GENERAL EXPECTATIONS AND INFORMATION

The information presented in this handbook is intended to provide students and their parents with an overview of rules/expectations and procedures in effect at Trout Lake High School. This handbook is **not** an exhaustive summary of rules and procedures — students are also affected by classroom rules, staff directives, school district policy, and state law. In addition, school administrators may impose alternate or additional interventions than those listed if, in their professional judgment, the particular circumstances of an incident warrant it. Failure to follow these guidelines and classroom expectations will result in progressive corrective actions. Students are expected to familiarize themselves with the contents of this book, and school and classroom rules.

Excused and Unexcused Absences, Policy and Procedures 3122

Attendance Process

Excused Absences

Purpose: Reduce Chronic Absenteeism (18 absences or more in a school year)

1. **Prior to Absence OR Within 24 Hours**—Parent calls or sends note with student on return stating reason for absence.
2. **3 Days+ Planned Absences**--*Pre-Arranged Excused Non-Conforming Absence --Wavier Request Form Required (*Form must be completed by all teachers, all signatures gained prior to absence, completed form turned into attendance office prior to absence.*)
3. **5 Days Excused Throughout Year** — Attendance Success Plan/Student Sets Goals for Attendance, Student Meets with Administrator or Designee
4. **10+ Days Excused Throughout Year**— Attendance Improvement Intervention Agreement— Medical 3rd Party Professional Required to Excuse
5. **18+ Days Throughout Year**— Warns Assessment—Voluntary; Review for Potential Loss of Credit; Take to Community Education Board

*Pre-Arranged Excused Non-Conforming Absences require that student is earning C- or better in all classes and the planned absence does not put student at risk for total number of days absent in one school year requiring steps 4 -5 above to be initiated.

Unexcused Absences

Purpose: Academic Support and Student Safety—Ensuring that parent/guardian knows about and approves student absence by having excused the student's absence in a timely manner, 24 hours as stated in TLS Student Handbook, page 7.

1. Day of Absence—Office calls home
2. Student Returns—Reminder note delivered to student, please have parent call
3. Remains Unexcused—Letter w/Attendance Information, Detention or Additional Learning Time Assigned, Progressive Corrective Actions
 - ⇒ **3 Days in One Month Unexcused** —
 1. Skyward 1st Intervention Letter;
 2. Parent/Admin/Student Meeting (may be speaker phone meeting),
 3. Academic Review
 - ⇒ **5 Days Unexcused Throughout School Year** —
 1. Skyward 2nd Intervention Letter;
 2. Parent/Admin/Student Meeting (in person @ office),
 3. Academic/Behavior Review,
 4. Introduce Community Education Board, Set Meeting Date
 5. WARNS assessment—Voluntary, File BECCA with Petition Stay
 6. Community Education Board Meeting—CEB Agreement for Improving Attendance
 - ⇒ **10+ Days Unexcused Throughout School Year** —
 1. Skyward 3rd Intervention Letter;
 2. Parent/Admin/Student/(Possibly Counselor and Teachers) Meeting (in person @ Meeting Room)
 3. Review of CEB Agreement
 - If following, Continue to Monitor;
 - If NOT following, Remove Stay of Petition, Activate BECCA

Tardy or Late to Class

Students must check in/sign in through the office and take a note to their teacher when arriving tardy or late to class for any reason. *Teacher may have marked a student absent within attendance already, going through the office will correctly code as a “tardy” to prevent unexcused absences.* Progressive corrective actions may be taken to support students arriving to class on-time, prior to the second class bell ringing.

Arriving During the School Day or Signing Out Early

All students arriving after 8:19 or leaving prior to 3:05 must have parent permission and sign in/out through the office.

Academic Dishonesty and Inappropriate Use of AI

Academic dishonesty is as unacceptable as any other dishonest act. Cheating on assignments or tests is unacceptable at TLS, and will result in intervention outcomes.

Any time you turn in work that is not your own effort, or use a cheating device on an assignment or test, you are being academically dishonest. Even when you are asked to collaborate or work in a group with other students, you are expected to turn in your own work.

The consequences of academic dishonesty in some cases can be far reaching including impact on standing in National Honor Society, or loss of credit or scholarships at the college level. Beginning August 27, 2025, students who are found by administration to be academically dishonest on a test or major project will not be eligible to be valedictorian or salutatorian, or receive top ten academic honors. Any violations in prior school years do not disqualify students.

