

Subject: Western School District is introducing a new way to stay connected

Dear Western School District families,

We're excited to share that we will again this year be using the communication platform called **ParentSquare** to help us keep you better informed and more connected with your school community.

With ParentSquare, you'll receive school and classroom messages in one place and be translated into your preferred language—whether by email, text, app, or web. You'll also be able to:

- Stay up to date on news and events
- Send and receive messages with teachers and staff
- Receive schedules, reports cards, etc.

To get the most out of ParentSquare, we encourage you to download the free mobile app, available for iOS and Android or access ParentSquare from your web browser at www.parentsquare.com.
