Dear Students and Parents/Guardians,

Welcome Back! We are excited and can't wait for the year to begin! There are two schools within the Elementary Center and we will share common areas within the Center. The Primary School houses students in Pre-K, Kindergarten, Grades 1 & 2. Mr. Sebelin is the Principal of the Primary School. The Intermediate School houses students in Grades 3, 4, and 5. Dr. McGalla is the Principal of the Intermediate School. Mrs. Foster is the Principal of Academic Achievement and Intervention for the entire building.

This handbook was prepared specifically for the parents of children attending both the Primary School and the Intermediate School. We hope it is helpful to you and answers any question you may have about our schools. Please read through it carefully with your student(s) and keep it accessible to reference as needed.

All elementary students in Grades K-5 will continue to be offered Encore classes. Students will receive instruction in: Music, Art, Physical Education, Library, and Computer/Technology instruction.

School personnel are accessible through telephone or email. Communication is important for the success of all children. We encourage parents/guardians to communicate directly with the classroom teacher. Lastly, the Elementary Parent-Student Handbook is accessible on the School District's website at www.lehighton.org

Looking forward to a great year working together.

Educationally yours,

Mr. Aaron Sebelin

For more information, please see LASD policies 103, 104, 113, 150, 815 for further guidance.

Mrs. Rebecca Karpowicz, Business Affairs/Human Resources Coordinator, is designated as the Title IX Coordinator/Compliance Officer. All Title IX inquiries or complaints regarding alleged discrimination on the basis of race, color, age, creed, religion, sex, sexual orientation, ancestry, national origin, marital status, pregnancy or handicap/disability in the educational program of the Lehigh Area School District should be referred to the Business Affairs/Human Resources Coordinator at (610) 377-4490 ext. 7523 or rkarpowicz@lehigh.org. More information can be found on the District website at <https://www.lehigh.org/departments/title-ix>.

Student Records/Assessment of Student Progress Policies

The Board of Education has adopted a Student Records Policy – Policy 216. The policy’s function is to allow (1) school authorities to gather information necessary to facilitate its educational responsibility; (2) assure the student, parent, and/or legal guardian’s right to privacy. Copies of all District Policies are available on the District website at www.lehigh.org/policies.

In accordance with the Assessment of Student Progress Policy – Policy 213, the Board of Education has approved a testing program designed to provide information concerning the proficiency of all children in the District on standardized tests of academic achievement, ability and aptitude. Parents will be notified of the name of the test, the grade, the approximate time and purpose of the test if their child is in a class that is being tested.

The Family Education Rights and Privacy Act (FERPA)

This law affords certain rights to Parents and Eligible Students in regards to Education Records that are maintained by schools. These rights transfer to the student when they reach the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Lehighton Area School District Mission:

Educating students for lifelong success by providing challenging and relevant instruction, fostering academic and personal growth, promoting civic responsibility, cultivating community partnerships and supporting the mental well-being of all in a safe environment.

Lehighton Area School District Vision:

The Lehighton Area School District will foster a safe and respectful environment where all individuals have the opportunity to reach their potential.

ELEMENTARY SCHOOL HOURS: 8:25 am – 3:05 pm

School Arrival – Students should arrive at school starting at **8:05 am**. All students are expected to be prompt and on time. **Students arriving after 8:25 am will be marked tardy and must be accompanied by a parent/guardian to sign in at the main offices. Three unexcused tardies will result in a lunch detention.**

School Dismissal will begin at **3:05 pm**

A detailed letter with parent drop-off/pick-up procedures will be sent home the first week of school. Please obey and be aware of the traffic patterns.

Dismissal During the School Day

If for some reason you must remove your child from school during the day, please indicate your intent by sending a written notice (including day, time, purpose) to the classroom teacher. The child will be dismissed through the office and not from the classroom. Please adhere to this practice for the safety and welfare of your children. Parents/Guardians are required to sign the appropriate ledger in each elementary building office.

SCHOOL CLOSINGS

Should it be necessary to close school, start late, or to dismiss early because of inclement weather or other emergency conditions, a PowerSchool announcement will be made. Also, notices will be listed on local radio & TV stations. You may also visit the LASD website at www.lehighton.org for notifications.

