STRONG ATTENDANCE. STRONG START.

Dear MUSD Parents,

You did it! The first full week of school is in the books. Lunches packed. Alarms set. Kids came ready, and it shows.

Parents, you're the game-changer. When you make school a priority, your kids do too.

Quick fact:

Missing just 2 days a month = *18 a year*. That's nearly a whole month of learning lost.

Let's keep this momentum:

- Stick to a consistent bedtime
- Plan vacations around the school calendar
- Check in if your child seems unmotivated to attend
- Schedule appointments outside school hours when possible
- Talk with your child's teacher for support

Every day counts!

Thank you for choosing MUSD.

Sincerely,

Dr. Tracey Lopeman
Superintendent, Maricopa Unified School District
