Arrival and Dismissal Procedures

School Arrival

Students cannot be at school before 8:40 AM. Families, please remind your child that they need to go directly to their classroom when they arrive at school. Teachers are often very before school and cannot provide direct supervision for your child before 8:40 AM. Thank you for helping to keep your student well-supervised and safe!

Leaving School Grounds Early

Students are not allowed to leave campus during the school day without permission from a parent or guardian. When students leave campus before 2:45 PM, adults listed on the child's Infinite Campus panel must come in and sign the Guardian Release log in the office. After 2:45 PM, students will not be able to be picked up early unless it has been pre-arranged with the office staff. If it is after 2:45 PM, we ask that you wait until dismissal at 3:00 PM to pick up your student. Identification will need to be presented when picking up your child.

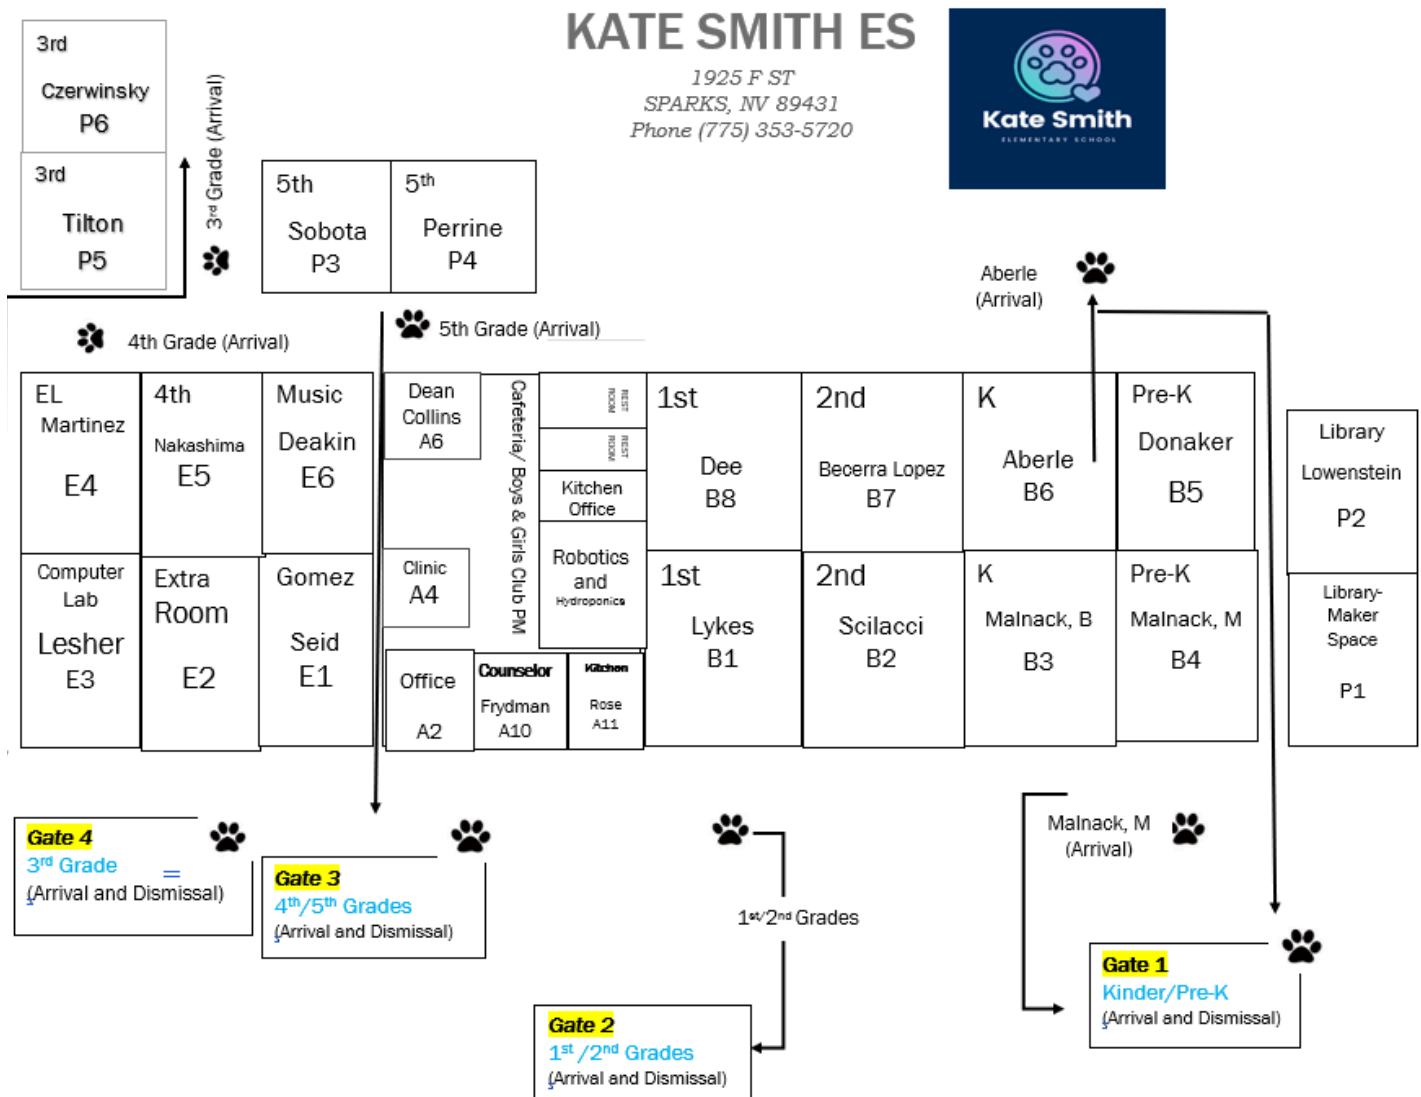

Arrival and Dismissal Procedures

School Dismissal

All students must exit through their classroom doors. Families may pick up their students at a mutually agreed upon place outside. For the safety of the children, we ask that parents/adults wait outside the school gates for their students.

Students are dismissed at 3:00 pm and are expected to go directly home. Please remember that there is no adult supervision available for your child if he/she decides to stay and play on the playground. For their safety, students being picked up, should be picked up promptly. If a child is forgotten at school, the office staff will contact their parent/guardian. Please make sure all phone numbers are up to date. The office is open until 3:30 pm each day; therefore, it is important that students are picked up right after school. If children are not picked up after school, School Police or Child Protective Services will be called to transport the child home. Excessive late pick-ups will result in a conference with the Principal and/or school.

Attendance Policy

Attendance is extremely important and is a focus at Kate Smith Elementary. The state of Nevada tracks student attendance and Kate Smith Elementary is held accountable for students attending school. Please be aware, **ten (10) consecutive days absent** without any contact with the school will be cause for automatic withdrawal from Kate Smith ES. **Twenty (20) consecutive days absent**, with OR without contact with the school, will be cause for automatic withdrawal from Kate Smith ES.

Effective Home/School Communication

At Kate Smith Elementary, we believe that effective home/school communication is essential for a successful school experience, and we value the important role that families play in supporting the academic success of children at school. Our teachers and staff strive to maintain a positive school climate where all students can learn and feel safe at school.

We know that working with children, families may have questions, concerns, and students may encounter conflict. We want to work together to solve issues that may arise in a positive and timely manner; therefore, we have developed the following guidelines to ensure effective communications between home and school, and we appreciate your cooperation

Effective Home/School Communication Guidelines

BE PROACTIVE

If you have a question or concern, be proactive and ask the teacher for an appropriate conference time or email your question.