SCHOOL VISITORS

During the school day, all entry doors are locked. Parents/guardians and visitors to our school, who have been invited to participate in approved programs, must use the respective office entrance for your child(ren). All parents/guardians and visitors must then report to the office. Please bring a driver's license with you so your identification can be verified through our Raptor Visitor Registry System. At this time an ID badge will be given to you to wear while you are in the building.

DRESS/APPROPRIATE SCHOOL ATTIRE

The home and school need to cooperate in the matter of dress. Good grooming and dress are, primarily, the responsibility of the parents and students. In addition, for the health, safety, and well-being of all the students, our school is also involved in this responsibility. Proper dress is conducive toward the maintenance of a constructive educational atmosphere. Therefore, we would appreciate your support and cooperation with the guidelines that follow:

1. **Clothing** that may be considered a health and/or safety concern, such as oversized, baggy pants, beltless pants and/or pants that allow undergarments to be exposed are not to be worn. Clothing and appearance should be neat, clean, and in good taste. It should not be extreme to the extent that it focuses attention on the wearer and/or disruptive to the education process.
2. **Footwear:** Heels, clog shoes, pool / beach footwear, etc. are not to be worn. Footwear must be secured or strapped at the ankles.
3. **Hats** should be removed upon entry into the building, with the exception of hats/head-coverings for religious and medical purposes.
4. **Outerwear** Since students participate in recess year round, they should dress for both indoor and outdoor activities. In cold weather, students should wear seasonably appropriate outerwear that can be easily removed upon entering the building.
5. **Shirts** No cutoff shirts, cutoff tee shirts, or cut off sweatshirts are permitted. Shirts that have a message with inappropriate messages or that are suggestive or promote alcohol or drugs, are not permitted. Halter tops, tube tops, mesh tops worn alone, and midriff shirts which expose the stomach area are not allowed to be worn to school. Tank tops straps must be wider than 1 inch.
6. **Physical Education** Students must wear sneakers, socks and comfortable clothing for physical education class. No slip-ons or platform type sneakers.
7. **Shorts** Students will be permitted to wear shorts that are modest and in good taste. Shorts must extend past the wearer's fingertips when placed at one's side. The following restrictions apply to the wearing of shorts: Spandex shorts, boxer short, skin-tight, or short shorts are not to be worn to school.

Recess occurs daily. All clothing and shoes should be playground appropriate and weather appropriate.

The administration will be the final determination as to whether a student's dress or grooming is inappropriate. If found unacceptable, the problem will be handled privately, and when deemed necessary, the student will be asked to change or other appropriate action will be taken.

PERSONAL ITEMS/LABELING

Please label all sweaters, jackets, coats, backpacks, lunch bags, etc. with the child's name. There are lost and found racks located in both lobbies of the Elementary Center. If items are not claimed, they will be donated.

ATTENDANCE

A parental excuse is required for every absence explaining the reason for the absence and must be submitted within three (3) days of a student's return to school. Electronic excuses are recommended and may be accessed on the District website at <https://www.lehighton.org/excuseblankandeducationaltripform>. Paper Excuse Blanks are also available from the teacher. Absences will be recorded as unexcused until written justification is received. Please note that any unverified absences after 3 days without an excuse blank will be marked unlawful. The responsibility for making up work missed during absence rests with the student.

Please be aware that after ten (10) days of cumulative absence, proof for attendance at a medical or judicial agency appointment will be required as per the PA School Code.

Valid reasons for school absences as well as other additional information are listed in the District Attendance Policies 204 and 204.1.

An unexcused absence for a student is considered an illegal absence. Examples of unexcused absences include (but are not limited to) the following: missing the school bus, visiting, oversleeping, or shopping.

Unlawful absence constitutes a violation of the school code.

- Once a student is unlawfully absent for three (3) days, you will receive a warning letter from the building principal.
- After six (6) days of unlawful absences, a School Attendance Improvement Conference may be held, Children & Youth may be notified and citations may be issued with the District Magistrate.
- After ten (10) days of excused absences you will receive a letter requiring a physician's documentation of any further illnesses.

EDUCATIONAL TRIP

Educational trip absences may be excused if approved by the Building Principal **prior to the trip**. Parents/Guardians must complete a **Request for Educational Trip** Form for approval by the Principal one (1) week prior to trip. Approved educational trips are still considered absences and count toward 10 days of cumulative absence. Educational trip request forms are available in the school office or online at the District website at <https://www.lehighton.org/excuseblankandeducationaltripform>.

