

Introducing the Restorative Mix-Tape

We're excited to introduce the **Restorative Mix-Tape**, a new monthly resource curated by the Restorative Justice Team to support you and your staff in building and sustaining a restorative school climate. Each monthly Mix-Tape will feature a blend of LBUSD Portrait aligned practical tools, including ready-to-use restorative activities, insightful videos, and skill-building strategies designed to foster stronger relationships and a culture of care across our campuses.

Looking for something tailored to your school's unique needs and/or Culture Climate Leadership Team focus? Our RJ team can collaborate with you to create a customized Restorative Mix-Tape just for your site!