START WITH THE TEACHER

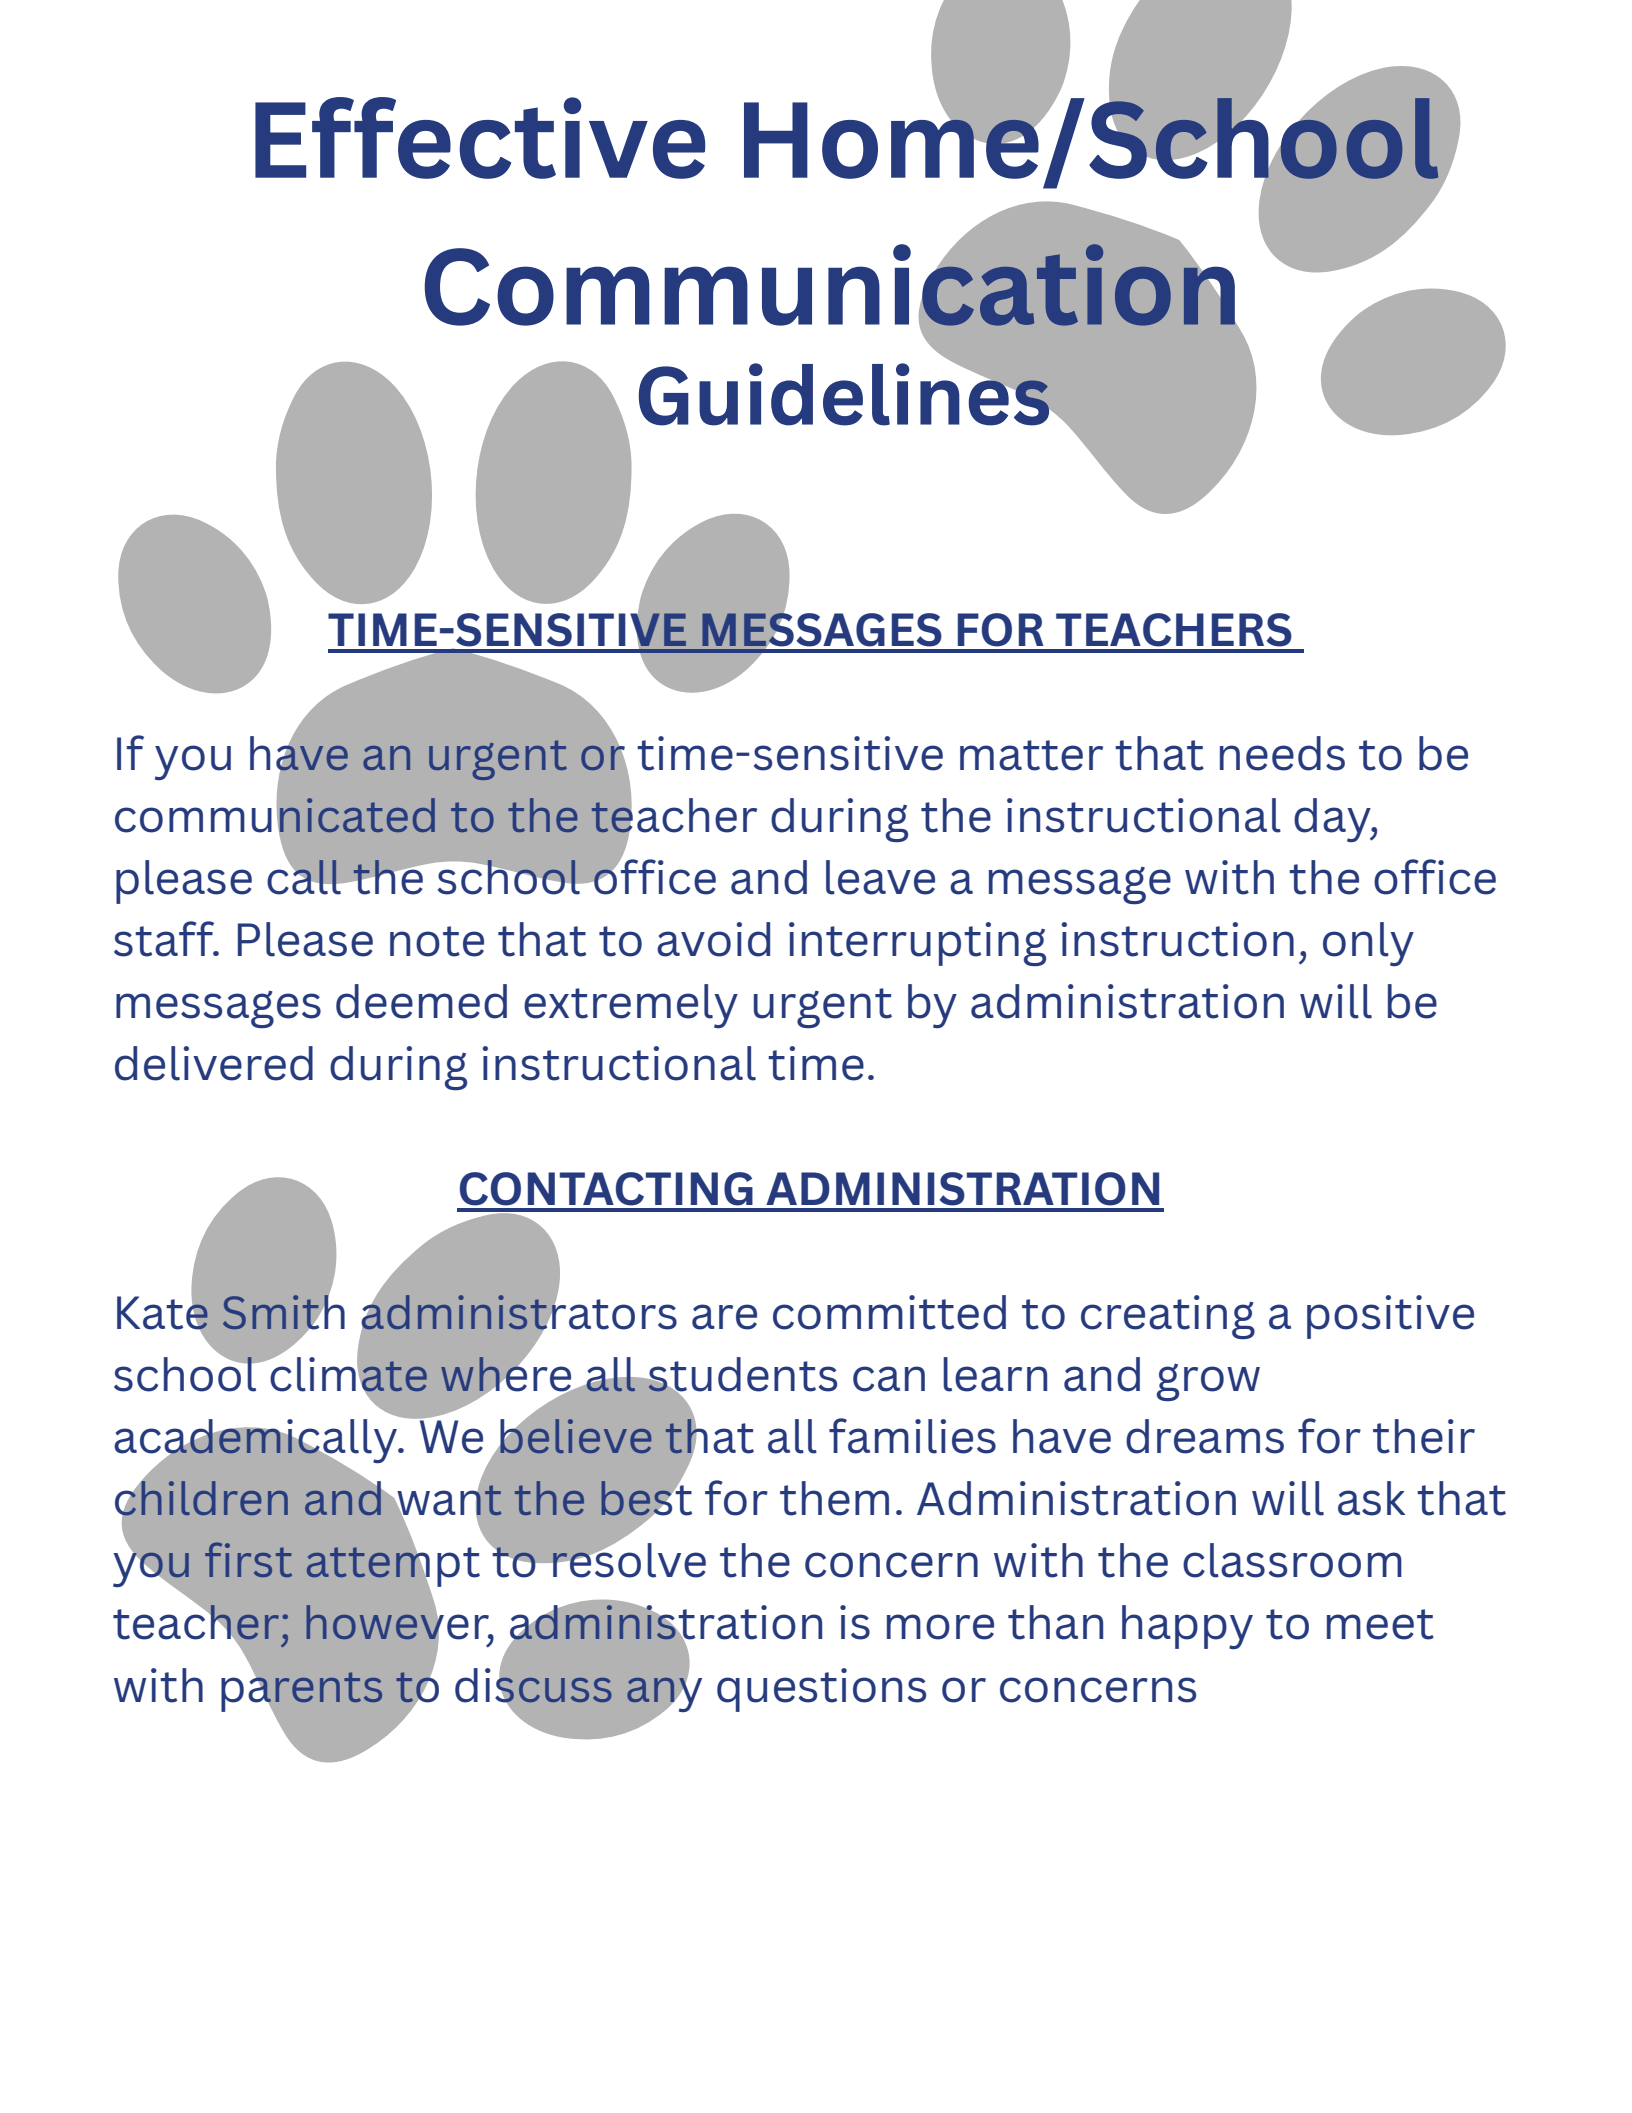

If you do have a concern, please bring it to the attention of the teacher right away so it can be addressed.

SCHEDULE A TIME FOR A CONFERENCE

Face-to-face scheduled conferences are preferred, at a time that has been pre-arranged with the teacher and is mutually convenient for family and teacher.

ALLOW SCHOOL STAFF TO THOROUGHLY INVESTIGATE

Please keep in mind when your child reports something to you that may be of concern, that often, there is more information to the situation than your child may be aware of, or know. Families should never address another family or another child regarding a concern. Once you bring the concern to school staff, allow staff to speak to those involved and other witnesses to gather all of the information related to the matter

Effective Home/School Communication Guidelines

TIME-SENSITIVE MESSAGES FOR TEACHERS

