#### ATTENDANCE PROCEDURES FOR LEGAL ABSENCES:

---

Even though appropriate excuses may be provided regarding student absences, Lehigh Area School District will notify parents/guardians periodically of their child's attendance records. Special activities and extended medical absences will not be included in these procedures.

***Please NOTE: As per guidelines from the Department of Education, educational trips will count toward a student's overall attendance record even though such trips are pre-approved.***

Six days absent: A letter or email from building administration will be sent to the student and parent/guardian notifying them of the total accumulation of absences. A follow-up from the student's guidance counselor will follow.

Nine days absent: The school nurse will contact the parents/guardians to inquire about possible medical concerns prohibiting the student from attending school. Administration (or designee) will send a letter or email to the student and parent/guardian requiring the student to obtain medical documentation for future absences and a mandatory meeting may be required between administration and parents to draft an attendance intervention contract. Even though absences to date may be legally excused, this action is taken to facilitate interventions needed to improve school attendance.

---

#### ATTENDANCE PROCEDURES FOR UNLAWFUL/UNEXCUSED ABSENCES:

---

***For students seventeen years of age and younger:***

Three unlawful days: The attendance officer or designee will schedule a School Attendance Improvement Plan (SAIP) meeting with the student, parent/guardian, and available educators

for the purpose of identifying reasons for unlawful absences and creating/implementing a plan for improvement. Notice will be sent to the parent/guardian prior to the meeting being held. If the parent/guardian does not attend the meeting, it will go on as scheduled and a referral to Carbon County Children & Youth may be made. SAIP meetings can be held via phone for convenience.

Six unlawful days: The attendance officer may file citations with the magistrate's office so that a hearing may be scheduled with the student and/or parents/guardians as prescribed by law.

***For students eighteen years of age and older:***

Three unexcused days: The student's guidance counselor will contact the parents/guardians to inquire about possible reasons for the unexcused absences and to explain potential consequences. The attendance officer or designee will schedule an intervention meeting with the student and parents/guardians to identify the causes of the unexcused absences and facilitate the creation and implementation of a suitable intervention plan.

Six unexcused days: The attendance officer or designee will schedule a follow up meeting with the student and parents/guardians to revise the intervention plan. Disciplinary and/or academic consequences may be issued for continued and prior unexcused absences.

Ten consecutive unexcused days: In accordance with state law, students accumulating ten consecutive unexcused days may be dropped from the rolls of Leighton Area High School. Administration will make attempts to contact the student and/or parents/guardians via phone call, email, and standard mail prior to this action.

***For all students:***

-  Students with chronic unlawful/unexcused absenteeism may be prohibited from attending school-sponsored events including but not limited to athletics, dances, outings, and field trips—this includes homecoming and prom.
-  Disciplinary consequences up to and including in-school suspension may be issued to a student who has accumulated in excess of six unlawful and/or unexcused absences in a given year.
-  Students accumulating eighteen (18) days of absence in a school year may have credits for those classes denied and the student may be placed on academic probation. These absences may be any combination of excused, educational trip, unlawful, unexcused, and unverified absences.
-  Any student who uses their own communication device (cell phone, etc.) to arrange their own transportation home without prior approval from the school nurse or administration shall be issued unlawful/unexcused absence minutes for any missing time.

---

## TRUANCY PROCEEDINGS

---

If a student accrues six (6) or more unlawful absences, the following actions may be taken:

- ❁ The building’s attendance officer may file a private criminal complaint with the Magisterial District Court for violation of Pennsylvania compulsory attendance law. For students aged fourteen years and younger, the complaint must be filed against the legal guardian(s). For students aged fifteen years and older, the complaint may be filed in the student’s name, the legal guardians’ name(s), or both. Such filings are made at the discretion of the attendance officer based on the unique circumstances of each case.
- ❁ If found guilty of compulsory attendance violations, Pennsylvania law provides for the following maximum penalties: \$300 fine plus court costs, suspension of driver’s license, and/or community service hours. Additionally, the court may order interventions and disciplinary consequences from the school including successful completion of an individualized truancy elimination program.
- ❁ Once a citation is filed for no fewer than six unlawful absences, additional charges may be filed for singular violations.
- ❁ **PLEASE NOTE:** Late arrivals to school will accrue and be counted toward truancy. 200 minutes of late time shall be counted as a half-day of unlawful absence.

**Defendant rights regarding truancy:**

- ❁ If cited for a truancy violation, the local Magisterial District Court will schedule a summary trial. Requests for continuances and rescheduling must be made through that office.
- ❁ The defendant(s) may seek and employ legal representation. Any associated costs are the responsibility of the defendant(s) and not the Lehigh Area School District.
- ❁ Once a student and/or legal guardian has been cited for truancy, additional charges may not be filed until a subsequent summary trial is held; however, the original filing may be amended to reflect the most up-to-date attendance record.

# LEHIGHTON AREA VIRTUAL ACADEMY SPECIFIC PARAMETERS

---

## EXCUSED ABSENCES

---

Lehigh Area School District recognizes that circumstances can occur that will keep a student from completing daily lessons and signing into the system. These types of absences are considered excused absences and should fall into one of the categories below. Students are expected to work with their LAVA Advisor and online teachers to make up any missed work. **ALL EXCUSES ARE DUE WITHIN THREE (3) SCHOOL DAYS** of the absence.

