iPad/Chromebook Agreement

The device is the property of the Lakeview Public Schools for educational purposes & may be accessed or monitored at any time. The student should have no expectation of privacy of materials found on the device. The use of iPads & Chromebooks will fall under the guidelines & policies of the **21st Century Handbook** available online at www.lakeview2167.com under Students & Parents / Handbook & Policies. Lakeview Policy 524 – Technology Acceptable Use – is under District / Policies and Publications. Failure to follow the guidelines & policies will result in a loss of privileges with regard to use of the device.

Use of Google Additional Services – Parental Consent

Lakeview Public Schools uses Google Workspace for Education to support student learning. In addition to core services (such as Gmail, Docs, Classroom, and Drive), Google offers Additional Services (such as YouTube, Maps, Earth, and Translate) that may be used for educational purposes. Google now requires parental consent before students under age 18 can access these Additional Services. By signing this agreement, I give permission for Lakeview Public Schools to allow my student to use Google's Additional Services for school-related activities. I understand that these services are governed by Google's Terms of Service and Privacy Policy and that the school district will monitor and manage student use in accordance with our technology policies. I may request to review the list of services and withdraw consent at any time.

Optional Insurance \$40.00 (iPads in Elementary or Chromebooks Grades 5-12)

Parents can choose to purchase deductible-free insurance that would cover all necessary repairs and/or replacements for the **first incident**. The district would cover burglary/robbery, accidental damage, power surge, vandalism, fire, and natural disasters. After the first claim any additional damages are the responsibility of the family.

NOTE: Insurance offered by Lakeview will be considered void under the following circumstances; the device is not being used or stored in its district issued case, the device is used or stored in a non-district issued case, there is any damage to a district issued case resulting in damage to a device, or any damage was done to the device and it was deemed intentional by the Technology Staff.

Student Handbook

The Elementary & High School Student Handbooks are available online at www.lakeview2167.com under Students & Parents / Handbook & Policies. Please refer to these documents as they are reviewed & updated each year.
