Locker Information

Lockers can be purchased through our Online School payment system by visiting Northview's homepage and clicking on Payments. Lockers are \$15.00 for the year and will be distributed during lunch the first week of school following the schedule below.

Students should use their schedule to locate at least 3 different locker numbers. Please bring locker and hallway numbers to the locker table during lunch on your assigned day along with your online payment receipt.

Lockers will be distributed on Thursday, August 7th during lunch.

Device Distribution

Devices will be distributed to all students on Wednesday, August 6th during their ELA period.

Schedule Change Requests

Counselors are working very hard to process all schedule change requests and register new students. Scheduling Correction Forms will be reviewed in the following order:

- Errors/Missing Periods
- Academic Course Requests
- Elective Course Requests

Once you have filled out the form, please do not fill out another one or email your counselor, as they are working diligently this week to review and process all requests. Please continue to check Infinite Campus to ensure you have the most up-to-date version of your schedule. You are required to follow your schedule in Infinite Campus. Academic requests to move up levels and elective course will be addressed early next week, and we appreciate your patience as we go through this process. As a reminder, we will not change schedules to accommodate teacher, lunch, or class period preferences. Additionally, we can no longer accept any requests for virtual courses.

If you did not have the opportunity to complete a Schedule Change Request form during orientation and need to so, forms will be available in the counseling suite this week. You can come to pick one up during your lunch or if during the class period you have a hole or "see counselor" only.

Mark your calendars!
