- We believe that the school must foster in each pupil the attitudes which lead to responsible citizenship and an appreciation of human achievement.
- We believe that the school must provide a curriculum which reflects a concern for individual differences. We believe further that this curriculum should be so administered as to stress rational and independent thinking in a creative atmosphere.
- We believe that the school must help each student to take advantage of all opportunities which lead to a full and productive life.

SCHOOL POLICIES

ADVANCED PLACEMENT PROGRAM (AP COURSES)

The Advanced Placement Program is an academic program of college-level courses and examinations for secondary school students. The Advanced Placement Program is administered by the College Board.

The AP Program gives students the opportunity to pursue college-level studies while still in high school and to possibly receive college credit. There are several courses available to take during 9th—12th grade.

The curriculum of an AP course is challenging and requires more effort and homework on the part of the student than a regular or honors high school course. It gives greater opportunity for individual progress and accomplishment and goes into greater depth with the academic material of each individual course.

Course content and formal scholarship are the key objectives toward which each student strives. Perhaps the real educational value of this program is that students develop critical thinking skills, fluid writing abilities, problem-solving skills and expertise in absorbing masses of material.

Criteria for individual departments will determine selection of students in AP courses and students and parents will be made aware of said criteria.

ATTENDANCE REQUIREMENTS

Attendance requirements are in accordance with state and locally adopted policies. Students are expected to be in attendance every instructional day scheduled by the Calcasieu Parish School Board. In accordance with state law in order for a student to receive credit for classes during a semester, the student **must be in attendance for a minimum of 85 days during that semester**. Cheating and plagiarism offenses will be monitored on a year-to-year basis. A notice stating that any student who has committed at least three offenses of the Academic Honest Policy will be placed in the student’s permanent record and the student will not be eligible for honor awards given by the SHS Awards Committee. GRADING

Letter Grade	SCALE	
	4.0	5.0
A	90—100	90—100
B	80—89	80—89
C	70—79	70—79
D	60—69	60—69
F	59—0	59—0

The final transcript will carry the end-of-course average in the form of a letter grade for courses attempted. The transcript will reflect a 4.0 grading scale and a 5.0 scale used exclusively for AP and dual enrollment courses. The final grade point average(s) shall be computed to thousandths and rounded to hundredths. Numerical grades will be recorded in grade books, used for averaging, and converted to letter grades for each marking period.

FAILURE TO MAINTAIN PROFICIENCY—In no case should a pupil be allowed to feel that the final marking period, the final nine weeks of the course, is unimportant or that it will have no bearing on their final grade. In fact, the performance of each pupil during the final nine weeks is expected to reflect and approach the degree of proficiency comparable to the quality of work they have maintained throughout the year, or their work for the course will be considered unsatisfactory. In other words, if a student deliberately refuses to participate during the final nine weeks of the course, or if they do not put forth a sincere effort on the final tests, this may be considered sufficient reason to report they work as failure for the period or session.

GRADUATION REQUIREMENTS

Graduation requirements are shown on the next page in the two diploma pathways.

All students are required to present, on demand, an ID card at all school activities. All students receive a free ID within their first few days of school. A student should not cover their picture or name on their ID. For those who have forgotten their ID, a one-day temporary ID may be purchased from the

Business Office at a cost of \$1.00. Lost or additional IDs may be purchased at a cost of \$5.00; lanyards are \$2.00. A new ID will need to be purchased if the ID is broken, damaged or tampered. If a student does not have cash, charges will accumulate in JCampus and must be paid before walking at graduation.

INFRACTIONS AND CORRECTIVE STRATEGIES

Each student is expected to adhere to the Calcasieu Parish School Board (CPSB) Code of Conduct and the Sulphur High School Student Handbook. If a student's behavior violates CPSB and/or SHS's policies or procedures, the student will be disciplined according to the CPSB Code of Conduct and the SHS Student Handbook. If at times things arise that are not covered by the written policies of CPSB and Sulphur High, the following policy will be used: ANYTHING THAT DETRACTS FROM THE SPIRIT OR DIGNITY OF SULPHUR HIGH SCHOOL WILL BE CONTROLLED.

LIBRARY

Library hours are from 7:15-3:15. No food or drink is permitted in the carpeted area of the library. All students are required to scan their ID upon entering the library and continue to visibly wear their ID. If not with a scheduled class, all students must present a hallpass and check-in with a librarian. Students may check-out materials using their school-issued ID. The check-out limit is **six (6)**, books at a time for **two (2)** weeks. Students may renew their books by presenting the librarian with the item to be renewed and their school ID.

The Sulphur High Library does not charge late fines, however, if a student loses a book or damages it beyond normal wear and tear, the student must pay to replace the book. Overdue notices are sent to students through their English teachers and via email at least once every nine (9) weeks. Reference books and materials are not available to check-out and must be used in the library. AV materials are primarily for faculty use.

Students are allowed to use the library computers for word processing and general research as well as printing school-related materials as long as the school has a completed AUP on file for the student. Students may print up to five (5) pages of black-and-white information for school-related purposes without incurring fees. Students should speak to a librarian if more than five (5) pages of printing are needed.

The library provides links to the Sulphur High Access It Library Catalog, research databases, new materials in the library, and helpful internet links through LaunchPad and the Access It Web App.

Students needing technical assistance with their school-approved device should speak with a librarian to help diagnose issues or report any technical problems immediately.
