

2025-2026

Welcome

Welcome to the 2025-2026 school year!

The Victor Central School District is truly special. Our one campus environment is unique, a place where we bridge the gap between long-standing and new community members, fostering a sense of unity and shared purpose. VCS is more than just a place of learning—it's a vibrant community encompassing five schools and over 4,300 students across 166 beautiful acres. Nestled alongside the charming Village of Victor, our district thrives on a powerful partnership between local businesses, community members, and our dedicated staff, all working together to engage and uplift our students.

Our vision is to build a thriving educational community that inspires every individual to confidently shape their own future. We achieve this through a strong focus on academics, problem-solving, critical thinking, and social-emotional skills. We are deeply committed to cultivating an equitable and inclusive learning environment where every individual feels valued and a sense of belonging. From our youngest preschoolers to our graduating seniors, Victor Central Schools enriches every child's life.

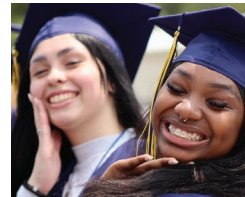

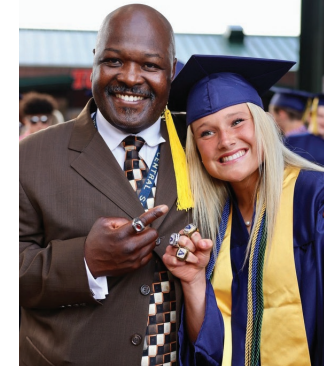

Beyond academic excellence, VCS is dedicated to building character through empathy, compassion, self-awareness, and resilience. This holistic approach is made possible by the incredible collaboration between parents, our passionate faculty and staff, and our supportive community. From engaging classroom lessons and rewarding experiences in art, career & technical education, athletics, and music, to transformative volunteer and workplace opportunities, it is clear that we are stronger together.

This calendar is a testament to our collaborative spirit. Each month, you will find a wide range of events, celebrations, District news, and important notifications. With everything from musical performances and parent events to school socials and athletic competitions, the 2025-2026 school year is sure to be memorable and full of possibilities.

There's truly no better place to be. Welcome to Victor!

endowment funds for future scholarships.

The Dollars for Scholars program allows local donors the opportunity to donate and receive a tax deduction. Unlike high schools, Dollars for Scholars chapters are 501(c)(3) tax-exempt organizations, and any donations to Dollars for Scholars receive a deduction.

Victor Scholarship Program, the local chapter of Dollars for Scholars, awarded over \$153,000 to 120 members of the Class of 2025. The scholarships are awarded by a selection committee using established criteria to select the best-qualified student for the specific award. The application grading guidelines followed by the selection committee are as follows: GPA, AP classes, community service, school activity, work experience, career, and educational objectives. In addition, individual sponsors may elect to impose certain restrictions; e.g., that their scholarship be awarded to a student who has participated in a specified community or school activity or has chosen a particular field of study or career.

For information on Dollars for Scholars and to access the online application, go to www.victor.dollarsforscholars.org. The current officers of the Victor program are Mrs. Laurie Fiorito and Mrs. Julie Merges, Co-Presidents; and Mr. Jim Exton, Treasurer. For more information about Victor's Dollars for Scholars program, call (585) 924- 3252 ext. 6218 or 6300 and leave a voicemail message. A representative will contact you.

Emergency Closings

If an emergency arises, such as inclement weather or hazardous driving conditions and school must be closed, or the opening of school delayed, the decision will be announced as early as possible via ParentSquare and the following media outlets: 13 WHAM, WHEC TV Channel 10, WROC-TV Channel 8 and Spectrum Cable News. Closings will also be communicated on the VCS website as well as the District's Facebook and X accounts. If an early dismissal is warranted, Early Childhood, Primary and Intermediate School students will be transported home **after** the Junior and Senior High students.

When school is closed, all related activities, including athletic events and students activities will be suspended for that day and evening, unless otherwise specified.

Food Service

The VCS Food Service department works diligently to provide healthy, nutritious meals and snacks for our students. Information about the services we provide, along with pricing and information about financial assistance will be sent home before the start of school.

Check out our webpage at victorschools.org (Departments then Food Service) for more information.

Health Information

HIPAA - The Health Insurance Portability and Accountability Act of 1996

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) required adoption of security and privacy standards in order to protect personal health information. In order for the District to exchange information with a child's health care provider, it is necessary for a parent or guardian to sign a comprehensive release of information form that outlines the security provisions.

Immunizations

Under Public Health Law, all students are required to be immunized against measles, polio, diphtheria, mumps, rubella, Hepatitis B, Tetanus, Pertussis and Varicella. A signed physician's certificate or other acceptable evidence must be submitted for all children entering school. Proof of immunization must be submitted within 14 days or the child will not be permitted to attend beyond that point. For more information or questions about the requirement and exceptions contact the school nurse in each building.

Insurance

All students of the District are covered under a group student accident insurance plan which acts as co-insurance with the family coverage considered the primary coverage. All accidents must be reported to the school nurse. The accident policy is designed to cover or assist in covering expenses resulting from accidental injury to any student while at school or involved in a school sponsored activity. For further information, contact the school nurse.

Medications at School

State law requires a signed written order from a physician and parent/guardian in order for a student to receive any (including over-the-counter) medicine at school. Medication is to be brought to school by the parent/guardian in the original, correctly labeled prescription or product bottle. For specific information regarding these medications on field trips, please contact the school nurse.

School Health Screenings

Vision screening guidelines recommend distance visual acuity once within six months of admission to school and in Kindergarten, Grades 1, 3, 5, 7 and 11. Hearing screening guidelines state that a hearing screening be administered to all students within six months of admission to the school in Kindergarten, Grades 1, 3, 5, 7 and 11. Scoliosis examinations will be performed at least once each year to all students in Grades 5-9. An annual check of height and weight will be recorded by the school nurse in the student's health file.

Physical Exams

NYS Education Department and State Law requires an annual physical exam which includes a body mass index and weight status category for those students entering UPK, Kindergarten and grades 1, 3, 5, 7, 9 and 11. Any student entering the school district for the first time is required to have an examination. Participation in a sport requires a health history form and a current physician physical dated within the past 12 months.

Transportation

State Education Department stipulates that all students be waiting at their designated bus stop 5 minutes before schedule arrival of the school bus dressed appropriately for any weather conditions.

Every student in grades K-3 must have a parent/guardian or older sibling to receive them off the bus in the afternoons, they must make themselves clearly visible to the driver. There will be no exceptions made to this practice.

There will be no daily changes allowed to student's schedules. For safety reasons they will need to follow their normal bus schedule. Any bus changes to a student's schedule must be done 5 days in advance using the K-12 online transportation form found on the school website.

If a student does not use bus transportation for three days in a row with no calls from parent/guardian, we will suspend bus transportation until receiving notification that the student will start riding again.

Students are expected to ride the bus safely. This means sitting down at all times when the bus is in motion, keeping their hands to themselves, listening to the bus driver and following all bus rules.

Due to limited space on the bus and safety issues we cannot allow large objects to be transported such as sleds, ski's, snow boards, lacrosse sticks, golf clubs, large