Cheating includes, but is not limited to: wandering eyes, crib sheets, copying assignments, collaborating on assignments without teacher directive, sharing notes, plagiarism, and benefitting from test answers, questions, or information not authorized by the teacher. Students who assist others in academic dishonesty may also be held accountable for cheating.

Plagiarism is taking the ideas or written words from another source (including the Internet) and claiming them as your own work. If you use the words or ideas of another person, they deserve credit by using quotation marks and listing the source. If you paraphrase ideas, the source deserves credit in the form of a citation.

This policy also applies to the use of Artificial Intelligence (AI) tools. Inappropriate use of AI includes submitting work generated wholly or substantially by AI (such as essays, problem-solving, or creative writing) without teacher permission or proper acknowledgment. Students must not present AI-generated content as their own original work. If AI is used as a tool for learning or brainstorming, students must follow teacher guidelines and cite the use of AI appropriately. Failure to do so is considered academic dishonesty.

All instances of cheating must be entered into guidance and reported to administration for tracking. Outcomes for cheating shall be cumulative based on all cheating violations recorded while the student is enrolled at Trout Lake High School. College in the High School classes must follow CWU guidelines.

Cheating on assignments will result in an alternate class task and parent notification; it may result in the student receiving a “zero” for that assignment and/or other outcomes based on the teacher’s published policy.

Cheating on a major test or project will result in a failing grade on the test or assignment. If the incident represents the first time the student has cheated on a test or project, a formal meeting is held for the purpose of developing a behavior plan to ensure that the behavior will not be repeated. In addition, the student will receive the following consequence:

In cases where cumulative violations include cheating on both assignments and tests/projects so that the offense may fit into more than one category, the greater consequence will be applied. (i.e. if a student cheats on a test or project for the first time, but he/she has three other instances of cheating on assignments, the consequence in addition to removal from the class with a failing grade would be 5 days off-campus suspension.)

Accidents

Please be cautious on campus and try to avoid accidents or injuries. Any accident or injury should be reported to a teacher or the office immediately. If you need minor first aid, go to the office.

Admits to Class / Excused Absences

An admit slip is required to return to school after any absence or late arrival. Please go to the office for assistance. All absences must be excused within 24 hours as stated in the District Policy. Absences may be excused 24/7 by calling (509)395-2571. Please refer to the attendance section of the District Board Policy and Procedures 3121, 3122, and 3124 for more information.

Announcements

The daily bulletin is posted daily in each classroom and on the school website. The bulletin will contain important information about our school and events, please make time within your day to read it.

If you have an announcement for a club or organization, the advisor may send an email to the Jennifer Keller by 2:00 p.m. to be included in the bulletin the next day.

Assemblies

Classes will sit in designated seating areas during assemblies. Usual school rules apply during assemblies — show respect for speakers, peers, and staff by your behaviors.

- Unless asked to stand, please remain seated. No hats are to be worn during special assemblies (for example Veterans Day, MLK).
- During the flag presentation, you may choose to stand and participate or sit and maintain a respectful silence.
- Please act appropriately — no disruption or disrespect.

Assemblies create school spirit, develop leadership and talent, and are a celebration of the student body community. Student conduct is of the greatest importance in our assemblies.

Associated Student Body

The Trout Lake School ASB is **your** student government that organizes student leadership activities, establishes lines of communication between schools in the league, promotes good sportsmanship, conducts student fundraising, sponsors clubs and activities, and encourages students to participate in school activities.

ASB Cards & Sports Activity Fee

You may purchase an ASB card from the financial office for \$45. TLS sports activity fee is \$45 per sport. You must have an ASB card to participate in school sports and ASB clubs. The ASB card gives you:

- Reduced admission on some away games
- Reduced price on most home dances

Attendance Office

The attendance office is open from 7:45 a.m. until 3:30 p.m. If you have been absent or need to leave school (including Running Start and Work Experience) during the school day, you must report to the attendance office. All absences must be excused within 24 hours.

Absences may be excused 24/7 by calling our direct attendance line, (509) 395-2571. Please refer to the attendance section of the District Board Policy and Procedures 3121, 3122, and 3124 for more information.

Before/After School Activities

Many clubs and organizations meet before or after school. If you are involved in a before/after-school activity, you must have adult supervision or the activity will be cancelled. If you are not involved in an approved before/after-school activity, you should not arrive before 8:00 and be off campus by 3:15 unless you have permission of a teacher or administrator.

