

NORTHSIDE
SUN PRAIRIE AREA SCHOOL DISTRICT
NORTHSIDE ELEMENTARY

At Northside we live out our district mission to inspire and prepare every child, every day. We believe that our community and students thrive through strong and trusting partnerships throughout our community. We strive to provide every child with meaningful and engaging experiences, creating the foundation for successful and happy kids!

Home of the Nighthawks

POINTS OF PRIDE

1. Northside Elementary is committed to developing authentic, trusting relationships that affirm and validate students, families, and stakeholders to support social-emotional well-being. We continuously strive toward creating an anti-bias, anti-racist learning community that ensures all scholars and staff achieve high levels of learning.
2. Every month, we celebrate the stories of different parts of our school population in order to give our scholars opportunities to learn about the beautiful diversity in our community.
3. Our scholars learn **The Nighthawk Way**, which encompasses habits of being a community builder (kindness, integrity, problem-solving) and scholar (being prepared, setting goals, perseverance, producing quality work, collaboration). We teach our Nighthawks to apply these habits to all contexts of their life at school and the greater Sun Prairie community.
4. We are a community school that offers access to resources and programming that support the needs of our Northside families.
5. All of our scholars get the opportunity to be part of our school announcements called Nellie's Network. We create recorded announcements for Monday through Thursday and then we run the programming live on Fridays. Families can track what's happening on Nellie's Network via our school Facebook page.
6. Scholars have the opportunity to participate in clubs that spark their interest - Poetics, Nellie's Network News Crew, Comics, Fiber Arts, Band, Math 24, Kindness Council, etc.
7. Our Rainbow Garden is a point of pride for our community and students are active participants in the planting, picking, and consuming process of what that garden yields.

Sun Prairie Area School District

Futures depend on us...every child, every day.

ABOUT US

- The **Sun Prairie Area School District** is known nationally as one of the most innovative and progressive school districts.
- We are led by **dedicated staff who love our children every day** and offer some of the most relevant, engaging, and innovative programming anywhere.
- We **celebrate diversity, support all students** and families, and provide students with opportunities for **academic, emotional, and social growth**.
