August 6, 2025

Dear **Effingham County High School** Parents:

**Effingham County High School** will soon be electing new School Council members to begin the 2025 - 2026 school year. Per policy, our council will consist of seven (7) members: the school principal; four (4) parents (two with business associations) who have children enrolled in the school; and two (2) teachers from the school. School Councils are designed to bring communities and schools closer together in a spirit of cooperation and to promote school improvement.

Council members must be willing to:

- attend four (4) meetings during the school year;
- maintain a school-wide perspective on issues;
- act as a link between the School Council and the community;
- encourage the participation of parents and others within the school community; and
- work to improve student achievement and performance.

Parents who have children enrolled at **Effingham County High School** for the 2025 - 2026 school year are eligible to participate in the election process and to serve on the School Council as long as the parent is at least 18 years of age. If you meet these criteria, you are eligible to nominate, be nominated, vote, and, if elected, serve as a School Council member.

**Effingham County High School** will hold a parent meeting at the school on **August 22, 2025 at 9:00 am** with the purpose of electing parent representatives to serve on the **Effingham County High School** Council. If you are interested in serving on the council or would like to nominate a parent of a 2025 - 2026 **Effingham County High School** student, please complete, sign, and return the nomination form below to the school by **August 22, 2025**. Please make sure a person is willing to serve before nominating them.

At the meeting on **August 22, 2025 @ 9:00am**, the voting procedures will be explained, the names of submitted nominees will be announced, and additional nominations will be taken from the floor as part of the election process. **Only parents attending the election meeting will be able to vote.** The individuals receiving the highest number of votes at this meeting will be considered the parent representatives for the School Council. Members are elected for two-year terms on a rotating basis.

If you have any questions about this meeting or the election process, please contact me at **912-754-6404**.

Sincerely,

**Greg Manior - Principal**