Cell Phones & Electronic Devices

Use of cell phones and electronic devices is allowed **ONLY**:

- Prior to 8:19 AM (first bell),
- During passing times, however, use of it must not cause student to be tardy to class; the device must be silenced and put away (backpack, pocket, or binder) **prior to entering** classrooms.
- During the student's own designated lunch in designated areas, and
- After 3:05 PM*.
- During designated allowable times, students *will wear one ear bud or one head phone only to ensure that students can hear surrounding noise, in the case of an emergency.*
- WiFi speakers and external speakers are not allowed at any time.

Students are required to silence cell phones and other electronic devices and keep them put away (backpack, pocket, or binder), during class times unless audible verbal permission has been received by a teacher and/or administrator for a legitimate educational purpose that supports curriculum and instruction.

Devices that are audible or in use at other times will be held by the teacher or an administrator. Students are required to comply with a reasonable directive to turn their device over to the teacher or adult supervising. Continued violations will result in a parent conference and an academic/behavior agreement.

The School District and its employees are not responsible for lost, stolen, or damaged electronic devices. (**Advisors and coaches supervising after school/off campus activities may impose their own restrictions pertaining to cellular phone use during those activities*)

Students are responsible for good behavior while using electronic devices on school grounds and at school events. Please "Do What is Right!" The following strictly prohibited uses will result in corrective action and possible loss of electronic device privileges, and/or police referral:

- Leaving devices powered on in the classroom
- Cheating or enabling others to do so
- Sending or displaying offensive messages or obscene language
- Harassment, Intimidation, Bullying, or forwarding messages or images that have that effect.
- Downloading, creating, storing, or forwarding illegal,

hateful, threatening, or obscene content

- Downloading, creating, storing, or forwarding images or content which have the effect of demeaning or embarrassing others
- Vandalism
- Violating copyright laws
- Plagiarism
- Creating, storing, or forwarding content that may compromise the privacy, safety, or security of others.

Students are expected to follow all classroom/teacher guidelines regarding the use of technology, which may include placing devices in a designated "parking lot" or other location during instruction, assessment, or collaborative work. **If the situation warrants and with teacher permission, students may use the land-line phone in the main office or the classroom to contact parents. Parents may also leave messages for their students with the main office to be delivered at the end of the class period. Emergency messages will be delivered immediately.**

Class Changes

The master schedule at Trout Lake School is developed from the course selections made by students when they register. It is important that you and your parents choose classes carefully and meet registration timelines.

If you are dissatisfied with the schedule you receive, it **may** be possible to make changes *if* you follow this procedure within the first four (4) days of the semester:

1. You **must** attend the class until the official class change is complete.
2. You must sign up in the counseling office. You will be called from class when the counselor is ready to see you.
3. Counselor and administrator will make changes **provided there is space in the class the student wishes to add.**
4. Class changes are made for academic purposes only, not to resolve personality conflicts.
5. Textbooks and classroom materials must be returned to the original teacher prior to attending the new class.
6. Some class changes require permission of the teacher or an administrator. In some cases, lack of permission may prevent your request.
7. Students must be registered for required courses.

Students who have a shortened schedule for various reasons (e.g. Running Start, Work Experience), you must let the office know where you are when remaining on campus. Typically, students should be working in the Library.

This is for your safety in an emergency situation—we would not know to look for you because you are not on a teacher's roster during your non-class times.

Classroom and School Expectations

Your behavior at school reflects your attitude about learning — let your classroom behavior reflect your Mustang Pride and the value of education! Your success (here and beyond) and the success of others depends on maintaining an environment that supports learning.

These expectations help ensure the success of all TLS students:

- Treat everybody with the respect you would appreciate.
- Be in class on time with the needed materials.

- Display appropriate, workplace-like behaviors that show respect for school and learning.
- Demonstrate respect for teachers and peers by not talking during classroom presentations.
- Avoid the use of profanity that may offend others.
- Do not engage in disruptive behavior nor encourage it by accepting it.
- Avoid making noise in hallways during class time — please stay out of the elementary hallway during first lunch.
- Show respect by following individual classroom rules and directives.
- Pay attention! You are responsible for all material presented.
- Do NOT sit on both sides of the hallways with your friends. It makes it difficult for others to pass.