To get the absence excuse ready for printing, download the PDF—[Excuse Blanks Hard Copies](#). Then, send the excuse to the administration building for documentation using the hard copies. Alternatively, you can submit the absence excuse online by clicking on and filling out the [LASD Absence Excuse Online Form Submission](#).

**Excuses provided outside of the 3-day window will not be approved.**

-  Absence due to illness, health condition, family emergency. The parent/legal guardian is expected to notify the LAVA Advisor, via email, prior to the absence unless the situation does not provide such opportunity. A doctor's note will have to be provided if the student misses three (3) days due to illness. This should be forwarded to the LAVA Advisor.
-  Participation in school approved activity. In order to be granted an excused absence the activity must be authorized by the LAVA Advisor and parent/legal guardian. The online teachers must be notified prior to the event.
-  Disciplinary actions. Absences due to temporary suspensions are deemed excused for attendance record keeping.

## UNEXCUSED ABSENCES

---

Any absence that does not fall into an excused absence category or is not adequately documented will be considered an unexcused absence. The parent/legal guardian will be notified of any unexcused absence.

-  As a courtesy to our students, weekend time can be utilized to make up the required coursework for each given academic grade level. Coursework must be completed by Sunday, 5:00 p.m.
-  Utilization of weekend time does not exempt students from the mandatory minimums required during the Monday through Friday school week.
-  If students do not meet the academic requirements they must attend the traditional school setting to accomplish the unfinished coursework on Monday of the following week. The LAVA Advisor, via email or phone call, will block courses beginning Monday at 8:00 a.m. Failure to comply will result in an immediate unlawful and all courses will be dropped from the student's schedule and a meeting will occur to determine appropriate placement.

-  In the event of unexcused absences, administration will schedule a conference between the parent/legal guardian, LAVA Advisor and student. At that time, an action plan will be determined to ensure student success.
-  If a student hits 9 absences, whether passing or not, the student may be placed on academic probation and likely removed from the LAVA program and returned to their grade appropriate Lehigh Area School District building.
-  At 9 absences a conference will be required.

---

### ATTENDANCE WARNING LEVELS

---

After a student accumulates **three (3)** unexcused absences, written and/or electronic notification shall be sent to the parent/legal guardians indicating that the student has not met the attendance requirements of LAVA. Parent/legal guardians may be required to attend a truancy elimination meeting.

After a student accumulates **six (6)** unexcused absences, following the truancy elimination meeting, citations will be issued to the district magistrate for truancy violations. An additional conference with the family will be requested.

After a student has accumulated **nine (9)** absences (excused/unexcused/unverified/unlawful) during the academic year, all absences after that will require a doctor's note to be turned into the LAVA Advisor within three days of the absence.

If a student hits **ten (10)** absences, the student may be removed from the LAVA program.

---

### LAVA ORIENTATION REQUIREMENTS

---

If the student is failing two or more courses during orientation the district will recommend that the student remain in the traditional school setting.

---

### PASSING THRESHOLD REQUIREMENT

---

Once released from orientation students should maintain a 61% (passing requirements for credit) or higher in all classes. Students with two or more classes below 61% will be required to come in to the library to work on their assignments. Students will be released to independently work at home once the passing grade requirement has been met. A meeting will also be held with administration, as needed.

---

### RETURN TO TRADITIONAL SCHOOL SETTING

---

If at the end of the marking period students are failing two or more LAVA classes they may be required to return to the traditional school setting—due to inability to handle an independent online platform.

# SCHOOL CALENDAR

Students enrolled in LAVA are expected to follow the Lehigh Area School District calendar. Students wishing to deviate from the district calendar must contact their LAVA Advisor to make arrangements.

## LEHIGHTON AREA VIRTUAL ACADEMY PARENT/LEGAL GUARDIAN(S) CONTRACT

---

Parent(s)/Guardian(s) of LAVA students have a unique opportunity and responsibility to actively engage in their child's education. Below are the expectations for Parent(s)/Guardian(s):

