# SAFETY DRILL WEEK

August 18 - 22

This week we will be conducting our first round of required safety drills. Our goal in teaching and practicing the procedures for these drills early, is to ensure that our students and staff know what to do in the event of an emergency. Teachers will spend time discussing and practicing what to do for each drill with their students prior to our practice drill.

Visit our [Pearland ISD Safe & Secure Schools](#) website for more information.

## Safety Drills:

**Hold** is followed by the Directive: "**In Your Room or Area**" and is the protocol used when hallways need to be kept clear of occupants.

**Secure** is followed by the Directive: "**Get Inside. Lock Outside Doors**" and is the protocol used to safeguard people within the building.

**Lockdown** is followed by "**Locks, Lights, Out of Sight**" and is the protocol used to secure individual rooms and keep occupants quiet and in place.

**Evacuate** may be followed by a location, and is used to move people from one location to a different location in or out of the building.

**Shelter** and state the **Hazard and Safety Strategy** for group and self protection.