PARENTAL CUSTODY ISSUES

In cases involving child custody, it is the obligation of the custodial parent to keep all necessary court orders current. The Lehighton Area Elementary Center administration, teachers and staff must abide by the order that is currently on file.

HOMEBOUND INSTRUCTION

Homebound instruction is a temporary excuse from compulsory attendance for a student due to "urgent" reasons, such as mental or physical illness. This is available for any student who is unable to attend school because of a lengthy illness or injury. Please contact the Building Principal for more information.

TRANSFERS OR WITHDRAWALS

If a student is moving, a parent/guardian must come to the office to sign the required withdrawal form and pay any outstanding obligations (lost library books, damaged textbooks, lunch balances, etc). The student’s scholastic record will be sent to the school where the pupil is going. All books and supplies must be returned to the classroom teacher before the student withdrawal is completed.

GRADE REPORTS

Grade Reports are issued every nine weeks. The grading system is explained on the report card. In addition to percentage grades, the report card also indicates the child’s behavior and work habits. Attendance is also indicated on the report card.

PROMOTION / RETENTION

At the end of the school year, most children will advance to the next grade. However, since learning and maturation occur at different rates for different children, some may need additional time, and may be retained. In an effort to avoid retention of students that are significantly behind grade level, students will be recommended to receive additional instruction at the expense of other subjects. Parents will be notified during the year and will be involved in this decision making process.

Parental requests will not be accepted for child placement in a specific teacher classroom.

TEACHER AVAILABILITY / CONFERENCES

Parent / Teacher conferences are scheduled in November and will give you an opportunity to discuss your child’s progress directly with their teacher. At the conference, parents of K-5 pupils will be given a progress report and an update in all academic and social areas. We encourage you to contact your child’s teacher with any questions or concerns throughout the school year.

BUSING & SCHOOL TRANSPORTATION

George’s Transportation (Bus Company) - (610) 377-5511 - <https://lgschoolbuses.com/>

All school rules apply. Student behavior on the bus should be consistent with student behavior in a classroom. **Students may not ride to/from school on a bus which they are not assigned.**

SCHOOL BUS REGULATIONS FOR STUDENTS

Proper student conduct on buses is vital to ensure that the safety of all students and the bus driver is not jeopardized. **School bus transportation is a privilege not to be abused.**

1. Students shall wait in an orderly fashion at the approved bus stop. It is strongly suggested that students be accompanied by a parent or responsible adult at the bus stop.
2. Students must wait on the sidewalk or completely off the highway until the bus comes to a full stop before attempting to get on the bus. Form a single line to board the bus.
3. Students must go to their seats and stay there until the bus comes to a complete stop at the school or the stop where the students get off. No standing or walking at any time while the bus is in motion.
4. Students shall never put hands, arms, legs, or any part of their bodies out of the window.
5. No regulating windows without driver permission
6. No use of profane, foul, or indecent language on the bus.
7. No fighting, scuffling, or creating a disturbance.
8. Smoking, drinking, or eating is prohibited on the bus.
9. Students shall not spit or throw trash in or around the bus.
10. Students shall not tamper with the bus or any of its emergency equipment.
11. No use of the emergency door is permitted without driver approval.
12. No throwing any objects on the bus or out of the windows.
13. No use of electronic devices while entering/exiting the bus; no sharing electronic devices

18. Students shall respect the authority of the bus driver by obeying him/her at all times. **Drivers have the authority to assign seats.**
19. **A signed note from a parent/guardian must be brought from home and signed by an administrator or office secretary if there is to be a change in how a student gets home from school. Bus company only approves a change in how students get home only under emergency situations.**

NOTE: When bus students arrive at school in the morning, they must report directly to their assigned areas. They are NOT permitted to leave the school property

*No boarding or departing from any stop other than your designated stop without written permission from school.

*No behaviors allowed which would endanger the health, safety, or welfare of other students, or the driver from their responsibility to operate the bus in a safe manner.

