

Senior Picture Information

PORTLAND HIGH SCHOOL

CLASS OF 2026

Jostens is the official photographer of Portland High School. Not only does Jostens take our casual underclassmen and faculty headshots, they also take the tux + drape head shots for ALL seniors in the fall. There is no fee for these pictures, however, you may purchase packages directly from Jostens if you wish. Information on how to purchase photo packages will be available on the Portland High School Yearbook Staff's social media pages after photo sessions this fall.

Portland High School does not have a specified photographer for senior photo shoots. If you wish to have a senior photo shoot done, you can schedule one with a photographer of your choosing. If you do not have a local photographer in mind, you can contact one featured on the back for more information.

**EVERY SENIOR MUST TAKE
