## General Appearance Guidelines

- All students must be fully covered from mid-thigh (5" above the knee) to the top of the chest and back in non-see-through, non-revealing materials.
- All outerwear (sweaters, hoodies, etc.) must feature the CVCS logo and be purchased exclusively from Tommy Hilfiger or the BSN Sideline Store.
- Hair must be neat, clean, and of natural color. Boys must keep hair short; girls' hairstyles should remain tidy and appropriate.
- No visible tattoos or body piercings are allowed. Boys may not wear earrings.
- Closed-Toe Shoes: Footwear that **fully** covers both the toes and the back of the heel. Shoes must provide full coverage and support—no sandals, slides, slippers, cloggs, Crocs, or any open-heel or open-toe styles are allowed.
- Items from the BSN Sideline Store (including Nike-branded polos and sweatshirts) are **not** part of the approved daily uniform but may still be worn on Fridays and designated spirit days.

**It is the responsibility of both the student and their parent/guardian to ensure that the student is in proper uniform attire while on campus and at all school-related activities and events.**

## Skort/Skirt Length Policy Enforcement

Only skorts from Tommy Hilfiger are allowed. Skorts must not be tight, torn, rolled, or shorter than 5" above the knee. Shirts or sweaters may not extend past the hem of the skort/skirt. If a skort/skirt is deemed too short or tight, the student must change and may lose the privilege of wearing skirts for a period of time. *The 5" guideline encourages students to self-check and maintain a professional, consistent standard while allowing flexibility for different body types.*

At CVCS, we approach skort/skirt-length enforcement with care and sensitivity. Concerns are only reported by female staff when a skort/skirt is clearly rolled up, too short, too tight, or not issued by an approved uniform provider. All conversations about skort/skirt length are conducted by our female academic advisors, who also answer any questions. Official notices are communicated by the Dean's Office.
