's make this year one to remember—**together**.

Warmly,
Kennedy Graf

Alumni Updates

Alumni Spotlight: Robert L. Schapp, Jr. (PNH '75)

Founding Parkway Alumni Association board member Robert L. Schapp, Jr. came out of retirement in September 2023 to lead the Travelers Protective Association of America, a national fraternal benefit society based in St. Charles, MO. With over 10,000 members in more than 100 posts across the U.S., TPA has served communities since 1890. Bob also oversees the TPA Hearing Trust, a 50-year-old charity supporting individuals of all ages with financial and medical needs related to hearing loss.

Now in what he calls his “dream job,” Bob jokes, “Any more fun and it would be illegal!” Still, he and his wife, Cindi, agree—nothing beats the joy of their grandchildren.