VIOLATION OF REGULATIONS

Violations of these rules shall be reported by the bus driver on forms provided to the principal of the school that the student attends. The principal will discuss the violation with the student and notify the parents or guardian concerning the violation. The child and/or parent will be financially responsible for any damages to the interior or exterior of the bus. If this procedure does not stop the infraction, the principal has the authority to notify parents in writing that the student will not be permitted to ride the bus for a stated period of time. During this period, the parent or guardian will be responsible for providing transportation to and from school.

BUS CHANGES

Students are expected to ride the bus that is assigned to them at the start of the year. Students must get on and off the bus at their assigned stop. The bus drivers are not permitted to make changes in bus stops or to reassign students to other buses. By adhering to this policy we can assure safety and accountability for all students. Switching buses is not permitted. A signed and dated note from a parent/guardian must be brought to school when there is a change in how a student gets home from school.

In the event a parent of a kindergarten student is not at the bus stop upon arrival, the child will be taken to the bus company or the school for immediate parent pick up. The school/bus company will try to notify parents.

SCHOOL NURSE

The school nurses are on duty during the regular school day. Please keep the following rules and general information in mind when considering your child’s health and the school:

1. When your child is diagnosed as having a communicable disease (such as chicken pox, pink eye or head lice), they must remain at home for the required length of time specified by the PA Department of Health. When a child must be excluded from school for a communicable disease, the parent must accompany the child to school for re-entry (re-admission) and

must present a note from the doctor that the child is no longer contagious.

2. Whenever possible, parents should administer medication to children at home. However, when medication is required during the school day, the following is required:

All medication must be clearly labeled. The label must have the child's name, name of medication, time medication must be given, dosage, and the doctor's name. All medication administered at school must be prescribed by a doctor. Your child may not transport medication to or from school in their backpack. A parent, guardian, or responsible adult must bring the prescribed medication to school and deliver it to either the school nurse or the building secretary. Appropriate paperwork must be completed for each prescribed medication.

3. If a child is too ill to remain in school, the parent/guardian is responsible for their transportation home.
4. If a pupil has an injury or illness occurring during the school hours that requires immediate attention, the parent/guardian will be contacted. Emergency care will be limited to first aid treatment only.
5. Anaphylaxis is an acute allergic reaction to food, medication, insect bites, etc. Knowing that acute anaphylaxis is one of the most serious and life threatening non-traumatic conditions that a school nurse may have to deal with; and knowing without prompt intervention, it can be fatal; the Lehigh Area School District will act using the following standing order/protocol from the school physician.

When symptoms of acute anaphylaxis occur, call the ambulance immediately and administer 0.15 to 0.3 mg of adrenaline/epinephrine via auto injection (EpiPen) to the victim. If a parent/guardian does not want this medication administered in a severe medical emergency, a signed statement to this effect should be hand delivered or sent certified mail to the student's school building to the attention of the school nurse.

6. It is the responsibility of parents to fill out insurance forms – not school personnel. The Lehigh Area School District does not carry a health insurance policy for students. Information on how to obtain insurance coverage is on the District website. We strongly urge that if you do not have health insurance for your children, that you look very carefully at this information.
7. Children must be able to use the restroom independently & should be properly toilet trained.
8. If a child must be excused from gym class or regular activities, a note is needed from the doctor. Also, a doctor's note is required to resume regular activities and gym.
9. Students who require the use of crutches and/or orthopedic devices (such as splints, braces, boots, etc.) need a physician's note giving permission for use. The student is to report to the school nurse upon return to school, at which time accommodations/restrictions and safety within the school building can be discussed.

ELECTRONIC DEVICES

Students may not bring their own device to school, including but not limited to cell phones, laptops, iPads, iPods, smart watches, Air Pods/Beats, etc.

LOCKERS

Each student is responsible for the cleanliness of their locker. The school cannot be responsible for valuables taken from hall lockers. Student lockers are school District property and are not private. Therefore, students shall have no expectations of privacy in lockers. In addition, lockers are subject to searches.

WEAPONS

No student shall possess, handle, or transmit any knife, razor, icepick, any explosive device of any kind, including firecrackers, tear gas canisters, smoke bombs, or chains, loaded cane, sword cane, loaded or unloaded firearm, including pellet guns, BB guns, any type of knife, implements capable of directly or indirectly inflicting bodily injury, or other object

that can reasonably be considered to be a weapon/facsimile/look alike or dangerous instrument in any school building, on any school premises, or on any school bus.

