

LAMERS BUS LINES, INC.

Dear Parent:

Thank you for allowing us the opportunity to meet your school bus transportation needs, we look forward to serving you. We feel that School Bus transportation is the safest, most economical means of transporting your child to and from school. Lamers has been providing this service in the Green Bay area for over 80 years.

Private pay busing is available on a limited basis depending on our current route structure. We build our routes for the school districts and if there is space available on a particular bus, we make those seats available at a reasonable rate on a private pay basis. We will make every effort to honor all transportation requests.

1. Any Private Pay busing that is accepted by Lamers Bus Lines is subject to change and/or cancellation at any time depending on the needs of the school district.
2. No refunds will be issued after March 31st when the rider cancels transportation services.
3. When a refund is issued a \$30.00 service fee will be assessed when the rider initiates the cancellation.
4. **Pricing is firm. The pandemic has caused severe losses. We can't offer any price reductions/specialized rates at this time.**

If you are interested in registering for transportation, please fill out this form and return it to Lamers with the payment. We can accept credit card/debit card payments over the phone. There will be a 2% fee added for Visa, Mastercard and Discover, a 4% fee added for American Express. Please complete the form and send it back including a phone number and/or email we can use to contact you to complete the credit card/debit card processing. We will provide you with specific bussing information for the upcoming school year in August. A payment must accompany the registration form if you are mailing it in. (The full year rate (saves you approximately one month in fees on a round trip rider). If we cannot provide the transportation that you are requesting, we will return your payment with a notification in August.