Clubs/Activities—Academic Requirements

Trout Lake School puts a high value on academics for our students. Students must be passing a minimum of five classes in order to be eligible to participate in fieldtrips related to Clubs/Activities. If a student is failing a class, but still passing the minimum of five classes, (s)he will be required to meet with the respective teacher and establish whether a plan for grade improvement prior to the scheduled event is appropriate, which may include attending After School Program. (This expectation aligns with our Student Athlete rules for participation.)

Confiscated Items

Students are directed by district policy to bring only school-related items onto campus. If students are in possession of items which are prohibited, illegal, disruptive, distracting, or otherwise inappropriate, the items may be confiscated by any teacher or administrator. Confiscated items are normally held by the principal and may be released to the parent. Trout Lake School will not be responsible for school-inappropriate items which have been confiscated.

Common Courtesy /Respect for Others

The students at Trout Lake School represent a variety of ethnicities, backgrounds, lifestyles, and personal challenges. TLS students are expected to treat each other with courtesy and respect in both language and action. Terms which demean others such as “gay” and “retarded”, even when not directed at a specific individual, are harmful to the learning environment and thus are not appropriate in a public school setting. Students who treat others in a rude, disrespectful or discourteous manner may be disciplined.

Counseling Office

Heather McClure, Counselor is available to help you with choosing classes, applying to colleges and universities, applying for scholarships, and for helping you with personal problems.

Counselor’s office hours are 8:19-3:05 and by appointment. Please try to sign up for appointments before school or during lunch—counselor will then call you out of class when she is ready to see you. If your teacher feels that your situation is so urgent that it warrants immediate attention, you must have written permission from that teacher when you arrive. Counselor will notify your teacher if she needs to have you miss class.

Dances and Expectations

School dances are open to students, alumni, and visitors who meet the requirements below and who choose to follow TLS behavior expectations. These expectations will help us maintain a fun, healthy environment for everybody.

1. **NOTICE:** Students may be asked to submit to an alcohol breath test before entering the dance area.
2. Current Trout Lake School students will be admitted if they have school-issued ID or are recognized as a current student by the person in charge. Students on suspension, including in-house suspension, may not attend dances. Students must attend school on the day of or just prior to the dance.
3. Guests may attend dances if:
 - They are in the company of, and enter with a current TLS student;
 - They are in high school and/or are under the age of 21;

7. Violation of dance rules may result in students being asked to leave and possible school discipline including suspension.

Dances: High School Prom Guests

Students wishing to invite non-TLS students to the formal high school prom must submit a guest form the same as any other dance. The guest form must be complete, including required signatures, and submitted for approval by the stated deadline. If approved, both the TLS student and guest should be prepared to submit to a breath alcohol test prior to admission to the dance. No person possessing alcohol/marijuana or under the influence of alcohol/marijuana will be allowed to enter, and standard school sanctions will apply. T L S host students are responsible for the behavior of their guests.

Detention

Detention is used as an intervention for minor infractions such as failure to follow directions, non-suit for PE, disrespectful behavior, tardies, not having required materials, PDA, horseplay, dress code violations, etc. It is assigned as additional learning time. Detention is held from 3:08-4:00. You must arrive on time, bring homework or school-related reading with you and be prepared to work silently or read for the entire time.

Detentions may be re-scheduled once per incident. To reschedule, the student must have a parent note or phone call

to the office prior to 1:00 PM on the day of the scheduled detention. In the event a student is absent on the day of a scheduled detention, the detention will be automatically rescheduled for the next available day. Failure to show up for detention or violation of detention expectations will result in progressive corrective actions.

Discrimination

The Trout Lake School District subscribes to equal educational and employment opportunity for all persons regardless of sex. You are guaranteed equal treatment in school functions whether you are male or female. Students have the right of equal access regardless of gender, including but not limited to: counseling and guidance services, access to courses and activities, athletics, and in textbooks and instructional materials used.

Discrimination is the unfair or unequal treatment of a person or a group because they are part of a defined group, known as a protected class. Discrimination can occur when a person is treated differently, or denied access to programs, services or activities because they are part of a protected class. Discrimination can also occur when a school or school district fails to accommodate a student or employee's disability. Harassment (based on protected class) and sexual harassment can be forms of discrimination when it creates a hostile environment.

