

Welcome to Kindergarten

Choice builds confidence. Choose, enroll and watch them soar!

At GCS, we design our schools and programs to be places where students can explore, experience a sense of belonging, build their identity and contribute to their school community. Watch your child discover subjects that light them up — such as science and technology, Spanish, or gaming and robotics. See how well they learn when their education aligns with their needs. We are here to unlock their potential so that they begin to see how far learning can take them.

This guide outlines important steps for enrolling. We are excited for you and your students to become a part of our community!

Your child will be cared for, supported and believed in.

At GCS, we know that feeling safe — healthy, supported, nurtured and protected — plays a critical role in learning. We have everything in place so that your child experiences the joys and excitement of school in a nurturing learning environment. Whether they need a hug or a high-five, our students have the support they need to thrive. They have a place here, and our teachers, staff and administrators will make sure they feel safe, at home and ready to learn exciting things.

Parents and guardians, we're going to watch over your child as we ignite a love of learning and build a strong foundation for what's next. We also invite you in. You are a valued member of our school community and we cannot set our students up for success without your participation. Come see what's going on in our schools, volunteer and share in an exciting future.

We'll take care of your child — and their future.

At Guilford County Schools, a welcoming and active community rallies around each family to support you and your child with:

- A personalized learning experience that allows you and your child to choose their path beginning in elementary school with outstanding academic programming and opportunities for specialization at magnet and choice schools
- Dedicated devices for every child as a one-to-one district as well as excellent instructional materials and library access
- Several of the highest performing schools in the state and nation
- Caring, highly credentialed and professionally trained teachers, ranking GCS among the top districts for board-certified educators
- Tools, resources and community for parents and caregivers through Guilford Parent Academy
- A staff that works together to offer comprehensive services to support your child, day to day and year to year — nutrition, counseling, special education, accelerated learning and more

Enrolling Your Student

The following information will help you prepare to register your child for Kindergarten using the [GCS Online Registration System](#).

Confirm eligibility

All Guilford County Schools students must reside with a parent or court-appointed legal guardian who is a district resident.

Find your child's school assignment

Use our [School Assignment Locator](#) or call the [Student Assignment Office at \(336\) 370-8303](#) if you need assistance finding your school assignment.

Gather required documents

Parents or court-appointed guardians must submit the following required documents to register your kindergarten student. Some documents must be requested from your child's health care provider. Collect this information before beginning the registration process to make sure you have everything you need.

1. **Child's certified birth certificate**
2. **North Carolina Health Assessment Transmittal Form certified by your child's health care provider**
3. **Immunizations (shots) records from your child's health care provider**
4. **Proof of residence showing name and address (CHOOSE ONE): All items below must be in the name of the parent(s) or court-appointed guardian/custodian.**
 - **Current, original gas, oil, water or electric bill. (Telephone and cable television bills are not acceptable.)**
 - **Official lease agreement**
 - **Driver's license (or State ID card from Department of Motor Vehicles) AND voter registration card from the Board of Elections Office**
 - **Driver's license (or State ID card) AND car registration**
 - **Driver's license (or State ID card) AND letter from employer on company letterhead verifying address**
 - **Driver's license (or State ID card) or voter registration card AND Medicaid card**

Create an account and complete your registration

Log in or create your account at the [GCS Online Registration System](#). You will need an email address to register. If you need support with registration, please call the [Student Assignment Office at \(336\) 370-8303](#).

Frequently Asked Questions

How do I obtain my child's health records?

The North Carolina Health Assessment Transmittal Form is the form the health care provider fills out after examining your child and is required by state law. Forms are available at elementary schools and some pediatrician offices.

You can get a copy of your child's immunization records from your child's health care provider. Immunizations required by state law include:

- **Diphtheria, Tetanus, acellular Pertussis (DtaP).** Five doses required. If the fourth dose is after your child's fourth birthday, a fifth dose is not required.
- **Inactivated Polio Vaccine or Oral Polio Vaccine (IPV or OPV).** Four doses required. The booster (fourth) dose is required on or after the fourth birthday and before entering school for the first time.
- **Measles.** Two doses, with the first dose on or after your child's first birthday.
- **Mumps.** One dose on or after your child's first birthday.
- **Rubella.** One dose on or after your child's first birthday.
- **Haemophilus Influenza Vaccine (Hib).** One dose.
- **Hepatitis B.** Three doses.
- **Varicella.** Two doses administered at least 28 days apart, with the second dose before entering school for the first time.

How do I obtain a certified copy of my child's birth certificate?

Contact the Register of Deeds in the county or state where your child was born.

If your child was born in Guilford County, you can contact the [Register of Deeds at \(336\) 641-7556](#).

What if my family is in transition?

If you are experiencing homelessness, your child has certain educational rights under federal legislation. Forms and information are available at each school.

A Student in Transition Affidavit must be completed for each child.

For questions, contact the office of [Homeless and Transitional Services at \(336\) 370-2329](#).

For more information about enrolling your child for Kindergarten, visit the [kindergarten registration page on our website](#).

How can I help my child get ready for Kindergarten?

- Make sure your child gets plenty of sleep each night (10 to 12 hours recommended).
- Show interest in your child's play by talking about it or joining them. Ask questions and introduce some new ideas. Be supportive of your child and use positive language and reinforcement.
- Talk about feelings with your child. Talk about and give examples of how people may feel when things happen.
- Offer your child a variety of healthy foods and have your child help with mealtime routines.
- Try leaving time for your child to get dressed on their own. Have your child practice with zippers and buttons.
- Encourage your child to try new challenges such as climbing, kicking, catching and throwing.
- Talk with and listen to your child by asking and answering questions. Introduce new words when possible.

- Whatever language you speak at home, continue to use it at home and in our community. Learning two languages is good for a child's brain development!
- Try to read picture books every day. Talk about the pictures and ask questions about the story. Re-read favorite stories.
- Ask your child to tell stories.
- Encourage your child to count, compare, and predict things in your daily routine. For example, "Let's count how many cars are parked on this street."

- Encourage your child's interests and curiosity. Get books from the library about things your child finds interesting such as sports, insects, superheroes or flowers.
- Provide opportunities for your child to cut, paste, draw and write.
- Practice identifying colors with your child.
