Cultivating Life-Long Learners

Selah School District

The Viking Way...

Cultivating a Culture of Learning

WHAT IS CULTURE?

Culture is comprised of the shared assumptions, beliefs, values, traditions and norms that define a group of people. Culture can be thought of as the “personality” of an organization. In the Selah School District, we have focused on strengthening our culture by having an intentional focus on *The Viking Way*.

The Viking Way are the behaviors and actions that are aligned with the Selah School District’s core purpose, mission and beliefs.

OUR CORE PURPOSE

To ensure high levels of learning for all students.

OUR MISSION

The Selah School District, in partnership with students, parents, and community, cultivates a culture of lifelong learning for all.

OUR BELIEFS...

Our beliefs can be remembered through three terms: **Character**, **Capable**, **College & Career** ready.

- Strong **Character** is at the heart of preparing our students for lifelong success.
- Every student is worthy and **Capable** of making meaningful contributions to his or her communities.
- In a culture of excellence, every student graduates on time prepared for **College** and **Career** opportunities.

If anyone behaves or acts in a way that exemplifies our beliefs, we call that *The Viking Way*. With our beliefs in place, our District will create a culture of excellence where high levels of learning are ensured for all students.

Now, That's The Viking Way!

The Viking Way

The behaviors and actions that are aligned with the Selah School District’s core purpose, mission and beliefs.

#1 WHOLE & NUTRITIOUS 🍅

These are not the school meals you had as a kid! We know students perform their best when they are fueled with nutritious food selections. That is why **we strive to use whole and fresh ingredients** in our recipes, and every student has access to fruit and vegetables.

#2 MADE FROM SCRATCH ❤️

Our trained chef and cooks create menu items that capture the taste of being homemade! We know that made from scratch meals provide the most nutritional value to kids.

#3 FARM-TO-SCHOOL MEALS 🚜

We are part of the **farm-to-school** meal movement and **partner with local, regional and state farmers** in order to obtain **fresh ingredients** for our menu items. When your child eats school food in Selah, you're helping support local farmers, ranchers and small businesses.

#4 INCLUSIVE MEALS 🐮🌿🌍

We offer meal options to meet a **variety of dietary needs**, including but not limited to gluten-free, dairy-free, and vegetarian. We are continually **expanding our menus** to include dishes from a variety of cultures, cuisines and traditions.

#5 DELICIOUS!

We can't always please everyone, but we have a lot of happy customers. Part of that is **our meals are delicious**, but, also, **students have a voice** in selecting menu items by participating in taste testings.

#6 PROVIDED AT NO COST

EVERY Selah School District student is entitled to one breakfast meal and one lunch meal daily at **NO COST**. Second servings can be purchased with student meal account funds.

If you are a parent of a student at a school that receives Title I funds, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers, and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

*Whether the Office of the Superintendent of Public Instruction (OSPI) has licensed or qualified the teacher for the grades and subjects he or she teaches.

- *Whether OSPI has decided the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances that have caused OSPI to waive the licensing or qualification criteria.
- *The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- *Whether any teachers' aides or similar paraprofessionals provide services to your child and, if they do, their qualifications.

Schools in the Selah School District that receive Title I funds are: John Campbell Primary, Selah Intermediate School, Selah Middle School, and Selah High School. Title I under the Every Child Succeeds Act (ESSA) federal law distributes funding to schools with a high percentage of students from low-income families. Each winter and into the summer, the district finance office prepares a budget for the upcoming school year.

Each summer, the School Board holds a public hearing about the planned budget. That meeting is usually held during the last board meeting of July, in time for a board-approved budget to be sent to the Office of Public Instruction in Olympia by August 31. Any person may attend this public hearing to speak on any aspect of the budget. Board meeting dates are available on-line or by calling 509-698-8006. • Asbestos Notification

The EPA requires the Selah School District to notify the school community that asbestos building materials are present in some buildings. The District has taken steps to provide for safety of students, staff, and parents related to such materials. Asbestos building materials are safe when they are maintained in a stable condition. The District's asbestos management program has been in place since 1988 and consists of surveillance, inspections, response actions, records, and training for maintenance and custodial staff. For a copy of the plan, please contact:

316 W. Naches Ave., Selah, WA 98942; 509-698-8050

• Pest Management Pre-Notification

The District annually applies herbicides to its vegetated areas between March and October. The District also applies systemic pesticides in the spring around trees. Small quantity pesticides in spray cans are utilized on a year-round basis as needed for crawling insects and bees. Those occasions are usually during times when school is not in session. Treated areas are clearly marked if pesticides/herbicides are used during school sessions.

If want to know ahead of time that chemicals will be used at your school, complete an Integrated Pest Management Pre-Notification Form or call the Maintenance & Facilities Department at 509-698-8050. Send the completed form to **Frank Reno, Director of Maintenance & Facilities, 316 W. Naches Ave., Selah, WA 98942.**

A Look at Immunization News...

All immunization records turned in to schools or child care centers are required by state law to be medically verified. Immunization records must be turned into the school on or before the first day of attendance. This means immunization records turned in to the school must be from a health care provider, or you must attach paperwork from a health care provider to your handwritten form that shows your child's records are accurate. Your child cannot attend school until you provide these records. If you have questions, please contact your school office or one of the Selah School District nurses.
