#### **Curriculum Implementations**

- HS Global Studies & Civics
- MS/HS Spanish/French
- HS Advanced Math & Bridge to Algebra

#### **Materials, Supplies, Operating Costs**

- Costs continue to outpace state increases
  - Example: Insurance increase of \$670K (11%)

#### **Collective Bargaining Costs**

- Ongoing Issaquah Education Association (IEA) contract bargaining introduces financial uncertainty, affecting planning timelines and implementation of initiatives
- Estimated cost growth exceeds state revenue

#### **Enrollment-Driven Funding Pressures**

Continued declines, close monitoring and realignment

<sup>\*</sup>Budgeted expenditures include capacity. Actual expenditures projected to be approximately \$406M.

## Strategic Budget Alignment for 2025-26 Start, Stop, Continue

### **Investments to Advance Strategic Goals**

Refocused funding to support students and operational equity

- Expansion of Dual Language to middle school
- Development of new CTE (Aerospace) and AP pathways
- Increased capacity for preschool and care programs
- Targeted paraeducator support for student transportation
- Launch of the Equity-Based Budget Framework to guide resource allocation

→ Estimated net increase: \$2.1M

## Strategic Budget Alignment for 2025-26 Start, Stop, Continue

### **Structural Reductions for Sustainability**

Rebalancing to maintain long-term fiscal health

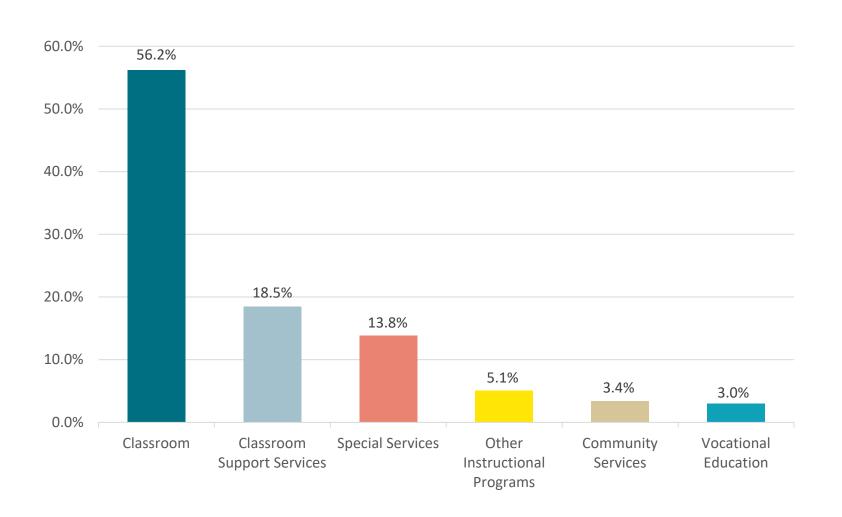

- Return curriculum investment to baseline of \$3M annually
- Sunset obsolete supplies and outdated contracts
  - → Estimated decrease of \$2.7M

<sup>-</sup> See April 10, 2025 board meeting for details on "continue" items

2025-26 Budget vs State Funded

# **Expenditures** *Transportation*

2025-26 Budget vs State Funded

## **2025-26 Ending Fund Balance**

Projected ending fund balance is \$40 million, but subject to change due to:

- Ongoing collective bargaining negotiations with IEA
- Potential adjustments in federal funding levels
- Evolving costs (e.g., insurance, operating costs)

The district will actively monitor and adjust to maintain compliance with fund balance policy (3–7% unrestricted)

## **Navigating Financial Complexity: Strategic Response in Uncertain Times**

- **Persistent Funding Gaps:** State increases (SPED, MSOC) help, but fall short of covering actual cost growth
  - MSOC Example: Insurance premiums rose over 11%, a \$670K increase
- Expenditures Outpace State Support: Staffing levels and operating costs exceed state apportionment, collective bargaining outcomes will further shape financial obligations
- Enrollment & Broader Funding Declines Continue: Continued declines are driving structural budget pressure and revenue loss
- **Federal Support Uncertainty:** Potential loss of federal programs that could reduce district revenues and increase reliance on local funds beyond 2025-26
- **Strategic Response Is Underway**: The 2025–26 budget emphasizes sustainability, compliance, and the foundation for a 2–4 yr financial plan aligned with long-term projections