If a student discovers that a fishing knife or similar potential weapon has accidentally been brought to school, that student should IMMEDIATELY notify a staff member or principal of the situation. More information can be found in School Board Policy 218.1 - Weapons.

FIRE DRILLS, LOCKDOWNS, AND OTHER EMERGENCY SITUATIONS

We at the Lehigh Area Elementary Center are aware of the seriousness of school safety issues and stress the need for efficient, faculty-supervised drills. Students are given the opportunity to practice a variety of emergency drills over the course of the school year.

SCHOOL WIDE POSITIVE BEHAVIOR INTERVENTIONS AND SUPPORTS (PBIS)

At the Lehigh Area Elementary Center, we believe in Tribe Pride. As a part of our school-wide positive behavior interventions and support initiative we have created a set of behavioral expectations for our students in various areas of the building. As a school we expect students to be responsible, respectful, safe and kind. If a student exhibits these positive behaviors, they may be recognized in a variety of ways. Through school wide PBIS, we have other supports in place to help those students who are struggling with exhibiting positive behaviors. Our goal is to create a positive school culture in which each student feels a part of something special.

CAFETERIA

Students have the option of obtaining lunch from our cafeteria or bringing their own lunch and buying milk, water or juice. The Breakfast Program will also be offered at the Elementary Center. For the 2025-2026 school year, [Lehigh Area School District breakfast and lunch meals are free through the Community Eligibility Program \(CEP\)](#). A la carte items will be available for sale.

Each month a menu is published online with Nutrislice and can be found at www.lehighton.org/menu for families to plan for their children's breakfast/lunch each day. The Nutrislice online menu portal also breaks down the nutritional information of each menu item. For more information on our District Cafeteria please visit www.lehighton.org/foodservice.

NUTRITION GROUP'S K-12 MEAL SERVICES

The Nutrition Group is a food service management company hired by the Lehigh Area School District to manage the school meal programs. We are very excited to join the District in their mission to serve healthy, well-balanced meals to students. The Nutrition Group transforms school breakfast and lunch into nutritious, lively and fun programs that students and faculty eagerly participate in. Our school meals are healthy, diverse and appealing with the main focus always being on the student. The primary goal is to create a setting that helps them make the right choices and perform at their best. Eating healthy and making the right decisions about what to eat plays a big part in this effort. It is our intent to support them however possible in their growth.

The Nutrition Group views our role to provide nutrition education to students as a very important one. Our nutrition education programs are designed to entice students to be aware of and take ownership of the food choices they make, in and out of school. But most of all, they are fun. The Nutrition Group's own Molly the Cow is just one excellent example of a fun learning experience for elementary students. She is a big, lovable character that is colorful and eye-catching. Molly's age-specific message is that the nutrients found in dairy products like low fat milk and yogurt help their bones grow strong.

We are actively involved in Youth Advisory Councils (YAC), Parent Advisory Councils (PAC), Parent Teacher Associations (PTA), Parent Teacher Organizations (PTO) and various community organizations in providing nutritional education. We welcome and value any input from both the parents and students.

To learn more about the Nutrition Group and the services they provide, please visit their website at www.thenutritiongroup.com.

NUTRITION GROUP'S ONLINE PORTALS

The Lehigh Area School District and The Nutrition Group have opted into two online portals to help parents and students

manage their lunch accounts and meals.

Nutrislice:

Our District specific website, <https://lehighton.nutrislice.com/m> is an online menu tool that is accessible to all parents and students. Nutrislice also has an app that can be downloaded to any smartphone or tablet for [Android](#) or [iOS](#). Both the website and app allow you to view the monthly breakfast and lunch menus, compare nutritional information for each menu item, and view announcements for upcoming events in the cafeteria. Menus can be printed from the website, with or without nutritional information, and also in a variety of sizes.

School Café:

[School Café](#) is a website and/or app, found at www.schoolcafe.com, where parents and students can manage and view breakfast and lunch account purchases and/or balances. An account must be created using the student's ID number. Once an account is created, you are able to view student balances, cafeteria purchases, and make online payments. There is also an option to set up low-balance notifications and recurring payments. **Please note: If you choose to make a payment online, the site will charge a processing fee to any payment amount.**

If you choose to pay by cash or check, please send all payments in a sealed envelope marked with the student's name, lunch number, and teacher, to the classroom teacher. **No money will be accepted in the cafeteria at lunch time.** All students are entitled to breakfast and lunch. If you do NOT want your child to purchase a breakfast, lunch or ala carte items, please send a letter to the **CAFETERIA**.

