FAFSA Night Checklist

Here is how to be prepared

FSA IDs

- Parent/Guardian creates an FSA ID (only one parent/guardian FSA ID is needed).
- Student creates an FSA ID.
- Have your FSA IDs created before FAFSA Night.
- To create your FSA IDs, you will need your Social Security Number and cell phone number and/or email address.
- Create your FSA IDs at https://studentaid.gov/fsa-id/create-account/launch
- Write down your FSA ID. You will need this to complete the FAFSA.

Documents

The FAFSA questions ask for information about you (your name, date of birth, address, etc.) and about your financial situation. Depending on your circumstances (for instance, whether you're a U.S. citizen or what tax form you used), you might need the following information or documents as you fill out the FAFSA application:

- Students Social Security number
- Parents' Social Security numbers
- Student and Parent driver's license numbers (if you have one)
- Your Alien Registration number if you are not a U.S. citizen
- 2021 federal tax information or tax returns
- Records of untaxed income
- Cash, savings, and checking account balances
- Investments other than the home in which you live
- **The 2023-24 FAFSA form will ask for 2021 tax information.**

Computer

Please bring a computer with you to fill out the FAFSA. Your student's school computer may be a good choice because it will automatically connect to the school's wi-fi!

Listing Colleges

- While completing the FAFSA form, you must list at least one school to receive your information. The schools you list will use your FAFSA information to determine the types and amounts of aid you may receive.
- You can list up to 10 schools. You can add and delete schools later, as needed.

More Info

- A financial aid counselor will be at the school to answer specific questions that night.
- The goal of the FAFSA night is to have you complete and submit the FAFSA.
