Blue Hawk Students and Families:

Welcome to a new school year! Summer is winding down for some of us, as we see staff in our hallways and classrooms and summer projects being finished. We have several new staff members coming aboard this year that we will introduce in time. Once again, all students will still receive free breakfast, lunch, and a snack this year, so you will not have to fill out free and reduced forms. Students will have to pay for extra milk, juice, etc.

As in the past, we will be sending out most information through email and posting more on our website and Facebook page. Check out our school and district website at www.thompsonfalls.net for specific information regarding calendars, supply lists, lunch menus, etc. Please make sure our school secretaries have your updated emails and other contact information!

We invite you all to join us for Open House on Thursday, August 21st from 6:00-8:00 PM to meet your teacher, drop off school supplies, and say hello to friends. Our open house event will start with a brief Title 1 meeting in the K-8 cafeteria for anyone interested in learning more about how that program works. If you wish to simply go meet your teacher(s) that is fine as well.

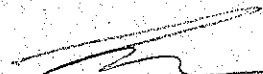

*K-4 students should enter through the front door of the elementary where you will find a map to your classes, along with class lists that will be posted August 21st.

*Students in grades 5-6 should enter the dorm building at the east entrance, near the bus lane. Maps and home room lists will be posted August 21st.

*Junior High students can enter the front or rear of the junior high school. Both doors will be open. Maps and home room lists will be posted August 21st.

We look forward to seeing everyone at Open House and on our first day of school, Monday, August 25th. On that day, we ask that students and families do not enter the building, except for breakfast. Please keep the hallways open as staff make last minute preparations for kids. K-4 teachers will come outside to meet and gather their classes by 8:10 AM near the flag pole, in front of the elementary. 5-6 teachers will meet students outside by the east/bus lane entrance. 7-8 teachers will meet students outside of the north/back entrance.

Enjoy the rest of your summer!

Len Dorscher, K-8 Principal