Both the Nutrition Group and Lehighton Area School District are dedicated to providing high quality, nutritious meals to our students. If you have questions or concerns, please feel free to contact Nicole Hayes, Food Service Director, at (610) 377-4490 ext 4012 or via email at nhayes@lehighton.org

FIELD TRIPS

During the school year there will be times when the classroom teachers feel that a field trip will be of some value to reinforce the regular classroom activities. (Most of these trips are paid through the generosity of your PTO).

Chaperones will comply with all school policies and procedures and **MUST have all clearances on file, at the Administration Building.** For more information of the School Volunteer Policy and how to obtain clearances, please refer to the District website, COMMUNITY tab, Volunteer Clearances or go to www.lehighton.org/volunteer.

PTO

The Lehighton Area Elementary Center's PTO exists to enhance the educational programs for our children. They sponsor many educational opportunities for our youngsters, family programs and gifts to our schools. Parents are encouraged to join, participate in the activities, and financially support the PTO. For more information, please visit www.lehighton.org/pto.

TITLE I SCHOOL WIDE PROGRAM

The goal of Title I which is a federally assisted program, is to ensure that all students, particularly those who are low-achieving, demonstrate proficient and advanced levels of achievement in both math and reading. All students in the Elementary Center can receive both math and reading support throughout the year to meet these goals.

The reading program services students in grade K-5 and is provided by a certified reading specialist. Parents/guardians are encouraged to be involved in all aspects of the program. Details of this program can be located on the District's website at www.lehighton.org - Departments - Curriculum & Instruction.

INTERNET / ELECTRONIC COMMUNICATIONS

The internet is an evolving electronic highway connecting computers all over the world. This technology will enable staff and students of the Lehigh Area School District to have access to electronic mail communication with people world-wide and to a vast array of information such as university library catalogs, the Library of Congress, public and private sector research, public domain software and shareware, political issues, current event news, etc.

With such extensive access to computers and individuals comes the availability of material that may not be conserved of value in the context of Lehigh Area School District's curriculum and programs. However, on a global network, it is not possible to control all material, and an industrious user may discover controversial information. The District firmly believes that the valuable information and interaction available on this worldwide network far outweigh the possibility that users may procure material that is inconsistent with the goals of the Lehigh Area School District. All use of Internet material must be in support of educational goals, research and the sharing of information and resources consistent with the purposes of Lehigh Area School District.

The use of the internet is a privilege, not a right. The Superintendent or designee will make determinations on whether specific uses of the network are consistent with the Lehigh Area School District's curriculum and program goals. The electronic communication systems are owned by the Lehigh Area School District for school purposes only. Users have no expectation of privacy in connection with the electronic communications systems. The Lehigh Area School District reserves the right to log internet use, monitor file server space utilization by users, to use software to monitor internet use, as well as the right to access, copy, monitor and listen to all Internet and voice mail messages.

The Lehigh Area School District reserves the right to temporarily or permanently remove a user account on the network to prevent further unauthorized activity. For more information, please see Policy 815 - Acceptable Use of Technology, Electronic Resources, Network and Internet policy and Policy 815.1 - Use of District Owned Technology .

POWERSCHOOL SCHOOL MESSENGER

For the upcoming 2025-2026 school year, we are looking to enhance our communication between home and school by offering the ability to get information through messaging. To guarantee the messaging system is used efficiently, you will need to confirm your contact information is accurate and up-to-date at all times.

Confirmation of this information is made available through the Parent Portal through a tab called "Powerschool School Messenger". Here you will be able to see all the contact information our school has listed to you.

Within this section of the Parent Portal, you will also be able to choose your communication preferences based on message category, such as General Information and Attendance, along with message type (email and voice message). You may opt-out of any message category except for Emergency Messages.

