Dr. Angela R. Fulton
Deputy Superintendent

VIA: Dr. Howard Hepburn
Superintendent of Schools

SUBJECT: **STUDENT ACCIDENT INSURANCE**

The learning, development, and safety of our students is a top priority. To support this commitment, we are pleased to offer access to Student Accident Insurance.

This insurance offers comprehensive accident protection—both on and off school grounds. Whether an accident occurs in the classroom, on the playground, during a field trip, or at a school-sponsored event, students are covered. The plans are designed to provide financial assistance with out-of-pocket medical expenses that may result from an accidental bodily injury.

While these plans do not replace primary health insurance, it can serve as a valuable supplement—helping families manage costs such as deductibles, co-pays, and other expenses not covered by their regular insurance.

Postcards are being shipped directly to the Office Manager at your school by the insurance carrier. Please ensure a copy is provided to all students. We encourage families to review the plan details and consider enrolling in this optional coverage.

If you have any questions, please contact **Aston A. Henry, Jr., Director, at 754-321-1900 or aston.henry@browardschools.com.**