- 🌀 Parent(s)/Guardian(s) may need to provide two forms of residency verification to remain active in the Lehigh Area School District. Proof of residency will be checked annually for all students. All documentation must display the current month's date and either the property owner's name or the parent/guardian's name.
- 🌀 Acceptable documentation: (One Required): property tax bill for the permanent residence, complete rental lease (listing all occupants), or real estate closing documents (if applicable)
- 🌀 Additional documents: (One Required): vehicle tax registration, voter registration card, utility bills (electric, water, telephone, cable/satellite).
- 🌀 A driver's license from both the property owner and the parent/guardian will be required for identification purposes only. IDs cannot serve as documentation for address verification.
- 🌀 Students must attend a 10-day LAVA orientation period. Full-time orientation for the first five consecutive school days (8:00 a.m. – 2:00 p.m.) and half-time for the next five days (8:00 a.m. – 11:00 a.m.). Returning LAVA students are only required to attend the first five days half-time (8:00 a.m. – 11:00 a.m.). **Failure to attend consecutively will void the LAVA contract, resulting in withdrawal from the program.**
- 🌀 If a student fails two or more courses during orientation, the district will recommend remaining in the traditional school setting.
- 🌀 After orientation, students must maintain a minimum grade of 61% in all classes to receive credit. Students with two or more classes below 61% will need to complete assignments in the library until the passing grade is achieved. A meeting with administration may be required as needed.
- 🌀 If at the end of the marking period students are failing two or more LAVA classes they may be required to return to the traditional school setting—due to inability to handle an independent online platform.
- 🌀 Parent(s)/Guardian(s) should supervise their child's education at home and provide a conducive learning environment.
- 🌀 Attend meetings with the designated LAVA Guidance Counselor to review and sign the contract and pacing agreement.
- 🌀 Activate the Guardian Account to monitor the student's progress; email verification must be sent to the LAVA Advisor prior to successful discharge from orientation.
- 🌀 Attend any information sessions offered by the district.
- 🌀 Log in at least once a week to monitor progress and communicate with the LAVA Advisor regarding any concerns.
- 🌀 Assist the child in adhering to all school rules, policies, and the Acceptable Use Policy.
- 🌀 If a student drops a course after the grace period, parent(s)/guardian(s) will be responsible for payment.
- 🌀 Technological issues are not valid excuses for absence; students must complete coursework in the library until resolved.
- 🌀 Materials for 6-12 grade electives may require additional purchasing, which will be the responsibility of the parent/legal guardian.

- 🌀 Maintain regular contact with the school via telephone and email.
- 🌀 School personnel may conduct home visits as necessary, which may or may not be announced.
- 🌀 Work collaboratively with the child and LAVA Advisor to ensure curriculum completion within the allowable timeframe.
- 🌀 Ensure that all submitted work is completed solely by the student.
- 🌀 Students must attend all Benchmark, PSSA, and Keystone testing within their designated building.
- 🌀 Students must fulfill [Act 158 Graduation Pathways](#) (located in Appendix).
- 🌀 Complete all assigned activities in [Smart Futures](#) (located in Appendix) after 5th, 8th, and 11th grades.
- 🌀 Notify the school immediately of any changes in the child’s contact information or academic status.
- 🌀 Parent(s)/Guardian(s) are responsible for ensuring transportation to school as needed. If eligible for bussing, contact George’s Transportation at 610-377-5511.
- 🌀 Return all instructional materials and equipment to the school as requested by the child’s LAVA Advisor. To avoid financial responsibility, ensure all equipment is returned within five school days of the ending date to Mrs. Amanda Citro at the central administration building.

We have read and understand the above policy and agree to abide by the rules of this Contract.

## LEHIGHTON AREA VIRTUAL ACADEMY STUDENT CONTRACT

---

The Lehigh Area Virtual Academy (LAVA) is an initiative by our district to provide online courses, thereby expanding student options and curriculum offerings. Due to the unique nature of LAVA, specific standards are expected from students enrolling in these courses. This document serves to inform students of the expectations associated with enrollment in LAVA courses.

As a student enrolled in LAVA courses, I acknowledge the following:

-  Upon expressing interest in LAVA, a guidance counselor will contact the LAVA Advisor to schedule an orientation meeting.
-  Parent/legal guardians and students must meet with the designated LAVA Guidance Counselor to review and sign the contract and pacing agreement. Students must return all completed forms as outlined in the LAVA Manual before commencing orientation.
-  Attendance during the orientation session is mandatory for 10 consecutive school days: The first five days (full-time) from 8:00 a.m. to 2:00 p.m. The next five days (half-time) from 8:00 a.m. to 11:00 a.m. Returning LAVA students need only attend the first five days of orientation (half-time). **Failure to attend consecutively will void the LAVA contract, resulting in withdrawal from the program.**
-  If a student is failing two or more courses during orientation, it is recommended they remain in the traditional school setting.
-  After orientation, students must maintain a minimum grade of 61% in all classes. Students with two or more classes below 61% will be required to work on assignments in the library until the passing grade requirement is met.
-  At the end of the marking period, students failing two or more LAVA classes may be required to return to the traditional school setting due to challenges in managing an independent online platform.
-  Regular communication with the school is essential via telephone and email.
-  School personnel may conduct home visits as necessary, which may or may not be announced.
-  Students must adhere to the [Lehigh Area School District calendar](#) and all policies outlined in the student handbook.
-  Signing up for a Remind account during orientation is required for communication with the LAVA Advisor; guardians are encouraged to participate.
-  Technological issues are not valid excuses for absences. Students experiencing technical problems must report to the high school library to complete coursework until issues are resolved.
-  Students are required to log in and complete diagnostic tests and daily lessons as outlined in the pacing agreement. Failure to complete required coursework will result in attendance in the library until further notice.
-  Students must contact their LAVA Advisor and online teacher with any questions or problems.
-  Participation in online tutoring is encouraged as needed or recommended by the LAVA Advisor.
-  Attendance at all Benchmark, PSSA, and Keystone testing at the designated building is required.
-  To graduate, students must fulfill [Act 158 Graduation Pathways](#) (located in Appendix) and complete assigned activities in [Smart Futures](#) (located in Appendix) upon conclusion of 5th, 8th, and 11th grade.
-  Students must notify their LAVA Advisor and online teachers of any planned excused absences.

