Faith of our Fathers

Faith of our Fathers, living still

In spite of dungeon, fire and sword,
Oh, how our hearts beat high with joy
Whene'er we hear that glorious word!

Our Fathers chained in prison dark,
Were still in heart and conscience free
And bless'd would be their children's fate
If we, like them, could die for thee!

Faith of our Fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God,
Mankind shall then indeed be free!