Setting up your parent preferences is your responsibility. To receive messages, you must go to Preferences by message type and click and hold to drag the contact information above the appropriate boxes. By default, phone calls and email are chosen. You will receive a message to every contact field shown and every message category that has all three message types chosen. Any tolls and charges associated with receipt of messages from the school are your responsibility and not the responsibility of the school. Please be sure to set your unique preferences if there are any numbers or addresses you do not like to be contacted at.

Emergency messages are always sent with two message types (email and voice calls) and to every contact field shown even if you have opted out. We cannot change this. Emergency messages will be labeled as such so you will know it is an actual emergency.

If you do not have access to log into the Parent Portal, you may contact the school directly to request changes. You may access the Parent Portal via the District website – Parents heading – Parent Portal or by using www.lehigh.org/parentportal. The successful delivery of information is dependent on accurate contact information for each student, so please make certain that we have your most current phone numbers. If this information changes during the year, please let us know immediately.

BULLYING

The Lehigh Area School District is committed to providing all students and employees with the right to a safe and civil educational environment, free from harassment or bullying. The Lehigh Area School District recognizes that bullying interferes with the learning process, and may present an obstacle to the academic, vocational, and social/emotional development of students.

Bullying shall be defined as unwelcome verbal, written, electronic (cyber) and/or physical conduct directed toward another person. Researchers have identified four (4) forms of bullying including, but not limited to:

- **Physical** – the most commonly known form: including hitting, kicking, spitting, pushing and taking personal belongings.

- **Verbal** – includes taunting, malicious teasing, name-calling, racist remarks, homophobic remarks and making threats.
- **Psychological or Relational** – involves spreading rumors, manipulating social relationships, and engaging in social exclusion or intimidation.
- **Cyberbullying** – forms of verbal and psychological bullying may also occur on the internet through email, text-messaging, or personal profile websites such as Facebook, Snapchat, Instagram, etc. Cyberbullying includes, but not limited to, the following misuses of technology: harassing, teasing, intimidating, threatening, or terrorizing another student, teacher or employee of the District by sending or posting inappropriate or derogatory e-mail messages, instant messages, cell phone text messages, digital pictures or images, or website postings, including blogs. All forms of cyberbullying are unacceptable and, to the extent that such actions are disruptive of the education process of the District, offenders shall be the subject or appropriate discipline.

Please see School Board Policy 249 for more information on Bullying/Cyberbullying.

STUDENT ASSISTANCE PROGRAM (SAP) INFORMATION

SAP is a systemic process using techniques to mobilize school resources to remove barriers to learning. The core of the program is a professionally trained team, including school staff and liaisons from community alcohol and drug and mental health agencies. SAP team members are trained to identify problems, determine whether or not the presenting problem lies within the responsibility of the school and to make recommendations to assist the student and parent. When the problem lies beyond the scope of the school, the SAP team will assist the parent and student so they may access services within the community. The student assistance team members do not diagnose, treat or refer to treatment, but they may refer for a screening or an assessment for treatment.

To make a referral, please call your student’s Guidance Counselor..

There are four phases to the student assistance process:

1. Referral – Anyone can refer a student to SAP when they are concerned about someone’s behavior – any school staff, a student’s friend, a family member or community member. The students themselves can even go directly to the SAP team to ask for help. The SAP team contacts the parent for permission to proceed within the SAP process.
2. Team Planning – The SAP team gathers objective information about the student’s performance in school from all school personnel who have contact with the student. Information is also collected from the parent. The team meets with the parent to discuss the data collected and also meets with the student. Together a plan is developed that includes strategies for removing the learning barriers and promoting the student’s academic and personal success to include in-school and/or community-based services and activities.
3. Intervention and Recommendations – The plan is put into action. The team assists in linking the student to in-school and/or community-based services and activities. The team might recommend a drug and alcohol or mental health assessment.
4. Support and Follow-Up – the SAP team continues to work with and support the student and their family. Follow-up includes monitoring, mentoring and motivating for academic success. Refer to the Lehigh Area School Districts Website for more detailed information about SAP and the Districts drug and alcohol procedures.

MCKINNEY-VENTO HOMELESS ASSISTANCE ACT:

The Education for Homeless Children and Youth (EHCY) program is authorized under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C 11431 et seq.) (McKinney-Vento Act). The McKinney-Vento Act was originally authorized in 1987 and most recently reauthorized in December 2015 by the Every Student Succeeds Act (ESSA). The McKinney-Vento Act is designed to address the challenges that homeless children and youths have faced in enrolling, attending, and succeeding in school.