## **ACADEMIC SUPPORT AND PLACEMENT**

---

All online course content and assignments are aligned with Pennsylvania’s content standards or other nationally accepted standards. These materials are developed by highly qualified educators and undergo a rigorous multi-step review process.

Each lesson within the online courses incorporates various methods to accommodate different learning styles. Additionally, students in grades K-5 have access to either an online or hard copy textbook to effectively meet lesson objectives..

Every lesson includes an assessment designed to evaluate students’ comprehension of the lesson objectives. It is important to note that Advanced Placement courses may not include all these features, as they are sourced from third-party vendors.

Students enrolling as full-time LAVA students will collaborate with their LAVA Guidance Counselor or school representative, along with a parent/guardian, to ensure appropriate course placement. The school considers previous grades, courses completed, earned credits, academic performance, assessment results, and graduation requirements when determining placement.

Each student will be assigned an online teacher who will track their progress and, if necessary, implement interventions to support mastery of lesson objectives. Additionally, students can seek help from an online tutor, a highly qualified educator who is available for extra assistance. Online teachers will communicate available tutoring hours and contact methods.

A LAVA Advisor will be appointed by the Lehigh Area School District to monitor student progress and coordinate necessary assistance.

Students are required to participate in all state and school-mandated assessments. For dates and times of these assessments, students should reach out to their specified grade level guidance counselor for more information.

Students and their parents/guardians will have continuous access to student grades online. Lehigh Area School District will issue report cards and diplomas.

## **CAREER READY PROGRAM—INDUSTRY CERTIFICATIONS**

---

LAVA offers two platforms for high school students to complete sequenced learning tracks aligned to national and examination standards. These tracks put students on a path to obtain industry certifications and to secure employment in high-paying, high-demand jobs in industries with the greatest job growth and opportunities.

Programs are available that will prepare students with courses to obtain relevant industry certifications. Students explore careers through introductory courses, selection of a program of study, and sequencing of courses which can consist of four to eight concentrator courses to prepare and then can take industry-endorsed certification exams.

"Students enrolled in CTE courses are significantly more likely to develop problem solving, project completion, research, communication, time management and critical thinking skills during high school." - Lekes et al., National Research Center for CTE

Industry Certifications Available—Agriculture, Food & Natural Resources, Arts & A/V Technology & Communication, Business Management & Administration, Education & Training, Finance, Government & Public Administration, Health Science, Hospitality & Tourism, Human Services, Information Support & Services, Law & Public Safety, Corrections & Security, Manufacturing, Marketing, and Science, Technology, and Engineering & Mathematics.

---

## **WITHDRAW, EDUCATIONAL TRIP FORM AND DROPPING A COURSE**

---

---

### **WITHDRAW**

---

Students participating in LAVA may withdraw from the program provided that the parent/legal guardian indicates in writing the reason for withdrawal, the name and location of the public or private school that the student will attend and expected exit date from the program. Parent/legal guardians may initiate withdrawal from the program by contacting the LAVA Advisor. The Lehigh Area School District will contact the parent/legal guardians to ensure proper paperwork is completed and equipment is returned to the administration office to Mrs. Amanda Citro.

---

### **EDUCATIONAL TRIP FORM**

---

Students enrolled in the Lehigh Area Virtual Academy that expect to be away from the home of residence must complete and return the Educational Trip Form one week prior to the educational trip. It is the responsibility of the student to make each of his or her teachers aware of any absences from class in advance [Educational Trip Forms](#). This form must be submitted to the appropriate building principal. The Lehigh Area School District has the authority to accept or deny any requests for an educational trip.

---

### **DROPPING A COURSE**

---

All students have the first five days of the first marking period to drop/add year long classes (1 credit). Semester based courses (.5 credit) have the first five days of the 1<sup>st</sup> through 3<sup>rd</sup> marking period to drop add classes. The 5 days starts from the day the student is enrolled into the course. If a full-time LAVA student drops a course they must immediately enroll in another course to maintain their full-time status. If the student does not enroll in another course to maintain the full-time status they will be dropped from LAVA and enrolled in the appropriate Lehigh Area School District school. Drop/Add is not available to students for marking period four (4).

# TECHNOLOGY

---

## TECHNICAL SUPPORT

---

Technical support is exclusively available to full-time LAVA students for the Chromebooks and software provided under the LAVA program. Support is not offered for home networks, personal computers not issued by LAVA, or for families/students not enrolled in the full-time academy.

FULL-TIME LAVA students will be provided with a Chromebook, headset with microphone, virus protection software, internet filtering software, and the necessary software to support the student's curriculum. This equipment remains the property of the Lehigh Area School District and must be returned within one week (5 school days) following the termination of the student's online learning.

FULL-TIME LAVA students may receive a reimbursement of \$30.00 per month for local Internet Service Provider fees for every full month of LAVA enrollment (September-May). If multiple full-time LAVA students reside in the same household, the reimbursement will still be capped at \$30.00 a month. LAVA reserves the right to terminate Internet reimbursement at its discretion.

