2. Copies of the Healthy and Safe Schools Plan

Copies of the plan are available at each of the following locations:

- Medford School District 549C Facilities Department, 900 Kenyon St., Medford, Oregon
- <https://www.medford.k12.or.us/departments1/facilities-grounds/healthy-and-safe-schools-plan>

3. Testing Certification

The Medford School District 549C certifies that it complies with all plan components, including all testing required by any part of the plan.

4. Testing Results

The Medford School District 549C is current with all required testing as of the date of this document.

Test results can be found on the district's website at -

<https://www.medford.k12.or.us/departments1/facilities-grounds/test-results>.

The Medford School District 549C will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact Hannah.maynard@medford.k12.or.us to be added to current district email lists and programs. Specific test results can be found as follows:

- Lead in Water: <https://www.medford.k12.or.us/departments1/facilities-grounds/test-results>
- Radon: <https://www.medford.k12.or.us/departments1/facilities-grounds/test-results>

5. Website Link Maintenance

The Medford School District 549C certifies that all website links for plan information and test results are current and functional.

6. Major Exposure Reduction Activities

The Medford School District 549C has completed the following major activities, which resulted in reduced risk of exposure to hazardous materials:

Facility Name	Building Identification Number (BIN)	Activity resulting in reduced risk of exposure to hazardous materials	Type of hazard addressed	Date of Activity (6/1/24-5/31/25)	Estimated cost of remediation