A protected class is a group of people who share common characteristics and are protected from discrimination and harassment by federal and state laws. Protected classes defined by Washington State Law include: Sex, Race/Color, Creed/Religion, National origin, Disability or the use of a trained dog guide or service animal, Sexual orientation, Gender expression or identity, Honorably discharged veteran or military status.

Discrimination Grievances

If you feel discriminated against because of discrimination, you have the right to file a grievance under the regulations of Title IX which guarantees equal treatment of males and females. Inquiries concerning perceived or alleged violations of this policy should be directed to:

Jerry Lewis, Title IX Compliance Officer
Trout Lake School District, PO Box 488, Trout Lake, WA 98650.

Below is a summary of the grievance procedure. Please take time to read the complete document.

- 1 Discuss the complaint with the teacher, coach, or staff member involved.
- 2 File a written complaint. Within five school days, the compliance officer will render a decision in writing.
- 3 If not resolved, the complainant has five school days to appeal to the principal. The principal will render a decision within ten school days.
- 4 If not resolved, the complainant has ten school days to appeal to the superintendent. The superintendent will render a decision within thirty calendar days.

days and render a written decision within ten days of the hearing.

- 6 If not resolved, the complainant may appeal in writing to the Superintendent of Public Instruction within ten days of receiving the board's decision.

Dress Code

The primary responsibility for a student's attire resides with the student and parents or guardians. Early Dismissal and Late Arrival

If you have early dismissal or late arrival, you may only be on campus 10 minutes before or 10 minutes after your classes. Exceptions must be cleared in writing by an administrator, and will permit you to be in the library only — not in the hallways or commons. Please sign in through the attendance office. Failure to meet any of these exceptions will result in early dismissal or late arrival privilege being revoked.

Earthquake Drills-SHELTER

In an earthquake, **Drop, Cover, and Hold!**

We live in a seismic area with a history of large earthquakes. Most people are injured during earthquakes from falling objects. To protect yourself, move away from windows, position yourself by inside walls, in a doorway, and away from tall furniture. Do not go outside. Protect your head with your arms and stay down until instructed by staff member to move.

If the building needs to be evacuated, you will go with a staff member to the designated area and attendance will be taken.

Emancipated Students

You may be considered emancipated if you are 16 years or older and a petition for emancipation has been granted by the superior court (RCW 13.64). A photocopy of the certified copy of the decree must be provided to the principal.

Emergency School Closure

School may be closed or schedules changed on an emergency basis due to inclement weather, adverse road conditions, or other unforeseen situations. School closure and late-start information will be broadcast on radio/tv stations, as well as online through K-12 Alerts.

An autocall, including email, will be sent to our families. Please ensure that your contact information is available and accurate. If a closure is not announced, students and parents should assume normal school hours.

Expectation to Identify Oneself

If requested to do so by any employee or community volunteer of the Trout Lake School District, students will readily provide their true name, school affiliation, and/or school ID. Refusal to identify oneself will result in suspension.

Field Trips

You must have a permission slip signed by your parent or guardian to participate in any off-campus field trip. Permission slips are due 48 hours before the field trip. If you return from a field trip early, you are expected to go directly to class. Your participation in activities may be restricted if you are failing a class or if you are on an attendance agreement.

Fights and Assault Incidents

Fighting is defined as any physical act in anger. Threats, when accompanied by physical intimidation may be treated as fighting.

Fighting, sparring, and other assaultive behaviors are unacceptable, major violations that will result in an immediate consequence of suspension for all participants, regardless who started the incident. Police will be called in most situations for possible judicial action. Students who watch, promote, incite, or participate in inciting a fight through words, gestures, or messages, who refuse to leave the area, or who make no attempt to summon help may also receive discipline.

Posting or distributing images, video or audio for public view of any fight at school is prohibited and will be considered the same as promoting a fight.

Fire Drills--EVACUATE

Fire Drills are held on a regular basis. To acquaint you with the routine of evacuation, each of your teachers will develop and display primary and secondary evacuation routes. Do NOT exit the building until directed to do so by your teacher and an announcement. Stay clear of the building and parking lots where emergency vehicles may be entering/exiting. Students will report with their current teacher for attendance in the event of a fire drill or an event requiring the building be evacuated.

Food, Drink, and Gum

Each person at Trout Lake School is expected to do their best to preserve the cleanliness of our school. Teachers, at their discretion and based on their own individual policies, may choose to offer students **the privilege** of allowing food and beverages in their classrooms. Teachers choosing to allow this are expected to ensure that all spills are thoroughly cleaned and food packaging and debris are removed from their room so that the privilege does not result in additional work for custodial staff.

