FREQUENTLY ASKED QUESTIONS

For Jefferson High School Students and Parents

1. Why do students need their ID?

Students are required to have their ID with them during school hours to be identified as a Jefferson High School student. Lafayette School Corporation makes every effort to provide a safe learning environment and being able to quickly identify individuals who are not students or staff is essential to school safety. Students need their ID's for the TAC Shop, Book Rental, Guidance, Student Services, Health Center, Library, and Cafeteria. If students are released during the school day they must display their ID to receive their pass and show security as they leave the building and return. If their ID is lost or forgotten they may purchase a replacement ID for \$4.00 in the Main Office. **Students can also download the HERO app on their phone to display their ID.**

2. May students bring their cell phone, other personal electronic device to school?

Students may bring/use electronic communication devices (cell phones and other communication devices) during a student's lunch period, passing periods, before or after school. At all other times between 7:40 a.m. and 2:45 p.m. these devices are to be turned off and placed out of sight when school is in session. During a student's lunch, electronic devices may be used only in the lunch room and the corral area. **Failure to comply with this policy may result in a disciplinary action.** A parent(s)/Guardian(s) allowing students to carry electronic devices to school implies permission to the school to have access to any and all information on the device if confiscated for disciplinary or investigative purposes.

3. Can students charge their personal electronic devices (cell phones, personal computers, etc.) in classrooms?

No. We encourage students to charge all personal devices at home prior to arriving to school.

4. What if a student's cell phone, other electronic device is lost or stolen during school?

Please be aware that the school will not be responsible for lost or stolen electronic or media equipment.

5. What if students are going to be absent for the entire school day?

Parents must notify the Jefferson High School through the attendance line (765-772-4702) on or before the day of the absence. The attendance line is available 24 hours a day, seven days a week and is available in both English and Spanish.

6. What if students need to make a phone call during the school day?

There are many phones that students can use during appropriate times during the school day. Students should not text or call their parents from a personal device during class. Emergency calls should be made through the main office. The staff at Jefferson High School can quickly locate and contact any student during the school day if necessary.

7. Can students leave school during the school day?

Students are not to leave the building unless they have an appointment, an emergency or are sent home by the school. Communication must be received from the parent to the school prior to the student leaving the building. The student **must** pick up an **out-of-school-pass** at the window in Student Services **BEFORE** exiting the building.

8. Can students leave the building during lunch?

No, except for Juniors and Seniors who have earned an Honor's pass. Jefferson High School has a closed campus. Students are to remain in the building during their assigned lunch. They are not to have anyone drop off food for them or have a parent call to give them permission to leave for lunch.

9. What do students do if they arrive to school tardy (under 5 minutes late, 7:40-7:45)

Report to Student Services or the Radio and TV window HERO pass station on the first floor to receive a HERO tardy pass to class. Please note: There are no excused tardies.

10. What do students do if they arrive to school late (over 5 minutes late)?

If students arrive to school after 7:45 they are to report to the Student Services window and pick up a "Late Admit". This admit does not excuse the absence or tardy. If your student was at an appointment, he/she should present the documentation at the Student Services window.

11. What do students do if they have an appointment during the school day or have to miss a partial day?

Parents must contact the school and/or the attendance line prior to a student's departure (preferably 2 hours in advance). 765-772-4700. Students must receive or pick up an out-of-school pass at the Student Services window **BEFORE leaving the building.**

Attendance 2025-2026

ATTENDANCE POLICY

STUDENT ATTENDANCE AND TRUANCY PREVENTION

[ISBA Code: 4320]

It is the policy of the Board that each student enrolled in the Lafayette School Corporation shall attend school on all days scheduled, and that good attendance by students is necessary in order to ensure that a student receives the maximum benefits to be realized from his/her education.

The Board believes that parents or guardians are ultimately responsible for attendance of their children in school. While correction of absenteeism and/or tardiness problems is the responsibility of the parents or legal guardian, the school shall assist in the solution of these problems by taking steps as set forth in the student handbook.

Promptness and dependability are important values in our society and it is appropriate that they be stressed in school. All students are expected to attend school regularly and to be on time for classes in order to receive maximum benefit from the instructional program and to develop habits of punctuality, self-discipline, and responsibility.

Some Truths about School Attendance

1. Regular school attendance is a valuable characteristic.
2. There are legitimate reasons for students to miss school.
3. When a student is not in attendance, school does go on.
4. It is legitimate and proper for the school to set time limits of controllable absences from school beyond which students and their parents will be referred to an Attendance Review Committee.

Attendance Limits:

If a student accumulates ten unexcused days (40 classes) of absence from school during a **semester**, the student and a parent will be referred to the Attendance Officer or designee for appropriate action. Absences due to a disciplinary suspension will **not** count toward the **ten-day (40 class) limit**.

