WHAT IS A SENIOR SALUTATION?

They are a great way for parents and family members to congratulate their senior on graduating and to include special photos from their senior's life that would not otherwise be featured in the yearbook.

5. Choose the desired page size of the ad.

   FULL PAGE: 11 PHOTOS & 1200 CHARACTERS

6. Click "Next" then "Continue" on the next page.
7. In the "Headline" section, write your senior's name **the exact way you would like it to appear on the senior's page**.
8. In the "Body" section, type the messages from parents and/or grandparents you would like to appear on the page.
   a. **Please limit the length of the messages to the character count (spaces included) mentioned above.** *Take note: the ¼ page requires that you use a max of 400 characters rather than the 600 maximum offered on the website. We can only fit 400 characters in the ¼ pages.*

   b. **DO NOT upload photos that are screenshots or cropped photos.** These photos will be too small to use and will turn out blurry.
   c. If you have a specific way you want the pictures arranged, please number the picture slots on the template provided, and then number the pictures to correspond with the numbered template. You may submit this with your order form.
10. Verify that everything is correct, and complete payment at checkout.

* Completed order forms (on the last page) must be submitted to Ms. Rushin in D510 or emailed to cailyn.rushin@walton.k12.ga.us no later than September 5th*

* Please note: all senior salutations created by the Yearbook staff will follow this template. This template only shows photo placement, not the colors, backgrounds, fonts, or overall page design chosen by the Yearbook staff. The Yearbook staff may need to flip templates so names/pictures/messages do not fall in areas that are difficult to read or see. Otherwise, NO changes will be made to the templates. Please choose photos that will work well with the shapes in the template above. Parents may create their own page however they like, but the Yearbook staff will only be using the provided templates. *

WHAT IF I WANT TO DESIGN MY OWN PAGE?

Please make sure you follow these guidelines:
1. The design must be sized as follows: full page = 8.5x11 inches, half page = 8.5x5.5 inches, quarter page = 4x5.5 inches
2. The final page must be **300 dpi**. (If the resolution is lower, the page will appear blurry.)
3. Please make sure the pictures you use are at 300dpi (no screenshots or cropped photos). This could also result in blurry pages.
4. **The file must be saved as a JPEG or PNG.** (NO PDFs, Microsoft Word, or Microsoft PowerPoint files can be used! These types of files will not convert to our design program.)

BE ADVISED!!!

High school students will be creating your salutation, unless you have decided to have it designed by someone else. Please remember that we do our best to comply with your wishes and avoid errors; however, we cannot guarantee perfection. The purchaser will receive a digital proof that must be approved by the purchaser.
