Vocabulary:

Geometric, organic

Additional Info:

TOPIC:

Key Learning:

Students use color and value to create an artwork with unified mood.

Unit Essential Question

How are elements of design used in art work?

CONCEPT: Color

Contrast, Pattern, Unity, Movement,
Proportion/Scale, Balance, Emphasis

Lesson Essential Questions:

- ✓ What are the primary colors?
- ✓ What are the secondary colors?
- ✓ How do you create a secondary color?
- ✓ How do you create a intermediate color?
- ✓ What are the neutral colors?
- ✓ What are complimentary colors?
- ✓ What is an example of an analogous color scheme?
- ✓ How have you shown contrast within your art work?
- ✓ Why would you want variety in an artwork?
- ✓

Vocabulary:

Neutral, primary, secondary,
intermediate, complimentary

Additional Info:

CONCEPT: Value

Contrast, Pattern, Unity, Movement,
Proportion/Scale, Balance, Emphasis

Lesson Essential Questions:

- ✓ What is Value?
- ✓ How do you create a tint/shade?
- ✓ What is a monochromatic color scheme?
- ✓ Where are the lightest/darkest values in your artwork?
- ✓ How is emphasis expressed on your art piece?
- ✓ How is unity and harmony created in a composition?
- ✓ Why is focal point/emphasis important in an artwork?
- ✓

Vocabulary:

Tint, Shade, Value, focal point

Additional Info:

TOPIC:

Key Learning:

Students use space, proportion and texture in artwork.

Unit Essential Question

How are elements of design used in art work?

CONCEPT: Space

Contrast, Pattern, Unity, Movement,
Proportion/Scale, Balance, Emphasis

CONCEPT: Texture

Contrast, Pattern, Unity, Movement,
Proportion/Scale, Balance, Emphasis

Lesson Essential Questions:

- ✓ How do you show foreground, middle ground and background in a landscape?
- ✓ What happens to an object, as it gets further away?
- ✓ How do you know what object in the artwork is closest to you?
- ✓ Why is proportion necessary?
- ✓

Lesson Essential Questions:

- ✓ Compare and contrast real and visual textures in your world.
- ✓ Why do artists use texture in their artwork?
- ✓ How can you create a visual texture?
- ✓ How can you create texture in real forms?

Vocabulary:

Positive space, Negative space,
perspective

Vocabulary:

Actual/real
visual