All Internet and computer technology usage must align with the educational goals of the student. Activities deemed illegal or non-educational—including but not limited to profit-making, lobbying, gambling, advertising, transmitting offensive materials, hate mail, discriminatory remarks, or accessing obscene content—are strictly prohibited. Refer to the [Acceptable Use of the Internet Policy #815](#) located at [www.lehighton.org](http://www.lehighton.org) and in the Appendix).

The use of LAVA program technology or the Internet for illegal copying, communication, or modification of material in violation of all applicable laws is prohibited. Such actions will lead to law enforcement referral.

Students, parent/legal guardians, or any third parties are strictly forbidden from installing any software or hardware on the provided computers, removing installed software or hardware from those computers, installing software received on any other computer systems. Software must not be loaned, given, or used on any other computers.

The school reserves the right to deny a student's access to equipment and/or Internet reimbursement to prevent unauthorized activities. Students who have their access denied must return any issued equipment.

 FULL-TIME LAVA STUDENTS must report any Chromebook issues at [Technical Support Portal](#). Students should log in using their school email. The technical support team will assist with hardware issues. Report must include the student's name and relevant details for effective resolution.

 For courseware-related issues, contact the Carbon Lehigh Intermediate Unit help desk—610-769-4111 or email [ellearn21-help@cliu.org](mailto:ellearn21-help@cliu.org). Reports should include the student's name, Lehigh Area School District affiliation, affected courses, and any details aiding in problem resolution.

- 🌀 Students enrolled in single classes within district building should report all issues to the LAVA Advisor, who will assist in resolving the problem.
- 🌀 Issues reported during school hours will receive a response from school personnel within 24 hours or the next school day.
- 🌀 Technological issues do not excuse students from logging in and completing their work. If a student experiences difficulties with the website, software, or equipment, they should report to the high school library to continue their coursework until the issue is resolved.

---

### COMPUTER SET-UP

---

All computer equipment will be collected and returned through the administration building.

Full-time LAVA students, along with their parents/legal guardians are responsible for setting up the system upon its arrival at the student's residence. Technical support staff will be available to assist with the activation of the computer system.

Any malfunctions with the computer hardware should be reported by the student or parent/legal guardian as soon as possible. Staff will engage in a discussion to assess whether the issue is hardware-specific or software-related and will develop an appropriate plan of action.

---

### LOST/DAMAGED/RETURNED PROPERTY

---

The student/parent/legal guardian must inform the school district within three days of any theft, damage, destruction, or loss of school-owned computer equipment. The responsible party may incur costs for repairing or replacing any equipment that is lost, stolen, or damaged while in the student's possession.

Families/students are generally financially responsible for their equipment. In most cases of loss or damage, the parent/legal guardian is advised to file a claim with their homeowner's insurance. The school will assist by providing necessary information regarding the cost and value of the equipment. It is crucial for the family or student to promptly forward copies of the police report, fire report, insurance claim, and any other relevant documentation to the LAVA Advisor, who will then relay this information to the district technology department..

Replacement Equipment—LAVA will arrange for replacement equipment only after:

- 🌀 All applicable reports and claims have been submitted
- 🌀 The student/family have made appropriate arrangements to compensate the school for the loss.
- 🌀 The family/student signs a revised agreement reflecting the issuance of new equipment.
- 🌀 The damaged equipment is returned, if applicable.

All instructional materials and equipment must be returned to the school as requested by the student's LAVA Advisor. To avoid any financial responsibility or invoices being sent to the magistrate for replacement or late costs, arrangements should be made to return the equipment within five (5) school days of the end date. All equipment should be returned to Mrs. Amanda Citro at the central administration building.

## MCKINNEY-VENTO HOMELESS EDUCATIONAL PROGRAM

---

---

### MCKINNEY-VENTO HOMELESS ASSISTANCE ACT

---

The Education for Homeless Children and Youth (EHCY) program is authorized under Title VII-B of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11431 et seq.) (McKinney-Vento Act). The McKinney-Vento Act was originally authorized in 1987 and most recently re-authorized in December 2015 by the Every Student Succeeds Act (ESSA).<sup>1</sup> The McKinney-Vento Act is designed to address the challenges that homeless children and youths have faced in enrolling, attending, and succeeding in school.

Under the McKinney-Vento Act, educational agencies must ensure that each homeless child and youth has equal access to the same free, appropriate public education, including a public preschool education, as other children and youths. Homeless children and youths must have access to the educational and related services that they need to enable them to meet the same challenging State academic standards to which all students are held. In addition, homeless students may not be separated from the mainstream school environment. Local Educational Agencies are required to review and undertake steps to revise laws, regulations, practices, or policies that may act as barriers to the identification, enrollment, attendance, or success in school of homeless children and youths.

The law indicates that the LEA liaison shall ensure that all homeless children, youth and families are identified through coordinated activities with other entities.