Food and drink should not be consumed near computers or other electronic equipment. Lunch trays, salad bowls, cups, and silverware from the cafeteria may **not** be taken out of the building. Students are responsible for ensuring that all cafeteria dishes and silverware are returned to the MPR before the end of their lunch period. If you plan to eat outside, please inform the cafeteria staff in advance—they will provide your lunch in a container other than the lunch trays.

Chewing gum is a normal, everyday, good hygiene activity; however, the mess on the sidewalks, steps, and under desks/tables does not represent you and TLS well. Please help us show our pride by disposing of your gum properly in the trashcans. We need your help with this!

Graphic Content and Hate Symbols

As part of a safe and orderly school climate, it is prohibited to wear or display on the person or vehicle any item or symbol which has been identified to promote gang activity or affiliation with any hate group. Such items include, but are not limited to swastikas, confederate flags, tag-style lettering or graffiti, etc. Because such symbolism is constantly changing, it should be understood that the list of prohibited items and symbols may be expanded or changed by school officials as needed to maintain a safe and orderly environment. The violation, if severe, may result in immediate suspension or expulsion on the first offense.

Harassment, Intimidation, and Bullying

In order to create and maintain a safe, civil, respectful, and inclusive learning community, harassment, intimidation, and bullying are prohibited at Trout Lake High School.

Prohibited harassment, intimidation, or bullying:

- Is an intentional written, verbal, or physical act;
- Has the effect of substantially interfering with a student’s education; or
- Is so severe, persistent, or pervasive that it creates an intimidating or threatening educational environment; or
- Has the effect of substantially disrupting the orderly operation of the school.

Harassment, intimidation, or bullying can take many forms including: slurs, rumors, jokes, innuendoes, demeaning comments, drawings, cartoons, pranks, gestures, physical attacks, threats, or other written, oral, or physical actions. These behaviors will not be tolerated at TLS! Many behaviors that do not rise to the level of harassment or intimidation are prohibited by other district policies, and school, classroom, or program rules.

When harassment is reported, statements will be taken from the victim and any witnesses using the district-approved HIB investigation forms. Students found to have violated the HIB policy for the first time will be warned and will be issued an HIB behavior expectation contract. Further instances of harassment will result in suspension or expulsion.

Harassment, Threats to the Health or Safety of Others, and Social Media

A safe and orderly learning environment is a priority of the Trout Lake School District. For that reason, any intentional verbal, written, or physical act which could reasonably pose a threat to the health or safety of self or others is strictly prohibited.

RCW 9.1.260 states that a person is guilty of the crime of Cyberstalking if he or she, with intent to harass, intimidate, torment, or embarrass any other person makes an electronic communication to such other person or a third party:

- Using any lewd, lascivious, indecent, or obscene words, images, or language, or suggesting the commission of any lewd or lascivious act;
- Anonymously or repeatedly whether or not conversation occurs; or
- Threatening to inflict injury on the person or property of the person called or any member of his or her family or household.

Students who violate school policy, harass others, or make threats of violence or harm toward other students or staff of the Trout Lake School District via electronic messaging or social networking, even if posted and read outside the school setting, may be considered in violation of this school policy if:

- ♦ The act causes, or can be reasonably predicted to cause, a substantial disruption to the educational process at school or at a school-related activity; or
- ♦ The act has the effect of substantially interfering with a student’s education or an employee’s job performance; or
- ♦ The act is directly related to and/or is in response to a situation that occurred while on school grounds or at a school-related activity; or
- ♦ There is reason to believe that the threat may be carried out on school grounds or a school-related activity.

Harassment and threats to the health or safety of others will result in discipline according to building-level progressive discipline policy.

Health and Safety of Others, Fragrance and Aerosol Sprays

Due to health conditions of other students, we require that all students **do not use** aerosol cans or sprays in any of our buildings, including hallways and locker rooms.

Honor Roll

As a condition to use the Mustang network, you must have a signed **Trout Lake School District Device & Digital Citizenship Agreement Form** on file and use a school-issued device. Please remember that your use of the Mustang network is monitored; but more importantly, we ask you to be personally responsible.