Under the McKinney-Vento Act, education agencies must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youths. Homeless children and youths must have access to the educational and related services that they need to enable them to meet the same challenging State academic standards to which all students are held. In addition, homeless students may not be separated from the mainstream school environment. Local Educational agencies are required to review and undertake steps to revise laws, regulations, practices, or policies that may act as barriers to the identification, enrollment, attendance, or success in school of homeless children and youths. The law indicates that the LEA liaison shall ensure that all homeless children, youth and families are identified through coordinated activities with other entities.

DEFINITION OF HOMELESS (MCKINNEY-VENTO ACT SEC. 725(2); 42 U.S.C. 11435(2): CHILDREN WHO LACK A FIXED, REGULAR AND ADEQUATE NIGHTTIME RESIDENCE:

- “Doubled up” – Sharing the house of others due to the loss of housing, economic hardship or similar reasons.
- Living in motels, hotels, trailer parks, camping grounds, due to lack of adequate alternative accommodations.
- Living in emergency or transitional shelters.
- Living in a public or private place not designed for humans to live. Migratory children living in the above circumstance.
- Living in cars, parks, abandoned buildings, substandard housing, but or train stations or similar settings
- Unaccompanied Youth – Children or youth who meet the definition of homeless and not in physical custody of a parent or guardian.

Residency and Educational Rights:

Students who are in temporary, inadequate and homeless living situations have the following rights:

- Immediate enrollment in the school they last attended or the school in whose attendance area they are currently staying even if they do not have all of the documents normally required at the time of enrollment
- Access to free meals and textbooks, Title I and other educational programs and other comparable services including transportation
- Attendance in the same classes and activities that student in other living situations also participate in without fear of being separated or treated differently due to their housing situations

When a student is identified as being McKinney-Vento eligible, staff will:

- Assist with enrollment, monitor school attendance and arrange transportation (preK-8 students)
- Provide school supplies and other school related materials as needed
- Advocate for and support students and families through school and home visits
- Set clear expectations for student behavior, attendance and academic performance
- Assist students/families access with community services
- Assist students so they can participate in sports, field trips and other school activities regardless of their ability to pay or to provide their own transportation.

For additional information, contact LEA Homeless Liaison at 610-377-4490 ext. 7525 or view the District McKinney Vento Resource Guide at www.lehighton.org/parents/parent-student-handbooks. Board Policy 251 – Students Experiencing Homelessness, Foster Care and Other Educational Instability, may also be reviewed for additional District information.

**Notification Letter for Parents, Guardians and Employees of
Lehighton Area School District**

Dear Parent(s), Guardian(s) and Employees,

The Lehighton Area School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents and weeds. Our goal is to protect every student from pesticide exposure by using an IPM approach to pest management. Our IPM approach focuses on making the school buildings and grounds an unfavorable habitat for these pests by removing food and water sources and eliminating their hiding and breeding places. We accomplish this through routine cleaning and maintenance. We routinely monitor the school buildings and grounds to detect any pests that are present. The pest monitoring team consists of our building maintenance, office and teaching staff and includes our students. Pest sightings are reported to our IPM coordinator who evaluates the “pest problem” and determines the appropriate pest management techniques to address the problem. The techniques can include increased sanitation, modifying storage practices, sealing entry points, physically removing the pest, etc.

From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will only be used when necessary, and will not be routinely applied. When chemicals are used, the school will try to use the least toxic product when possible. (Applications will be made only after normal school hours.) Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parents or guardians of students enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification, you must be placed on the school notification registry. If you would like to be placed on the registry, please notify the District in writing. Please include your email address if you would like to be notified electronically.

If a chemical application must be made to control an emergency pest problem (ex. stinging insects), notice will be provided by telephone or email to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and anti-microbial products; self-containerized baits placed in areas not accessible to students, and gel type baits placed in cracks, and crevices or voids.

Each year the District will prepare a new notification registry.

If you have any questions, please contact Justin Smith, IPM Coordinator at (610) 377-4490 ext. 7536. All correspondence should be directed to the address, email, or telephone number listed on this letterhead.

Sincerely,

Mr. Justin Smith
Director of Operations