Absences are classified into two classes: Excused and Unexcused.

EXCUSED ABSENCES: - the following absences are excused and do not count toward the ten-day limit:

Exempt – Student is counted as present and not penalized:

- Service as a page in the Indiana Legislature (written documentation must be provided)
- Serving as a poll worker on election day or helper to a political party or candidate (written documentation must be provided)
- Active duty with the Indiana National Guard, the United States Armed Forces, or their reserve components
- Civil Air Patrol participation
- Exhibiting at or participating in the Indiana State Fair or member of the student's household (up to five days and if the student is in good academic standing)
- Participating in a scheduled competition, exhibition or event for educational purposes offered by the national or Indiana FFA organization or a 4-H club approved in writing by the principal (up to six days, and if the student is in good academic standing)
- Court appearances with a subpoena (documentation must be provided)
- School-sponsored field trips (student will be considered in attendance at school)

Excused Absences: The following absences are excused and do not count toward the **ten-day limit (40 classes)**:

- Personal illness with a note from a doctor
- Absences due to medical or dental appointment with doctor's office note or documentation
- Death in the immediate family (with documentation),
- Funeral for a member of the family – grandparents, parents, guardians, siblings, first cousins (with documentation)
- College visits (no more than 2 per school year)
- School nurse sent home
- Religious observation/event – observation of a recognized religious holiday, attendance at a required religious event
- Family choice planned – pre-arranged and approved by principal attendance at special family event (no more than 5 days in the school year, must be in good academic standing)
- Family choice unplanned – parent choice to keep child home due to the weather – school in session (limited to 3 days per school year)

Unexcused Absences:

All absences not designated as Excused shall be considered as Unexcused absences. All Unexcused absences will count toward the ten-day limit (40 classes):

Tuant

- A student will be considered truant when the absence from school is without the knowledge and approval of a school official or parent and/or no communication from parent
- A student does not report to or leaves an assigned class without permission during the school day
- A student does not report to or return from designated location on a pass and is missing for more than 5 minutes
- A student leaves the school without pre-arranged permission and communication from a parent to the school

For the 2025-2026 school year, a student will not be suspended or expelled solely for being a habitual truant (missing ten or more unexcused absences in a school year) or being chronically absent (missing eighteen (10%) or more days during a school year)

Excused Absences and Written Verification

Written verification must be presented for all excused absences. The written excuses must be turned into the attendance office upon the student's return to school. In the case of an absence due to a doctor's appointment or illness, for which the student is under the care of a physician, the student must present a signed and dated note from the physician's office to verify this absence.

Make-up Work

Students must make up all work missed due to an absence. It is the student's responsibility to arrange for making up the work. As a rule, the student will have the same number of days to make up the work missed as the length of the absence. In the case of a planned absence, the arrangements to determine when the work will be due should be made before the absence.

Vacations and other Planned Absences

The parent or guardian should contact the Attendance office/Student Services personally to arrange for such absences. Contact must be made **BEFORE** the absence.

Intervention Procedure

When a student has accumulated five (5) absences (20 classes), the Attendance Officer or designee will send a letter to the parent or guardian. When the student has accumulated seven (7) absences, (28 classes) a parent conference will be requested. After a student has reached the ten-day (40 classes) limit, a violation will occur upon the next unexcused absence. This violation will result in a mandatory meeting of the parent/guardian and student with the Attendance Director or designee. The Attendance Director or designee may recommend the following:

1. Written contract as an individual intervention plan.

The recommendation of the Attendance Officer or designee will be presented to the principal for final determination.

Tuancy Prevention Procedures:

The following procedures apply to students enrolled in Kindergarten through Twelfth Grades who have (5) unexcused absences in a 10-week period:

1. The school shall, upon the student's fifth unexcused absence in the 10-week period, immediately provide a written notice to the parents. Such written notice shall include:
 - A. The student is a absent student based upon having five unexcused absences with in a 10-week period;
 - B. The parent is responsible for monitoring the school attendance of the student and ensuring the student attends school;
 - C. The school will be initiating truancy prevention measures in regards to the absent student;
 - D. The parent is required to attend an attendance conference concerning the truancy measures the school will be implementing, and such conference will be held not more than ten instructional days after the fifth unexcused absence occurred; and
 - E. The Superintendent or the Attendance Officer are required to report if the student is a habitual truant to juvenile court or the Department of Child Services, wherein the juvenile court may determine the student is committing a delinquent act under state law, and the parent may be prosecuted for educational neglect.
2. The school shall hold an attendance conference to discuss the student's absences and establish an attendance plan. The conference will be with the following people:
 - A. Principal or designee
 - B. A teacher of the student
 - C. The parent of the student
 - D. Parent's Representative if the parent gives 48 hours' notice of the representative's attendance and the name of the representative

3. The school shall establish an attendance plan that includes
 - A. Wraparound services to ensure school attendance for the student.
 - B. A description of the behavior required and/or prohibited for the student.
 - C. The effective time period for the plan but not to exceed 45 instructional days.
 - D. Disciplinary actions the school will take if the student does not comply with the plan
 - E. A referral to counseling, mentoring, or other services for the student as appropriate.
 - F. Whether the parent is required or expected to attend the services assigned to the student.
 - G. The signature of the student and the parent agreeing to the plan.