- * School-related uses only
- * No teacher, no internet
- * No sexually explicit content
- * No drugs or alcohol-related information (except for class assignments approved by the teacher)

Horseplay and Aggressive Horseplay

To ensure the safety of all students, horseplay and aggressive horseplay are prohibited on school grounds and at school activities except when specifically permitted under controlled conditions for competitions, sports, or physical education. Horseplay includes, but is not limited to, intimidating action to cause “flinching”, pushing, tripping, water fights, keep-away (grabbing a possession of another student and not giving it back), throwing things at others, chasing or running in the halls, tag or any action which could potentially cause injury. Horseplay may result in detention.

Repeated violations result in progressive corrective actions.

Aggressive horseplay includes such aggressive actions as hitting, kicking, choking, wrestling, arm or head locks, etc. Because of the high potential for injury, the consequence for a first offense of aggressive horseplay may be suspension. Repeated instances of aggressive horseplay will result in greater consequences.

If you need to take medication during school hours, it must be held and given by office staff. Parents/Guardians may administer medication directly by bringing it into the office and the student takes it in the adults' presence.

All prescription medications require a doctor's authorization to administer the medication. Your parent must come to the office and complete a form to authorize prescription medication at school. The student's doctor must also complete the paperwork and a healthcare plan is created by our nurse. Students who use asthma inhalers or epi-pens for severe allergies should see the nurse and arrange to have a spare inhaler or epi-pen kept at the school.

Messages for Students

Class time is learning time, and we strive to minimize disruptions. The office will take messages for student and deliver those messages to teachers near the end of each hour. The classroom teacher will give the message to the student. Only emergency messages will be delivered to students immediately.

Public Display of Affection

The behavior standard for TLS is "**workplace behavior.**" While on campus, public displays of affection (PDA) and overt affection is not an acceptable behavior. Inappropriate behaviors include grabbing, fondling, kissing, sitting on laps, and continuous holding or hugging. Students will be privately counselled for the first infraction of this rule. If you engage in repeated PDA or overt affection, you will be referred to the office for appropriate action, including parent contact.

Racial harassment will not be tolerated at Trout Lake School, on school-provided transportation, or at any official school bus stop, activity, program, event, internship, or trip sponsored by the school.

ASB meetings are once a month during class and club meeting day or at a designated time planned by the individual club (before/after school or lunch).

Search of Students and Possessions

In our efforts to maintain a safe school environment, students may be subject to search for violations of school policy. RCW 28A.600.230 provides that a school administrator may search a student, the student's possessions, and the student's locker, if he/she has reasonable grounds to suspect that the search may yield evidence of the student's violation of the law or school rules. This includes, but is not limited to purses, backpacks, cell phones, and vehicles parked on school property. Students may also be asked to submit to a breath alcohol or rapid eye test; this may include prior to admittance to TLS dances or at other school functions. All students should be aware that drug dogs may be invited onto school property at any time.

Security

Security is a priority at Trout Lake High School. Hallways and other areas are monitored by a series of security cameras located throughout the building. The building is open from 8:00 a.m. to 3:15 p.m. Monday through Friday during the school year. You should be off campus at 3:15 unless you are participating in an after-school activity with staff supervision.

Sexual Harassment

Sexual harassment is a form of prohibited sex discrimination. Under WAC 392-190-056, sexual harassment is unwelcome conduct or communication that is sexual in nature and:

1. Submission to that conduct or communication is made a term or condition (explicitly or implicitly) of obtaining an education or employment or is used as a factor in decisions affecting that person's education or employment (quid pro quo); or
2. That conduct or communication has the purpose or effect of substantially interfering with an individual's educational or work performance, or of creating an intimidating, hostile, or offensive educational or work environment (hostile environment).

Sexual harassment can take different forms depending on the harasser and the nature of the harassment. The conduct can be carried out by school employees, students, and non-employee third parties, such as a visiting speaker. Both males and females can be targets of sexual harassment, and the harasser and the target can be of the same sex.

Sexual harassment can occur in any school program or activity and can take place in school facilities, on a school bus, or at off-campus locations, such as a school-sponsored field trip or training program at another location. The conduct can be verbal, nonverbal, or physical and can include, but is not limited to:

- Making sexual propositions or pressuring a person for sexual favors.
- Touching of a sexual nature.
- Writing graffiti of a sexual nature.
- Displaying or distributing sexually explicit drawings, pictures, or written materials.
- Circulating or showing e-mails or web sites of a sexual nature.
- Making sexual jokes, suggestive remarks, sexual rumors, or derogatory comments.
- Physical interference with movements, such as blocking or following someone
- Acts of physical violence, including rape, sexual assault, sexual battery, and sexual coercion.

