Letter from the Director

The City of Pueblo Parks and Recreation Department's mission is to improve the quality of life in the greater Pueblo community by providing quality, diverse recreation and leisure opportunities; safe, clean and attractive park and recreation facilities; partnerships that enhance opportunities and maximize resources; and investing in new and renovated parks and recreational facilities.

Our partnerships include various youth sports organizations, Pueblo City Schools, Pueblo YMCA, Pueblo City-County Library District, Pueblo Zoo, Nature and Raptor Center of Pueblo, Mountain Park Environmental Center, Pueblo County, numerous non-profit charitable organizations, valued volunteers and local businesses to increase our outreach into our community.

As we approach the fall and winter months, there are an abundance of activities and events of interest for all ages. Little ghosts and goblins will be taking over City Park during our annual "Haunted Rides at City Park", which will take place October 21-22. Mark your calendar for this spookily fun, special event for all ages!

Kids can "hoop it up" by participating in our Lil' Dribblers, Junior Hoopsters and Hoopster Elite Youth Basketball programs or they can "hit the ice" and learn to skate at the Pueblo Ice Skating Academy or just enjoy one of our many public skating sessions. The Friday Night Lazer Lights at the Pueblo Ice Arena is also an experience not to be missed!

We are actively seeking sponsors and grant opportunities as alternative forms of funding our programs and elevate levels of our services. One of our exciting 2016-2017 campaign goals is to seek \$10,000 in sponsorships to obtain a bigger movie screen for our popular summer series Movies in the Park.

These are just a few examples of our commitment to improving the quality park and recreation experiences for our citizens and visitors to our community.

Please take advantage of the many programs we offer, the events we host, the trails, parks and open spaces. Remember, we are here to provide quality of life enhancing opportunities and experiences for you and your entire family!

Sincerely,

Steven Meier
Director of Pueblo Parks and Recreation
Director of Planning and Community Development

Pueblo Eagle Days

February 3, 4 and 5, 2017

Lake Pueblo State Park and Nature and Raptor Center

This popular festival started as a small gathering of sponsors to celebrate the beloved bald eagles that winter at Lake Pueblo. It has grown into one of Pueblo's most family-friendly festivals and now covers three days of fun and discovery for all ages.

Join us all three days and see live birds of prey, take a turn at the spotting scopes to look for eagles or birds of all kinds, see entertaining presentations, see an Air Force Academy falcon mascot up close and vote for your favorite photo. Kids will have fun making take-home eagle projects; they can meet agency mascots and see a live rehabilitated bird released back to nature. There is something for everyone!
