**General Information:**

Keep in mind that we will be targeting functional independence throughout the school day. As you are picking out a backpack and supplies please consider the ease of access and your child's ability to engage with each item with independence.

Additional items may be needed as the school year continues.

**6th grade must have a physical and show proof of a DTAP, Meningococcal (MCV), and a second Varicella vaccine before the first day of school. Students will not be able to attend without a current physical on file! All 6th grade dental forms are due May 1, 2025.**

**7th and 8th grade please be sure to schedule your physicals over the summer. Students must have a current physical to participate in sports.**