2. All students who are at least thirteen (13) years of age but less than the age of fifteen (15) years, and who are determined to be a habitual truant per the definition above, are subject to Indiana law, which provides that any person who is determined to be a habitual truant as defined by school board policy cannot be issued an operator's license or learner's permit until the age of 18 years, or until the student's attendance record has improved as determined by the principal upon review of the student's record of at least once per school year.
3. The student's principal may report to the Indiana Bureau of Motor Vehicles of the student's status as a habitual truant.
4. Procedures developed for the administration of this policy shall include provisions for periodic review of all students determined to be habitual truants and their reclassification, when warranted. These procedures will be developed by the Superintendent or designee.
5. The student upon initial designation of being a habitual truant is entitled to the same statutory procedures as a student who is being expelled.
6. A student who has been designated as a Habitual Truant will not be allowed to participate or continue to participate in extracurricular activities and/or co-curricular activities.

HOW TO REPORT AN ABSENCE (PARENTS AND/OR LEGAL GUARDIANS)

Parent(s) and/or guardian(s) may contact individual teachers or Student Services at any time between the hours of 7:00 AM and 2:45 PM with questions or concerns regarding their student's attendance.

It is the responsibility of the parent(s) and/or legal guardian(s) to notify the school regarding their student's absences. The attendance line (765-772-4702) is available 24 hours a day, seven days a week. The attendance line is available in English and Spanish.

Full Day Absences

- It is recommended that the parent(s)/guardian(s) call the day of the absence to avoid receiving an absence verification call from the school that evening.
- A call must be made within 3 school days of the absence in order to prevent the absence from being classified as truant.

Partial Day Absences

- A call to legally release a student must occur **before** the student leaves the building.
- Calls must be made at least two hours prior to the student's departure. This will allow time for the Student Services Office to create an out of school pass and time for the student to pick up the pass.
- Students must pick-up their out-of-school passes before exiting the building. Such passes are not routinely delivered to students.
- Students must also check in to the Student Services Office when returning from an appointment.
- In **emergency situations** where departure is unplanned, a parent(s)/guardian(s) will need to come to the Student Services Office with a valid ID to release the student.

Late Arrival to School

- Students arriving less than 5 minutes late for a class must obtain a HERO pass before going to class and will be considered tardy. (Tardy is defined as being late for class, but not more than five minutes.)
- Students arriving more than 5 minutes late must report to Student Services to receive a "late admit" slip. This absence will be considered truant unless a parent(s) and/or guardian(s) contacts school within 3 school days.

TARDY AND CONSEQUENCES FOR TARDINESS

The Tardy process will include the following:

- After the tardy bell has rung, faculty members will close their doors and students will not be allowed to enter. Students who are not allowed to enter after the tardy bell are counted tardy.
- Tardy students will then be required to report to designated staff member at a designated tardy station to check in and receive a tardy pass in order to be admitted into his/her class. **STUDENTS MUST HAVE HIS/HER ID IN ORDER TO RECEIVE THE REQUIRED PASS.**
- Finally, student tardies are documented cumulatively per semester. At the beginning of each semester, students will start with a new set of tardies.
- Students caught running into class will be considered tardy and sent back out and told to obtain a tardy pass.
- Jefferson High School Staff issued passes will be honored by other staff members and administrators for admittance to class after the tardy bell.

Released Students

- Students released from all or part of the school day **must exit the building**. To remain in the building during release time, a student must be in possession of a pass from the teacher who will be supervising them during the indicated time.

Parent(s) and/or guardian(s) and students will be informed of attendance issues and concerns through:

PowerSchool – www.lafayettejeff.org / PowerSchool link non-reported absence each evening
School Messenger - automated call system – will notify you of your student's unverified absence
Email/Text - parent(s)/guardian(s) can request attendance reports be sent via email or text through PowerSchool

Parent(s) and/or guardian(s) may contact individual teachers or Student Services at any time between the hours of 7:00 AM and 2:45 PM with questions or concerns regarding their student's attendance.
