Don't forget to get your car rider sign!

Please visit schoolpay.com to fill out the necessary information for a car rider sign. SchoolPay is the system our district uses for things like paying library fines and RSVPing for school events, field trips, and more. **Just a heads-up:** when requesting a car rider sign, it may appear as though you're checking out or making a payment—but there is no charge. Please complete the form by **August 3rd**. Car Rider Signs will be ready for pickup at **Meet the Teacher**. If you plan to pick up your child in the car rider line—even if it's just on the first day of school—you will need a **new car rider sign** for this school year. We update the color and information each year. For safety reasons, if you do not have a car rider sign, you'll be asked to park and come inside to pick up your child. We appreciate your understanding as we work to keep all students safe.

Car Rider Line Videos

Please take a moment to watch our car line procedure videos. The easiest way for us to see your car rider sign is by hanging it from your rearview mirror using a "shorts" hanger - the plastic hanger with clips typically used in stores to hang shorts or pants. Be sure to keep the sign visible until you reach the cone or curb where your child will be waiting.