## FAMILY EDUCATIONAL RIGHTS & PRIVACY ACT (FERPA)

---

This law affords certain rights to Parents and Eligible Students in regards to Education Records that are maintained by schools. These rights transfer to the student when they reach the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- 🌻 Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- 🌻 Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- 🌻 Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
  - School officials with legitimate educational interest;
  - Other schools to which a student is transferring;
  - Specified officials for audit or evaluation purposes;
  - Appropriate parties in connection with financial aid to a student;
  - Organizations conducting certain studies for or on behalf of the school;
  - Accrediting organizations;
  - To comply with a judicial order or lawfully issued subpoena;
  - Appropriate officials in cases of health and safety emergencies; and
  - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

---

## **STUDENT RECORDS**

---

A cumulative file will be maintained for each student during their enrollment in LAVA. This record will include only verified educational information and will be utilized solely for the benefit, promotion, or welfare of the student. All materials within each student's file will remain confidential, with access strictly limited to authorized personnel at the local school, LAVA, and the student's parent/legal guardians.

Both students and their parents/legal guardians have immediate and continuous access to grades by logging into the system. Grades for assessments and tests will be posted within two to three days after submission. The calculation of student GPA and class rank will be handled by

the Lehigh Area School District. Report cards will be distributed upon parental request. Please note that the ending dates for academic quarters may be subject to change.

Students are allowed to make up missed assignments without incurring grade penalties if the absences are excused. The deadlines for these assignments will align the parameters established by the student's grade equivalent traditional school setting.

---

### PARENTAL RIGHTS TO OPT OUT OF STATE MANDATED TESTING

---

## ASSESSMENTS/EXAMS

---

Students will have an opportunity to demonstrate mastery of a skill by retaking quizzes up to three (3) times to improve their score. Exams can only be repeated one time to improve their score.

---

## GRADUATION REQUIREMENTS

---

Students will work with their high school guidance counselors to ensure proper placement and credit fulfillment in order to meet graduation requirements of Lehigh Area School District. Students in grades 9-12 will be classified by grade based on the number of credits they have earned.

In addition, students will need to meet all local and state graduation requirements. It is the student's responsibility to make sure that all coursework is completed and graded at least one week prior to set graduation date.

Graduation requirements for Lehigh Area School District include 26 credits in designated subject areas and scoring Advanced/Proficient on the Keystone Exams or completion of Act 158 Graduation Pathways. Students will need to obtain four credits in mathematics, science, language arts, and social studies. One credit will need to be obtained in health, fitness, personal finance, and computers. Six credits will be in electives. More information can be found in the [25-26 Curriculum Guide](#) (download the pdf).

Attendance at graduation practice is required for all students wishing to participate in the graduation ceremony.

---

## FIELD TRIPS & SOCIAL ACTIVITIES

---

LAVA students are encouraged to engage in school-sponsored activities. All policies of the school will apply, including those related to attendance and discipline. Students wishing to participate in field trips or social events must first notify their LAVA Advisor and arrange the necessary permissions with the school district. Once these arrangements are made and permission is granted, students should notify their online teachers about their excused absence. It is the responsibility of the students to complete any missed assignments during the field trip or social activity.

Additionally, LAVA students must remember that they are still a member of the Lehigh Area School District and are expected to dress appropriately. The [Dress Code Policy #221](#) (located at [www.lehighton.org](http://www.lehighton.org) and in the Appendix) will be enforced. Any student found in violation of the dress code policy will not be permitted to participate in the field trip or social activity.

Students also should also recognize that attending school-related functions means representing their school district and community. Appropriate conduct is expected at all times, as students' behavior reflects on themselves, their families, and their school.

---

## PHYSICAL EDUCATION

---

Students can fulfill their physical education requirements by enrolling in courses offered by LAVA. A diverse selection of Health and Physical Education electives is available across all K-12 grades.

Additionally, students may meet these requirements through participation in organized lessons, activities, and events, provided that expenses are covered by the parental/guardian. Prior approval from the LAVA Guidance Counselor is necessary. Each LAVA student must engage in at least 30 minutes of physical activity daily.

The supervisor, coach, or leader overseeing the activity is responsible for emailing the LAVA Advisor weekly with documentation of the hours participated and the type of physical education completed.

---

## ATHLETIC & CLUB ELIGIBILITY

---

Students wishing to participate in the Lehigh Area School District's athletic program or clubs will need to express interest to their LAVA Advisor. The LAVA Advisor in turn will give the student the appropriate details of the club or program including academic restrictions. Lehigh Area School District has the authority to enforce academic probation on any student that is participating in a club or activity. In addition, all student athletes must participate in a state mandated physical and provide the necessary paperwork to the school nurse. LAVA Advisors will work with students, parent/legal guardians, and coaches/directors to assist students that are in danger of academic probation.

Student athletes need to maintain passing grades in 5 out of 7 classes in order to be eligible to participate in athletics. Please refer to eligibility and code of conduct in the athletic handbook—(<https://lehighathletics.org/main/filesLinks/>), which also lists rules that govern participation, including behavior for team members.

The district maintains a zero-tolerance policy regarding any actions by students, parents/legal guardians, staff, or visitors that disrupt educational services, compromise the health and safety of any community member, or threaten the integrity and stability of the online learning program or the school. This commitment ensures a safe, productive, and respectful learning environment for all participants in the Lehigh Area Virtual Academy.

