

INDIVIDUAL PLANS OF STUDY - FUTURE READY ROADMAPS

August 4, 2025

Individual Plans of Study Future Ready Roadmaps

Scope and Sequence

6th-12th Grade

Build Self-Knowledge

Explore Options

Create a Plan

Learn and Reassess

This guide encourages continuous learning and reassessment, including age-appropriate content with grade-specific lessons. Lessons cover six core themes: *Self-knowledge*, *Learning Pathways*, *Career Exploration*, *Decision Making & Goal Setting*, *Success Skills*, and *Real World Readiness*. Each addresses the academic and real-world skills relevant for grades 6–12 to help make students ready for a constantly changing world.
