Binder and Folder Guidelines for 7th Grade

To help keep lockers organized and functioning properly, **please do not purchase binders larger than 2 inches** or “Trapper Keeper”–style binders. These items are too large for lockers and frequently cause jams.

We will be organizing supplies into **two separate 2-inch binders**—one for **morning (AM) classes** and one for **afternoon (PM) classes**.

Please also note that the school **does not provide a homework folder** for 7th grade students. Families are welcome to purchase a **sturdy folder** for this purpose. We kindly ask that you encourage your child to regularly transfer completed assignments from the homework folder into the appropriate class binder to stay organized.

Thank you for your support in helping students build strong organizational habits. We are looking forward to an exciting and productive 2025-26 school year. We look forward to seeing you in August at the Open House!

Enjoy your summer!!!