School administration will use their professional judgment in determining which disciplinary action will be most effective in dealing with the student's misconduct ([Student Discipline Policy #218](#) located at [www.lehigh.org](http://www.lehigh.org) and in the Appendix). Student's age, maturity, nature of infraction and previous record are a few of the circumstances that will be taken into consideration when disciplining. # ACADEMIC INTEGRITY—PLAGIARISM & ARTIFICIAL INTELLIGENCE

---

All work submitted to fulfill online course requirements must represent the original efforts of the individual student. This includes, but is not limited to, exams, homework, course assignments, essays, compositions, term papers, and scientific research. Each submission should accurately reflect the student’s own effort and abilities. Failure to adhere to this standard constitutes unacceptable academic behavior and may result in disciplinary action. Maintaining academic integrity is a shared responsibility among administrators, faculty, advisors, students, and families within the online learning community.

In the LAVA program, students have been exploring the use of Artificial Intelligence (AI) tools such as ChatGPT, Google Gemini, Canva, and others. Some teachers may have even created activities and projects that require the use of these tools. It's important to check with your teacher if AI use is acceptable for their course.

Plagiarism is defined as the act of copying or stealing another's ideas or words and presenting them as one's own. This includes using someone else's work without proper attribution and committing literary theft. Examples include the following:

-  Submitting a paper obtained from an Internet source as one’s own.
-  Using another student’s work, either in whole or in part, and submitting it as one’s own.
-  Failing to cite sources when using information from books, textbooks, websites, databases, etc.
-  Using another person’s ideas, opinions, or theories without appropriate citation.
-  Incorporating facts, statistics, graphs, drawings, pictures, sounds, or other information obtained from sources not considered common knowledge without proper attribution.
-  Quoting another person’s spoken or written words without citation.
-  Paraphrasing unique ideas from another person, whether spoken or written, without crediting the source.

With the increasing accessibility and sophistication of the Internet, incidents of plagiarism/AI usage in student submissions have risen significantly. Many institutions of higher education impose severe penalties for plagiarism/AI usage infractions, including expulsion. To safeguard the future education of students and fulfill the school’s role in their personal development, Leighton Area School District enforces the following Academic Integrity Policy:

**First Occurrence of Plagiarism/Artificial Intelligence Usage:** any instance of academic dishonesty will result in a “zero” (no credit) on the assigned paper or project. Teachers will provide written documentation of the academic dishonesty and will use the following procedure:

-  Discussion with the student, referral to the LAVA advisor, and administration
-  Call/Email to parent/legal guardians by the advisor or teacher
-  Principal’s referral to co-curricular coaches/advisors and National Honor Society, as applicable

**Second Occurrence of Plagiarism or Artificial Intelligence Usage:** removal from the course and denial of credit.

We have read and understand the above policy and agree to abide by the rules.

The following is the agreement between Lehigh Area School District and

Student Name: \_\_\_\_\_

in the participation in the Lehigh Area Virtual Academy. I will make a commitment to complete the following courses in the following timelines:

NAME OF COURSE	MP #
Y1—English	
Y1—Science	
Y1—Math	
Y1—History	
Elective (.5 Credit)	

Section end dates may be modified at the discretion of the LAVA Advisor in accordance with changes to the academic calendar. Students who do not meet their academic requirements may be required to attend their designated building, as determined by the LAVA Advisor. Any assignments or lessons not completed by their due date will receive a score of “0.”

There is a two-week orientation process that students must complete before they are permitted to work independently from home. Students are required to report to the library for five consecutive school days from 8:00 a.m. to 2:00 p.m. to initiate their online curriculum. Following these initial five school days, students will return to the library for five consecutive half school days from 8:00 a.m. to 11:00 a.m.

This orientation process is designed to facilitate a smooth transition into LAVA and provides students with the opportunity to acclimate to the program and address any potential concerns. If a student incurs an unexcused absence during this period, they will be ineligible to participate in LAVA and will need to return to the regular classroom setting.

Act 158 of 2018 (Act 158), signed into law by Governor Tom Wolf, provides alternatives to Pennsylvania's statewide requirement of attaining proficiency on the three end-of-course Keystone Exams (Algebra I, Literature, and Biology) for a student to achieve statewide graduation requirements. Effective with the graduating class of 2023, students have the option to demonstrate postsecondary preparedness through one of four additional pathways that more fully illustrate college, career, and community readiness.

ACT 158 REFERENCE: <https://www.education.pa.gov/K-12/Assessment%20and%20Accountability/GraduationRequirements/Act158/Pages/default.aspx>

### PATHWAY 1: KEYSTONE PROFICIENCY

Reach "Proficient" or "Advanced" on the following Keystone Exams:

- ✓ Algebra 1
- ✓ Literature
- ✓ Biology

If a student does not score "proficient" or "advanced" on all three Keystone Exams, they can still meet the state requirements for graduation by meeting the descriptors established in Pathways two through five.

### PATHWAY 2: KEYSTONE COMPOSITE

Students must earn "proficient" or "advanced" on at least one Keystone Exam and earn at least a basic score on the other two Keystone Exams. No Keystone Exam score can be "Below Basic."

