Kindergarten students and parents will get to meet their teachers, the Principal, and Assistant Principal as well as see their classrooms for the upcoming 2025–2026 school year! Each student will also get the opportunity to take a short ride on a school bus. We ask that due to occupancy constraints on buses, only one parent/guardian joins each student on the bus for the ride.

We will also have a few of our staff members here to answer questions and help families navigate getting our future bears ready for the super exciting adventure of Kindergarten. We can't wait to meet you all!

This year we will also be holding a book fair after each session of the Kindergarten orientation in our library! Feel free to stop by after your session to shop for some books for your bear cub. Please note that for the book fair we are only able to accept CARD payments, NO CASH.
