Dear Parent/Guardian:

We are pleased to have the opportunity to transport your child to and from school. In an effort to create safer and more efficient bus routes this year, we are requiring that you let us know if you will be using bus transportation by filling out a short questionnaire at <https://forms.office.com/r/rEEcu4Jngb>, or use this QR code:

Note: If your child already rides the bus and does not require a change, you do NOT need to fill out this form. Only those who are new to using bus transportation or those who require a change need to complete the form.

If you are unable to fill this form out online, please call the Transportation Center at: (716) 763-8391.

Please request transportation as soon as possible. This is so that we are only routing the buses to the students that will be riding the bus. All students that do not currently ride the bus or wish to change their bus schedule will need to request transportation. Requests will take 3-5 days typically to be placed on a route. Same day changes are not possible.

Thank you,

John C. Spacht

Director of Transportation