The Keystone Exam 3-score composite is  
**4452 or Greater**

### PATHWAY 3: CAREER & TECHNICAL EDUCATION

Students will meet local requirements for academic content covered by the Keystone Exams for all subjects. Courses required to earn credit at Lehigh Area High School: Algebra 1, Biology, and English 10. Must produce 1 or more of these artifacts:

- ☞ Industry-based competency certification
- ☞ Likelihood of industry-based competency assessment success
- ☞ Readiness for continued engagement in CTE Concentrator program of study

### PATHWAY 4: ALTERNATE ASSESSMENT

Students will meet local requirements for academic content covered by the Keystone Exams for all subjects. Courses required to earn credit at Lehigh Area High School: Algebra 1, Biology, and English 10. And one of the following:

1. Attain an established score on an approved alternate assessment for each subject where the student did not earn proficiency. Approved alternate assessments are:
  - ☞ Attainment of one alternative assessment score or better: ACT (21), ASVAB AFQT (31), PSAT/NMSQT (970), or SAT (1010)
  - ☞ Attainment of Gold Level or better on ACT WorkKeys
  - ☞ Attainment of 3 or better on AP Exam(s) related to each Keystone content area in which less than Proficient
  - ☞ Attainment of 4 or better on IB Exam(s) related to each Keystone content area in which less than Proficient
  - ☞ Successful completion of concurrent enrollment course(s) related to each Keystone content area in which less than Proficient
  - ☞ Successful completion of a pre-apprenticeship program
  - ☞ Acceptance into accredited, non-profit Institution of Higher Education (IHE) 4yr program for college-level coursework
2. Successfully complete a dual enrollment course in an academic content area associated with each Keystone Exam in which the student did not achieve at least proficiency:
  - ☞ Credit-bearing, non-remedial approved concurrent course
  - ☞ Aligned to respective Keystone Exams
  - ☞ Passing grade on the approved concurrent course
  - ☞ High school or college transcript as evidence
3. Successfully complete a pre-apprenticeship program.
  - ☞ Specific career training designed to prepare a student for an occupation in an approved schedule of related instruction
  - ☞ Program must be registered with the Director Apprenticeship and Training Office at the Pennsylvania Department of Labor and Industry
  - ☞ Meets all pre-apprenticeship program requirements, per specific industry requirements
4. Be accepted in an accredited 4-year, nonprofit institution of higher education.
  - ☞ Acceptance letter from an accredited 4-year, nonprofit institution
  - ☞ Placement test results showing the student may enroll in college-level coursework
  - ☞ College registration form confirming enrollment
  - ☞ Local profile of an acceptable high school GPA, attendance record, and SAT/ACT score.

(APPENDIX B)

2. **Acceptance into any institute of higher learning for college-level coursework in an other-than-4-year program**
  - ⊗ Acceptance letter
  - ⊗ Placement test results

5. **Compliance with the National College Athletic Associations (NCAA Division II) core courses for college-bound student athletes**
  - ⊗ Minimum GPA Requirements (2.0) in approved NCAA core courses—college prep level or higher

- Most students with an IEP should be able to graduate via one of the five pathways. It is the IEP team's responsibility to determine how successful completion is defined based on completion of IEP goals.
- **Superintendent's waiver for students with extenuating circumstances**
  - ⊗ The superintendent can grant a waiver to students at the recommendation of the high school principal and the office of education for a student who is unable to meet any of the pathways prior to graduation. ### Notification Letter for Parents, Guardians and Employees of Lehighton Area School District

Dear Parent(s), Guardian(s) and Employees,

The Lehighton Area School District uses an Integrated Pest Management (IPM) approach for managing insects, rodents and weeds. Our goal is to protect every student from pesticide exposure by using an IPM approach to pest management. Our IPM approach focuses on making the school buildings and grounds an unfavorable habitat for these pests by removing food and water sources and eliminating their hiding and breeding places. We accomplish this through routine cleaning and maintenance. We routinely monitor the school buildings and grounds to detect any pests that are present. The pest monitoring team consists of our building maintenance, office and teaching staff and includes our students. Pest sightings are reported to our IPM coordinator who evaluates the “pest problem” and determines the appropriate pest management techniques to address the problem. The techniques can include increased sanitation, modifying storage practices, sealing entry points, physically removing the pest, etc.

From time to time, it may be necessary to use chemicals to manage a pest problem. Chemicals will only be used when necessary, and will not be routinely applied. When chemicals are used, the school will try to use the least toxic product when possible. (Applications will be made only after normal school hours.) Notices will be posted in these areas 72 hours prior to application and for two days following the application.

Parents or guardians of students enrolled in the school may request prior notification of specific pesticide applications made at the school. To receive notification, you must be placed on the school notification registry. If you would like to be placed on the registry, please notify the District in writing. Please include your email address if you would like to be notified electronically.

If a chemical application must be made to control an emergency pest problem (ex. stinging insects), notice will be provided by telephone or email to any parent or guardian who has requested such notification in writing. Exemptions to this notification include disinfectants and anti-microbial products; self-containerized baits placed in areas not accessible to students, and gel type baits placed in cracks, and crevices or voids.

Each year the District will prepare a new notification registry.

If you have any questions, please contact Justin Smith, IPM Coordinator at (610) 377-4490 ext. 7536. All correspondence should be directed to the address, email, or telephone number listed on this letterhead.

Sincerely,

Mr. Justin Smith  
Director of Operations