If you are being sexually harassed, you may file a complaint with Jerry Lewis, Title IX Compliance Officer, j.lewis@tlschool.net. All complaints and allegations will be investigated and a finding made within five school days.

Spitting

The act of spitting saliva upon school property (floors, walls, seats, etc) creates both an offensive environment and a health and safety concern. Students are expected to properly dispose of all body fluids. Violators may receive detention and/or campus service for any mess created. Repeated incidences will result in more severe outcomes.

Sportsmanship

Mustangs are proud of our athletes and teams, and we show respect for them and visiting athletes by promoting good sportsmanship. We have a tradition of modeling good sportsmanship that we ask you to uphold. Please follow these guidelines for positive sportsmanship:

Consider the visiting team, fans, and officials as **guests** of TLS and treat them as such.

- Respect the rights of all spectators.
- Show respect for officials by accepting their calls and decisions as final
- Support your team and cheerleaders with enthusiasm!
- Consider it a privilege and duty to encourage everyone to embody the spirit of fair play and sportsmanship.
- Be modest in victory and gracious in defeat.

- Display appropriate respect to the flag, during the national anthem, and at associated ceremonies.
- Please refrain from these **unsportsmanlike** behaviors that don't reflect Mustang spirit and pride:
- Booing or jeering officials or players at any time.

- Participating in derogatory chants or cheers.

- Criticizing players or coaches

Student Identification

All students attending Trout Lake School and after-school or athletic events are required to have a school-issued picture identification.

Student Lounge and Activities

The Student Lounge is a shared space designed to support student connection, relaxation, and academic focus. When used respectfully, it provides a positive environment for students to recharge, socialize, or quietly study.

To ensure this space benefits everyone:

- **Designated Lounge Activity Times:** The lounge is open for socializing and student-led activities **before school, after school, and during first lunch**. During these times, students may gather, talk, and enjoy the space together while keeping noise levels respectful of nearby classrooms and offices.
- **Quiet Study Expectations:** At all other times, the lounge serves as a **quiet study area** to support student focus and productivity. **Cell phones are not allowed** during these times to minimize distractions.
- **Respect for Others:** Students are expected to be **mindful of noise volume** and considerate of others using the space and those working nearby throughout the day.

By following these expectations, students help maintain a supportive and welcoming environment for all.

Tardiness (Late to Class)

Developing the habit of being on time is an important workplace skill that should be practiced at school. Tardiness is considered misbehavior and will be addressed by teachers and administrators. Repeated tardiness will result in detention. If you are tardy to any class, you must sign in through the office.

Telephone Use

If the situation warrants and with teacher permission, students may use the **land-line phone** in the main office or the classroom to contact parents. Calls should be made during class breaks, lunch periods, and before or after school. Parents may also leave messages for their students with the main office to be delivered at the end of the class period. Emergency messages will be delivered immediately.

Theft and Vandalism

Approximately 97% of our population falls victim to theft and vandalism by the other 3%. The best way to avoid being a victim is to set a mood that theft and vandalism will not be tolerated. Be a vocal majority — if you are aware of a theft, report it! Protect yourself by not leaving important items or valuables unattended and just a reminder.

For the purposes of this handbook, “theft” includes, but is not limited to, the taking of any item from a student or staff member without their consent, knowingly possessing stolen property, or knowingly benefiting from something stolen by another person. Vandalism may include damage to school property that results from horseplay or other negligence.

Verbal Abuse

Verbal abuse is profanity or very rude words or gestures **directed at another person**. Verbal abuse, even in jest, is inappropriate at TLS and may result in corrective actions.

Visitors

No student visitors will be allowed during the school day. Adult visitors wishing to observe classes or consult with teachers must seek approval from the principal, who will make arrangements with the teacher for an appropriate time for the visitation.

Weapons—Zero Tolerance

Weapons, objects that could potentially be used as weapons, and dangerous weapons as defined by RCW 9.41.250 and 9.41.280 are strictly prohibited on school grounds and at all school-related functions. Possession of a weapon will result in school-based threat assessment, parent conference, and suspension or expulsion. Police may be involved.
