

# CVCS SOCIAL MEDIA POLICY

Refer to the parent/student handbook for complete details, consequences for policy violations and exceptions.

We prioritize a respectful and safe school environment. Please remember:

Students and Parents are **prohibited** from creating, managing, or representing any social media accounts connected to or related to CVCS or its students.

This applies to all social media platforms, including Facebook, **Instagram**, TikTok, X (formerly Twitter), and others.

Unauthorized accounts must be deleted **immediately**, even if created with good intentions.

We take cyberbullying **seriously**. All students are expected to treat others with respect and kindness online as part of our Digital Citizenship Guidelines.

Adding "Not affiliated with CVCS" does not **exempt** an account from violating this policy—such accounts are still prohibited.

Consequences for violating this policy, as stated in the student handbook, may include **suspension** or **expulsion**.