If you have an urgent or time-sensitive matter that needs to be communicated to the teacher during the instructional day, please call the school office and leave a message with the office staff. Please note that to avoid interrupting instruction, only messages deemed extremely urgent by administration will be delivered during instructional time.

CONTACTING ADMINISTRATION

Kate Smith administrators are committed to creating a positive school climate where all students can learn and grow academically. We believe that all families have dreams for their children and want the best for them. Administration will ask that you first attempt to resolve the concern with the classroom teacher; however, administration is more than happy to meet with parents to discuss any questions or concerns.

Effective Home/School Communication Information from Administration

Administration will communicate in a variety of ways to make sure the Kate Smith community is up-to-date with all important information.

If this information changes throughout the year, please inform the office as soon as possible.

Home Learning (Homework)

The expectation at Kate Smith Elementary is that teachers only assign daily homework from Monday through Thursday. Homework may be assigned to meet student needs, focus on special projects, or complete make-up work. The purpose of homework is to practice and maintain previously learned skills from the classroom. Additionally, homework builds responsibility, develops study habits, and promotes adult involvement in the child's education. We highly encourage you and your child to read on average 15 minutes per night in the primary grades and at least 20 minutes per night in the intermediate grades seven days per week.

Visitors to School

Parents/Guardians are invited and welcome to visit the school as long as they are scheduled with the teacher. Visitors are required to check in at the office for a visitor's pass. It is necessary to call the school's office in advance to schedule a time that is convenient with the teacher if you wish to discuss your child's progress. Any questions or conferences should be reserved for a scheduled time when more privacy and time is available.

Also know that we cannot honor requests for relatives and friends to visit the school during the school day.
